### VISION

To better serve customers to help them and society grow.

### MISSION

We provide innovative and efficient financial solutions to our customers.

# SCALING THE SUMMITS OF INNOVATION **TECHNOLOGY** As we scale the peaks of technological advancements, our aim is to provide customers with the tools and knowledge to reach their own summits. We believe that possibilities are ever-expanding, and we're dedicated to assisting them in exploring and conquering these opportunities.

Nanga Parbat, referred to locally as Diamer, ranks as the world's ninth-tallest

mountain, with its summit reaching 8,126 meters. This awe-inspiring peak is

nestled in Pakistan's Gilgit-Baltistan region.

# HEIGHTS OF POSITIVE IMPACT CORPORATE SOCIAL RESPONSIBILITY (CSR) In the world of CSR, we are dedicated to reaching the apex of responsibility. We believe in community partnerships and sustainable giving, with the ultimate aim of creating a better future for all. Standing as the 12th highest peak in the world at 8051 meters, the Broad Peak is located in the Karakoram range spanning Gilgit-Baltistan – Pakistan.

### CORPORATE SOCIAL RESPONSIBILITY

(CSR) ACTIVITIES

### **EMPOWERING EDUCATION:**

### The Citizen Foundation (TCF)

Soneri Bank collaborated with TCF, a non-profit organization in Pakistan devoted to providing quality education to underprivileged children. This partnership reflects Soneri Bank's commitment to social impact and demonstrates a shared dedication to education and development. In alignment with this vision, the school fees, uniforms, and books for two classrooms, benefiting 64 children, was sponsored for an entire year at Captain Karim's Campus, TCF Secondary School in Karachi.

### **SOCIAL WELFARE**

### **Ration Distribution Drive**

Soneri Bank conducted a ration distribution drive in which ration bags and essential food items were distributed amongst our entire non-clerical staff (NCS) to provide them relief during the holy month of Ramadan. Soneri Bank branches also took the initiative of distributing food in their respective neighborhoods to help the less fortunate. Soneri Bank believes in working diligently towards promoting a supportive and inclusive workplace culture and creating value in the lives of others by giving back to society and fostering a sense of community within the workplace.

### Attock Sahara Foundation Exhibition - Meena Bazaar - 2023

Attock Sahara Foundation (ASF), a non-profit NGO that works to uplift the marginalized segment of the community, ASF provides scholarships, financial assistance, a marriage support fund, funds to the deprived, and Zakat to the underprivileged. To support ASF in generating funds for these objectives, Soneri Bank Limited sponsored the "ASF Annual Meena Bazaar" in March 2023 to promote the well-being of society.

### **Disabled Welfare Association**

Soneri Bank is honored to contribute to disability empowerment, where we sponsored the International Day of Persons with Disabilities event, organized by the Disabled Welfare Association in Karachi. Our commitment to inclusivity is unwavering, as we strive to support and empower people with disabilities, fostering a culture of understanding and compassion.

### **Patient's Aid Foundation**

Soneri Bank was honored to support the Patient's Aid Foundation's initiative to provide quality and free health care to the thousands of patients that walk through its gates every day. While contributing to this noble cause, Soneri Bank secured the Diamond Lodge, a private lounge accommodating 10 VIP guests during the JPMC Patients Aid Foundation event.

### The Layton Rahmatulla Benevolent Trust

The Layton Rehmatullah Benevolent Trust (LRBT) did a fundraiser to raise awareness about blindness and vision on October 13, 2023. Soneri Bank supported LRBT for this initiative in the form of table booking. The table accommodated 10 people and has given access to an important platform to advocate for the right to sight and the elimination of avoidable blindness.

### **COMMUNITY DEVELOPMENT**

### Pakistan Hindu Council Job Fair

Soneri Bank participated in the job fair hosted by the Pakistan Hindu Council, a non-profit organization working for the welfare of the deprived communities in Pakistan since 2005. The event aimed to provide an excellent opportunity for talented individuals to explore exiting career prospects, bringing together employers and job seekers, possibly providing resources for career development, and, hence, contributing to the welfare of the employee.

### **Rotary Club program**

The Rotary Club of Karachi has taken up numerous projects to serve the community over the years. In 2023, Soneri Bank continuously collaborated on multiple fundraising projects related to literacy, peace, health, scholarship, and humanitarian services for the betterment of the community.

### Vatan Gujrati Navroz Mubarak Supplement

Soneri Bank remains dedicated to supporting regional publications and communities. In a recent endeavor, Soneri Bank celebrated Navroz through a special supplement in partnership with Vatan Gujrati, focusing on sustainability and social impact. This commitment underscores Soneri Bank's mission to contribute meaningfully to the communities we serve.

### **CELEBRATING CULTURE & HERITAGE**

### **Sindh Rural Support Organization Exhibition**

Sindh Rural Support Organization is a non-profit organization operating with the mission to alleviate poverty, empower rural communities, improve socio-economic conditions, and promote sustainability through various programs. SRSO organized the "12th Sartyoon Sang Crafts Exhibition," which was sponsored by Soneri Bank and held on February 20, 2023, at Ocean Mall, Karachi. The exhibition had a wide mixture of Sindh's handicrafts made by rural women, including home textiles, baskets, jewelry, dresses, dupattas, and shawls embellished with traditional embroidery and cutwork. The event was an initiative to provide market links to rural women and artisans.

### **ENVIRONMENTAL CARE**

### Rung Do Pakistan

Soneri Bank collaborated with WWF, one of the world's largest and most recognized nature conservation organizations, to conduct a tree plantation drive called "Rung Do Pakistan," exemplifying Soneri Bank's commitment to sustainable initiatives. This initiative aligns with Soneri Bank's dedication to making a positive impact on the environment and reflects its ongoing efforts to contribute to a greener, more sustainable future.

### **Beach Cleanup Drive**

Soneri Bank is at the forefront of environmental responsibility, engaging in impactful activities to contribute to a sustainable future for the community. To support this, an employee-driven beach cleanup drive was organized at Sea View Beach Karachi, where employees from all departments participated to declutter the seashore, collect debris, and remove pollutants from the beach to promote environmental awareness, environmental sustainability, and eco-friendly practices for societal welfare.

## **ROLES AND RESPONSIBILITIES**

### **Board and its Committees**

The Board has retained ultimate responsibility for the Strategic Direction and Control of the Bank. The Board has delegated the Senior Management team under the leadership of the Chief Executive Officer, to deliver the Strategic Direction and Goals determined by the Board. A key function of the Board is to monitor the performance of Senior Management in this function.

The Board from time-to-time establishes specialized Committees to share load of activities and streamline the discharge of its responsibilities except for Policy making. For each Board Committee, the Board adopts a formal Terms of Reference (ToRs) setting out the matters relevant to the objectives, composition, roles, functions, responsibilities, authorities and administration of such Committees. The Board has currently established the following specialized Committees:

- 1. Board Audit Committee
- 2. Board Credit Committee
- 3. Board Human Resource and Remuneration Committee
- 4. Board Risk & Compliance Committee
- 5. Board Information Technology Committee
- 6. Board Committee of Independent Directors
- 7. Board Cost Rationalization Committee\*

\*Cost Rationalization Committee (CRC) was a specific purpose committee, which upon achieving its assigned task in line with their ToRs, had been dissolved by the Board in its 198th meeting held on 27.04.2023.

The Committees' ToRs are reviewed as per their defined frequency or if any regulatory change occurs whichever is earlier. As a matter of principle, Committee Members have access to the appropriate external and professional advice needed to assist the Committee in fulfilling its role. Board reviews performance of these specialized Committees on a quarterly basis where respective Committees' Chairmen brief the Board about their activities, achievements as well as decisions taken, in compliance with the regulatory requirements.

#### Chairman and the Chief Executive Officer (CEO)

The Chairman and the Chief Executive Officer have separate and distinct roles.

The Chairman has all the powers vested under the Banking Laws, Companies Act and Listed Companies (Code of Corporate Governance) Regulations and presides over the Board meetings. The principal role of the Chairman is to manage and provide leadership to the Board of Directors of the Bank. He acts as a leading figure for both the Board of Directors as well as the management and is entrusted with numerous roles and responsibilities ranging from monitoring Board level decision-making activities to safeguarding the Bank's commercial interests.

#### Other responsibilities include:

- Serving as a leader and a driving agent of the Board of Directors (BOD), monitoring and managing all of its activities, aligning the Board's
  goals and decisions with that of the management. The Chairman also ensures that the Board stays in the right direction with respect to
  achieving its objectives;
- Presiding over the Board meetings and General meetings, ensuring that these meetings are executed productively and the key agenda is discussed along with a valuable conclusion/ decision. The Chairman also oversees the Board's key decision-making activities; and
- Exercising the powers and authorities that are vested in and conferred to him under enabling laws and promoting the highest standards of corporate governance.

The Chief Executive Officer at Soneri Bank Limited also plays a critical and significant role and is entrusted with numerous responsibilities, subject to the control and supervision of the Board of Directors.

#### Key responsibilities include:

- Managing and administrating the affairs of the Bank in accordance with the laws, rules, and regulations and the Memorandum and Articles of Association of the Bank;
- Complying with and arranging for implementation and compliance within the Bank, of all policies, procedures, and manuals approved by the Board of Directors and any directives given by the Board of Directors or Board Committee(s);

ANNUAL REPORT 2023 \_\_\_\_\_\_\_ 55

## **MECHANISM ADOPTED FOR**

## THE BOARD'S PERFORMANCE EVALUATION

Soneri Bank Limited ("the Bank") has put in place a mechanism whereby the performance of the overall Board is evaluated annually. A quantitative technique is used where a scaled questionnaire is provided to each Director to obtain feedback. Assessment is carried out for the following categories:

- Overall Board
- Chairman of the Bank
- CEO of the Bank
- Sponsor Directors
- Independent Directors
- Individual Directors
- Board Committees

Scale from 1 to 5 (1 being "Strongly Disagree" and 5 being "Strongly Agree") is used to rate the assessment criteria given under each section. Accordingly, the Bank prepared an internal questionnaire also covering the challenging areas that attained lower rating in the last assessment by the Directors. Feedback, so received, from each director is then collated and analyzed to denote performance in percentage terms against each of the above mentioned section.

Final result of the Annual Evaluation of the Board's Performance is then presented to the Board of Directors which it accordingly reviews and identifies any issues, weaknesses or challenges along with how these can be adequately addressed. Accordingly, Board has reviewed its Performance Evaluation for the year 2023 in its 202nd meeting convened on 31st January 2024 and the challenges identified by them have been duly noted to be addressed.

This mechanism disclosure on the evaluation process adopted by the Bank, is being published for all the stakeholders in compliance with the BPRD Circular No.11 dated 22 August 2016 and the Listed Companies (Code of Corporate Governance) Regulations, 2019 and shall form part of the Director's Report to the Shareholders.

## MANAGING CONFLICT OF INTEREST

The Board of Directors recognize that they have been entrusted with fiduciary duties of loyalty towards the Bank and its shareholders, accordingly they demonstrate due care and skill while performing in their capacity as Directors of the Bank. One of the key aspects of their responsibilities includes managing potential or actual conflict of interests arising from personal relationships, external associations and interest in material matters, which may have a bearing on their independent judgment. In order to effectively manage conflict of interest, the Board regularly monitors whether or not they are placed in position of actual or potential conflicts through the following:

#### Disclosure of Interest by Director:

- Every Director (including spouse and minor children) of the Bank who is in any way, whether directly or indirectly, concerned or interested in any contract or arrangement entered into, or to be entered into, by or on behalf of the Bank shall disclose the nature of his concern or interest at a meeting of the directors.
- Directors are required to disclose existing or perceived conflicts of interest at the Board meeting as per the requirements of prevailing law. Where a conflict of interest or potential conflict of interest has been disclosed, the concerned Board member shall not take part in the Board discussion on that agenda item. The Member who has disclosed the conflict cannot vote on that agenda item.

#### Insider Trading:

- Board has approved Insider Trading Policy, where Directors are required not to deal directly or indirectly in the securities of the Bank; whether on their own account or their relative's account, if they are in possession of any unpublished price sensitive information concerning the Bank. Directors who are in possession of any unpublished price sensitive information shall not communicate directly or indirectly the said information to others who trade on such information.
- Where any Director or his spouse sells, buys or takes any beneficial position, whether directly or indirectly, in the shares of the Bank, he
  shall immediately notify the Company Secretary in writing. Such Director shall also deliver a written record of the price, number of shares,
  form of share certificates (i.e. whether physical or electronic within the Central Depository System) and nature of transaction to the
  Company Secretary. Further, no Director shall, directly or indirectly, deal in the shares of the Bank, in any manner, during the closed period
  as determined by the Board of Directors.

#### Related Party Transaction:

- The Board has approved the Related Party Transaction Policy, where the Bank has devised a mechanism for the identification of related parties and execution of related party transactions at arm's length, which are executed in the normal course of business.

  Based on the statutory requirements, complete transactional details of the related parties are presented before the Audit Committee for
  - review and deliberations. The Audit Committee reviews and recommends the related party transactions to the Board and AGM, where required, for its approval.
- Moreover, as a statutory requirement, a comprehensively prepared return is submitted at a half-yearly interval to the State Bank of Pakistan that primarily covers every related party transaction executed during the said period.

#### Confidentiality:

- The Directors shall maintain the privacy and confidentiality of all the information acquired being a Member of the Board of Directors of the Bank or which has come into their knowledge and refrain from disclosing the same unless otherwise required by statutory authorities/law and the Bank's own policies. All such information will remain with them as a trust and will only be used for the purpose for which it is intended and will not be used for personal benefits. Inside information about the affairs of the Bank shall not be used for their own gains or for that of others, either directly or indirectly.
- Directors of the Bank are strictly prohibited to disclose the fact (that comes into their knowledge) to the customer or any other quarter that a suspicious transaction or related information is being or has been reported to any authority, except if required under the law.

### Conflict of Interest:

- Avoid all such circumstances in which there is a personal conflict of interest, or which may appear to be in conflict with any of the stakeholders as prescribed by the statutes and in the probable case where their interest conflicts with any of the stakeholders, he would immediately declare such interest before the Board of Directors.
- No Director shall exploit for their own personal gain, opportunities that are discovered through the use of corporate property, information
  or position unless the opportunity is disclosed completely in writing to the Board of Directors of the Bank and the Board allows him to avail
  such opportunity.
- No interested person shall participate in the discussion or vote in the Board's proceedings or participate in any other manner in the conduct or supervision of such dealings.
- Avoid any dealing with contractors or suppliers of the Bank that compromises the ability to transact business on a professional, impartial
  and competitive basis or that may influence the discretionary decision to be made by the Board Members/Bank.
- No Director shall hold any position or job or engage in outside business or other interest that is prejudicial to the interests of the Bank.

## STAKEHOLDERS'

## RELATIONSHIP AND ENGAGEMENT

## Steps to Encourage Minority Shareholders' Participation in AGMs

Apart from being an event for decision-making on important matters, Annual General Meeting also provides a forum for two-way engagement with the shareholders, particularly the minority shareholders. Therefore, the Bank takes the following measures to ensure the meaningful participation of minority shareholders in the AGM:

- We encouraged our minority shareholders who qualify for election to the office of a Director to file nomination papers. Minority shareholders shall be facilitated in terms of the requirements of Regulation 5 of the Listed Companies (Code of Corporate Governance) Regulations, 2019.
- Minority shareholders are facilitated and apprised about the details of the documents required to be submitted vide our Notice of AGM.
- Notice of AGM is sent to every member of the Bank at least 21 days before the meeting. The notice is also published in newspapers (both English and Urdu) having nationwide circulation. Moreover, the notice is also circulated from the forum of Pakistan Stock Exchange Ltd.
- Annual Report of the Bank is sent to each member of the Bank before the AGM in electronic (CD/DVDs) or hard copy form (on request).
- The Shareholders are facilitated to additional a proxy, if they are unable to attend the AGM in person.
- The shareholders are also provided with the Zoom facility to attend the meeting virtually from their laptops, cell phones, etc.
- During the AGM, a detailed briefing on the Bank's performance and future plans is given to the shareholders both in English and Urdu.
- The shareholders are encouraged to raise queries and give suggestions relating to the Bank's operations.

### Summary of the Corporate Briefing Sessions (CBS)

Corporate briefing sessions are interactive sessions between the management of the Bank and the investor community, whereby the Bank takes the opportunity to apprise the investors about the business environment and economic indicators of the country, explain its financial performance, the competitive environment in which the Bank operates, investment decisions, challenges faced as well as business outlook.

The idea behind the Bank's investor engagement through these briefings is to give the right perspective of the business affairs of the Bank to the investors (both existing and potential), which helps them in making their investment decisions.

Accordingly, the Bank's CBS for the year 2023 was arranged on 22nd December 2023 in compliance with the PSX Regulation 5.7.3 read with the updated "Guidelines/Procedure for holding CBS" communicated vide their Notice No. PSX/N-1120 dated 2nd November 2023.

## Issues Raised in the last Annual General Meeting (AGM)

No significant issue was raised in the last Annual General Meeting of the Bank, held on 27 March 2023. General clarification or information sought by the shareholders including minority shareholders was duly provided by the Chief Financial Officer and Chief Executive Officer during the AGM.

## I.T. GOVERNANCE

Soneri Bank's technology governance framework is a fundamental guide and reference point for decision-making within the bank's IT division, ensuring compliance with regulatory standards across all levels. It is a central component of our enterprise governance, encompassing leadership, organizational structures, and processes vital for fortifying the bank's IT division in alignment with organizational strategies and objectives. This framework serves as a cornerstone, facilitating the synchronization of IT with business strategies, thereby providing a robust platform for accomplishing the strategic objectives of the business streams.

The oversight of IT operations is led by the bank's chief Information officer, who directly reports to the Deputy CEO. They collaborate closely with various business groups, the IT Steering Committee, the Board IT Committee, and the bank's Management Committee to ensure cohesive management and strategic alignment within the organization.

The CIO and his team are responsible for the implementation of the entire Enterprise Technology Governance Framework and ensure providing valuable strategic insights to keep the Bank abreast with new technological enhancements and systems. The Technology Governance Framework also ensures that the Bank is equipped with innovative, world-class robust I.T. Infrastructure with adequate hardware and high availability of the network to enable a connected workforce for timely servicing its worthy customers. The Technology Governance Framework and Information Security Policy ensure cyber security on the topmost level.

Bank's I.T. Services are designed to benefit the Bank with major or complex software and hardware deployments, diverse system requirements, dynamic configuration changes, high uptime requirements, and to meet user expectations by ensuring that technology governance, information security, and risk management are fully equipped and up-to-date.

An independent IT audit of the bank's IT infrastructure services, policies, and operations is in place to assess the presence and effectiveness of all IT controls. This evaluation aims to safeguard the bank's assets, ensuring data integrity and aligning service delivery with the bank's goals and objectives.

In these emerging technological trends, our I.T. people are equipped with the necessary skill set and tools and regularly go through trainings to stay abreast of existing and new technologies in relation with their job requirements and their impact on the Bank's business. Our people are the real key to the successful implementation of information and technology. They create, use, and interpret data. They manage information systems, administer access rights, and pre-emptively identify risks to prevent incidents and crises from occurring.

At its core, our technological governance framework defines how Soneri Bank aligns with specific objectives, emphasizing the strategic use and organization of technology to achieve the bank's business objectives.

## **HUMAN RESOURCE PRACTICES**

We, at Soneri Bank continuously strive to attract, develop and retain top quality human capital that continues our legacy of encouraging healthy and productive work environment; conducive for growth and development of our biggest assets – Our People! Our Talent Acquisition & Talent Management team designs and implements strategies which enable us in hiring the right person for the right job. We feel delighted to welcome fresh as well experienced resources and further develop, motivate and encourage them in attaining their career aspirations.

To ensure that our workforce has access to high-quality learning interventions that help them advance their knowledge and abilities, HR Learning & Development has developed and launched a number of initiatives this year. The Bank has added multiple e-learning modules including Information Security Awareness, Diversity, Equity & Inclusion, Inclusion of Persons with Disabilities (PWDs), Ethical Conduct to our existing e-learning portfolio in our Learning Management System (LMS). Human Resource Department has rolled-out a program specifically designed for our female staff. The program is named Parvaaz and it gives our female staff an opportunity to receive continuous mentorship from senior leaders in order to build strong leadership competency, enhance capability to deliver on the future strategy, enable accelerated career progression and provide guidance and support that shall lead women in senior management roles. This year, at the commencement of the program, more than 45% of the recipients of mentorship have been elevated either in role or in grade marking the success of this program.

HR Learning & Development is constantly working on Diversity, Equity and Inclusion (DEI), we have arranged various workshops on gender sensitivity and workplace harassment. This aims to assist our staff in learning how to ensure the inclusion of all genders at work by building an empowering, encouraging and enabling work environment. The target audience for this program is mainly frontline e.g. Area & Branch Manager, Branch Operation Managers and other senior staff who are being trained and become gender champions in the branches and departments. When we talk about diversity and inclusion; the Persons with Disabilities (PWDs) have always been our top priority. Soneri Bank is an inclusive organization and we have been actively onboarding differently abled talented individuals in our staff strength. We take pride in a workforce that brings in rich cultural experiences and technical expertise which contributes in creative ideas and efficient solutions. Moreover, to further strengthen and promote diversity within teams, we have been hiring female trainee officer batches and providing them with learning opportunities that facilitate them towards attaining financial independence.

We are not only committed to recruiting and onboarding top talent, but also focused on retaining our top performers. To boost staff engagement, we launched a campaign by the name of "We Value You". This campaign gives recognition and cash awards to staff who are nominated by their colleagues for demonstrating extraordinary behavior, which also exemplifies Soneri Bank's core values. The aim of this initiative is to align staff's behavior with Soneri Bank's Values, promote engagement and enhance psychological inclusion and connectivity.

Moreover, SNBL believes in treating each and every staff member with respect and has a zero tolerance policy in matters pertaining to discrimination and harassment which enables staff to co-exist in harmony and be fearless in raising their voices. We emphasize strongly on staff motivation and satisfaction. Hence, we conduct staff engagement survey annually to gauge how our staff feels and analyze how we can improve for the betterment of both our staff and organization. With an utmost priority to create a high performance culture, we create reward differentiation and also provide career development opportunities to consistent performers. With a family of over 4,000 staff, each one of us in our capacity is contributing for collective growth of the organization and society in general. We aspire to be responsible social citizens.

## WHISTLE-BLOWING

#### Overview

Soneri Bank Limited (SNBL) believes in the conduct of the affairs of its constituents in a fair and transparent manner by adopting the highest standards of professionalism, honesty, integrity, and ethical behavior.

Whistle-blowing Policy (WBP) provides a framework enabling the Bank's staff and outside parties such as shareholders, vendors, customers, etc., to report their concerns against irregularities, financial malpractices, frauds and forgeries, harassment, improper conduct, or wrongdoing without any fear, reprisal or adverse consequences.

### Scope

The scope of the WBP mainly covers the cases that escape the existing normal procedures and systems. WBP is additional to the existing systems of complaint and dispute resolutions. It is part of an effort to further improve governance and accountability at SNBL. The employees and outside parties are encouraged to use the guidance provided by this program for reporting wrongdoing/improper conduct.

### Independence of Whistle-Blowing (WB) Unit

To ensure independence, WB Unit has been established as part of the Internal Audit and RAR Group of the Bank under the ambit of the Board Audit Committee (BAC) of the Bank.

#### **Protection for Whistle-Blowers**

The Bank shall protect the identity of whistle-blower. For whistle-blowing and complaint handling mechanisms to be effective, the concerned parties must be adequately assured that the information given will be treated in a confidential manner and above all that they will be protected against retaliation from within or outside the Bank.

#### **Rewards for Whistle-Blowers**

Anyone providing information leading to investigation or detection of frauds/forgeries or incidents which may have impacted the Bank's reputation will be suitably rewarded, at the discretion of the management, considering all facts and circumstances.

## Communication Channel for Lodging Complaint

- Post/Courier addressed to WB Unit on the prescribed form and address available on the Bank's website.
- Dedicated email ID whistleblowing.unit@soneribank.com accessible to WB Unit Head.

## Number Of Whistle-blowing Incidences Reported To BAC

Two whistle-blowing incidences were reported to BAC in Q4-2023 meeting.

## **INVESTORS' GRIEVANCE**

The Bank believes that its association with its investors should be given utmost priority and continuously strives to strengthen its relationship with them, which is also reflected in the mechanism deployed for addressing investor grievances. Moreover, it also promotes equitable treatment of every shareholder, whether they are major or minority shareholders, institutional investors, or foreign shareholders.

The Bank has dedicated a section of its website solely for the provision of significant information and various documents to the investors. Accordingly, the Bank has posted essential information on its website about the Bank, Board of Directors, Management Team, External Auditors, past and current financial data, shareholding details, investor relations/grievances, as well as such other information as stipulated under the Securities and Exchange Commission of Pakistan's S.R.O.1196(1)/2019 dated 03 October 2019.

## **CHAIRMAN'S REVIEW**

Dear Stakeholders,

On behalf of the Board of Directors, it is my privilege to present the Annual Report of Soneri Bank Limited for the financial year ended 31 December 2023.

In the face of global as well as domestic uncertainties and economic pressures, our Bank's performance remained impressive, as we continued with our growth momentum throughout the year, scaling new heights and reaching new milestones. Our results are testament to the efforts, dedication and unwavering commitment to excellence exhibited by each and every member of the Soneri family, as we continued to navigate through a difficult macroeconomic environment.

Over the course of the year, we achieved significant milestones, all contributing to sustainable value for our shareholders. By the grace of the Almighty, we crossed the PKR 500 billion landmark in terms of overall deposits during the year. At the same time, our current deposits growth also remained strong, both in terms of absolute as well as average volumes. In terms of the overall Balance Sheet, our asset base has now surpassed the level of PKR 650 billion, with net assets of around PKR 28 billion at the end of the year. Our Capital position provides ample room for growth.

With improved margins as well as enhanced contribution from fee income lines, our overall profitability reflects notable year on year growth in 2023. We maintained a strict focus on enhanced cost discipline, and administrative expenses were contained at reasonable levels, despite inflationary and expansionary pressures. I believe that the performance this year sets a very strong foundation for future growth.

Our core values continue to remain the guiding principles that shape our actions and define our identity. High moral standards, ownership, collaboration, pro-activeness and customer centricity are not merely ideals, but the cornerstone of our daily practices. They form the backbone of our operations and are critical in maintaining the trust

and respect of our customers and stakeholders.

The Bank's short-term credit rating of A1+(A One Plus), which is the highest possible rating in the category, as well as our long-term credit rating of AA- (Double A Minus) continues to be maintained and the most recent outlook assigned to the Bank was stable. Our ratings denote high credit quality, low expectation of credit risk and strong capacity for timely payment of financial commitments.

We continue to invest in our people, emphasizing talent development and gender diversity. We believe that our people are our core strength, and by getting the right people to work at the right place boosts both productivity as well as overall customer satisfaction.

I would once again like to place on record, my appreciation for our Board of Directors, and I truly believe that their rich and diversified experience remains instrumental in helping set the direction for the Bank. Our commitment to effective corporate governance, ethical conduct and risk management remains unwavering. During the year, the Board continued to track the Bank's financial and operational soundness, and reviewed and approved all significant and material policies inline with regulatory guidelines and the Bank's overall strategic objectives. The Board has remained compliant with the provision with regards to their training program, and the Board's regular performance evaluations ensure continual improvement.

Looking ahead, I am confident that the Bank will continue to play its innovative role in the country's overall banking landscape. The shifting customer preference for digital products has driven banks to transform the traditional ways of banking. Our strategic priorities in the coming years include a continuous focus on operational digitalization and transformation to enhance the overall customer experience. At the same time, we continue to expand our footprint across Pakistan as well. Our branch outreach now extends to 443 branches across the country, and we aspire to add a further 100 branches to our network next year.

Lastly, I extend my gratitude to our shareholders, customers, regulatory authorities including the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan and Federal Board of Revenue, the Bank's Shariah Board, members of our senior management team and our dedicated employees for their ongoing support.

The targets and aspirations that we have set for ourselves going forward are ambitious, yet attainable – driven by the collective hard work and dedication of our team. I am hopeful that together, we will achieve many more milestones in the future as well.

Alauddin J. Feerasta

Chairman

## **DIRECTORS' REPORT TO THE SHAREHOLDERS**

On behalf of the Board of Directors, we are pleased to present the Directors' Report of Soneri Bank Limited (the Bank) along with the audited financial statements and Auditors' report thereon for the year ended 31 December 2023.

#### **Economic Review:**

Pakistan's economy faced a sharp slowdown in FY23 amid intensifying external pressures with key indicators remaining stressed. GDP contracted by 0.2 percent in FY23, with decline in economic activity stemming from both local and external shocks, including domestic political uncertainty, government restrictions on imports and capital flows, the continued impact of the devastating floods in 2022, surging world commodity prices and tighter global financing. Significant pressure remained on domestic prices, fiscal and external accounts and the exchange rate.

Recent indicators at the start of FY24 however, started to depict some improvement in economic activity. Real GDP is expected to rebound in FY24, with growth projected at 2 percent, with post flood recovery in the agricultural sector compensating for still subdued activity in the industrial and service sectors, with signs of weak aggregate demand. Over the medium-term, prudent policies and the implementation of long overdue structural reforms will allow growth to rise, supported by stronger investment and exports.

In 2023, Pakistan experienced an unprecedented average inflation rate of 31 percent, driven mainly by the surge in prices of food, gas, electricity and fuel. Responding to the escalating inflationary trends, the SBP raised the policy rate by 600bps, which was increased from 16 percent in December 2022 to a historic high of 22 percent in June 2023. In the last MPC meeting held in December 2023, the SBP's MPC had opted to keep the policy rate unchanged at 22 percent.

Going forward, headline CPI inflation is projected to remain above 20 percent (YoY) in the second half of FY24, as the necessary recent increases in gas and electricity tariffs are likely to contribute to persistently high energy inflation, while food and core inflation is expected to ease albeit gradually. Maintaining a real policy rate in clear positive territory as inflation eases and reacting to any signs of new demand pressures or increasing inflation expectations will help re-anchor inflation expectations and guide down core inflation from FY24H2 onwards, provided there is no resumption in administrative import compression.

After a series of surpluses driven by deep import contraction in the second half of FY23, the current account returned to a deficit in the first half of FY24. The Current Account Deficit for Jul-Dec FY24 stood at USD 831 million, much lower than USD 3.63 billion in the same period of last year. FDI reached USD 862.6 million during Jul-Dec FY2024, indicating an increase of 35 percent against last year, while remittances stood at USD 13.4 billion during Jul-Dec FY2024 at the back of structural reforms related to exchange companies and consequent convergence of exchange rate in interbank and open market.

The approval of the International Monetary Fund (IMF) Stand-By Arrangement (SBA) in July 2023 unlocked new external financing and averted a balance of payments crisis. Short-term macroeconomic stability depends on the robust implementation of the SBA and continued fiscal restraint and external financing inflows. The IMF's Executive Board has recently completed the first review and approved the release of second tranche of USD 700 million for Pakistan under the USD 3 billion SBA program.

Gross SBP reserves have increased significantly from USD 4.5 billion at end-FY23 to USD 8.0 billion at end-December 2023, owing to the realization of committed inflows and SBP purchases. With foreign exchange (FX) market conditions normalizing, imports are expected to pick up in the coming months alongside somewhat stronger remittances, leading to a projected FY24 current account deficit (CAD) of USD 5.7 billion for FY24.

During July-Dec FY24, exports totaled USD 19.1 billion, while forex spending on imports and goods and services totaled USD 30.4 billion, resulting in a trade deficit of USD 11.4 billion. Growth in remittances as well as export earnings therefore remain paramount for managing the trade deficit in the coming days.

On the fiscal front, successful implementation of consolidation measures led to a significant rise in revenues, which have outpaced the growth in expenditures, leading to a reduction in the fiscal deficit as a percentage of GDP. Cautious expenditure management has also played an instrumental role in controlling non-essential spending, however, the challenge of higher markup payments still persists, and it can be expected that the government will continue with the current fiscal strategy to achieve set targets, emphasizing both revenue enhancement and prudent expenditure control.

Despite the challenges being posed by elevated external risks and the efforts needed to continue to sustainably resolve macroeconomic and external imbalances, the overall economic outlook is optimistic marked by receding inflationary pressures, positive prospects in agriculture, signs of potential recovery in the industrial sector reflected by positive trends in high-frequency indicators, imports, and a favorable external environment.

The optimistic economic outlook is also evident by the 2.13 percent growth achieved in the first quarter of FY2024, largely contributed by agriculture and industry. Further, the twin deficit is on a downward trajectory signifying better economic management. This lays the foundation for progressing towards higher and sustainable economic growth. It is therefore expected that this positive momentum will further strengthen in the upcoming months.

The ongoing regional conflict in the middle east, and the Red Sea crisis are already taking a toll on global trade in the form of disruptions in supplies and higher cost of shipments. The biggest challenge for the new government following elections scheduled for February will be to tackle internal as well external pressures facing the economy. Careful economic management and deep structural reforms will be required to ensure macroeconomic stability going forward.

#### Overview of the Business:

The Bank posted Profit before tax (PBT) of Rs. 12,357.115 million and Profit after tax (PAT) of Rs. 6,075.460 million for the year ended 31 December 2023, as compared to Rs. 4,554.021 million and Rs. 1,883.243 million respectively for the prior year. Earnings per share (EPS) was recorded at Rs. 5.5108 per share for the year 2023, as compared to Rs. 1.7082 per share for the year 2022. This reflects an impressive growth of 222.61 percent year on year.

The Bank's net interest income (NII) for the year ended 31 December 2023 ended at Rs. 22.759 billion as against Rs. 11.267 billion for the prior year, doubling to reflect an increase of 102.00 percent year on year, amidst continuous improvement in spreads. Non interest income for the period ended also grew by 25.23 percent year on year and was reported at Rs. 6.459 billion as against Rs. 5.157 billion for the prior year, mainly at the back of improved fee and commission income, which grew by 26.97 percent year on year. Resultantly, overall revenue of the Bank also indicated a substantial improvement of Rs. 12.793 billion, or 77.89 percent, year on year.

The Bank's year end investment position stood at Rs. 310.341 billion as against Rs. 258.007 billion last year. The year end position does not include an amount of Rs. 50 billion, which was reclassified and reported as receivable from the Government of Pakistan under Other Assets,

following maturities of certain government securities falling due on 30 December 2023. Including this amount, the year on year growth on investments stands at 39.66 percent. The Bank's average net investments for the year stood at Rs. 315.418 billion as against Rs. 305.092 billion for the year 2022. Income from investments increased impressively to Rs. 60.609 billion for the current year, as against Rs. 37.005 billion for the prior year, with net investment yields significantly improved at 19.21 percent for the year 2023 as against 12.13 percent for the year 2022.

Following the gradual repricing of the loan book based on policy rate increases by the State Bank of Pakistan, net yields on advances also continued to improve over the year, ending at 19.04 percent for the current year as against 12.43 percent for the prior year. Although the Bank's average net advances ended lower at Rs. 179.648 billion for the year 2023, as against Rs. 193.590 billion for the prior year, overall income from advances ended higher at Rs. 34.211 billion for the current year as against Rs. 24.076 billion for the prior year.

During the third quarter of the current year, the Bank surpassed the landmark number of Rs. 500 billion in terms of overall deposits, and the Bank's year end position for overall deposits ended at Rs. 517.869 billion, as against Rs. 409.643 billion last year. This indicates an impressive growth of Rs. 108.226 billion or 26.42 percent as against the year end 2022 position. In terms of averages as well, the portfolio grew by Rs. 56.890 billion, or 14.40 percent year on year. The Bank's cost of deposits increased to 13.00 percent for the year ended 31 December 2023 as against 8.85 percent for last year. As at 31 December 2023, the Bank's CASA percentage stood at 79.22 percent (December 2022: 79.19 percent). For Current Accounts, the year end composition was reported at 30.42 percent (December 2022: 32.73 percent). Average volumes for current accounts grew by Rs. 29.681 billion or 26.35 percent year on year. The Bank's focus remains on CASA mix improvement and retention of current accounts and rationalizing funding costs, whilst ensuring service levels of the highest quality.

The Bank's borrowings were reported at Rs. 68.742 billion at 31 December 2023, while overall costs increased to 16.44 percent for the current year as against 10.95 percent for the prior year. Including the effect of government securities that matured on 30 December 2023, the Bank's year end net IDR increased to 69.58 percent as against 62.98 percent at the previous year end. Overall Cost of funds increased to 12.58 percent for the year ended 31 December 2023 as against 9.07 percent for the prior year.

Non-Markup expenses were reported at Rs. 15.471 billion for the year ended 31 December 2023 as against Rs. 12.245 billion in the year 2022, indicating a growth of 26.35 percent, which is indicative of strict cost discipline amidst spiraling inflationary trends. In line with the directions set by the Board, the management pursued strict cost rationalization measures over the course of the year so as to keep overall cost levels within targeted levels.

Net provisions against loans and advances and investments considered for the year ended 31 December 2023 amounted to Rs. 1,389.282 million, as against a net reversal of Rs. 374.569 million booked in the prior year. The higher charge considered in the current period mainly represents the effect of fresh classifications as well as discounting of FSV benefit considered against previously classified advances. The management continues to carefully and prudently monitor the overall portfolio, so as to avoid risk of infection and to maintain coverage at reasonable levels.

As at 31 December 2023, the Bank's Non-performing loans to total Advances ratio stands at 4.90 percent (December 2022: 4.71 percent), with Specific provisioning coverage improved at 80.01 percent (December 2022: 71.61 percent).

The overall effective tax rate for the Bank for the year ended 31 December 2023 ended at 50.83 percent (2022: 58.65 percent).

## Capital Structure of the Bank:

The Bank remains adequately capitalized, with a capital base well above the regulatory benchmarks. The relaxations introduced by SBP for Capital Adequacy for Banks in general as part of regulatory relief measures post COVID-19, continued to be in place over the course of the year 2023 as well, and the required minimum capital adequacy ratio requirement for Banks currently stands 11.5%.

The Bank's core equity is supported by a perpetual ADT 1 Instrument of PKR 4 Billion, which was raised in the year 2018, and Tier II TFCs also amounting to PKR 4 Billion, raised in the year 2022. The terms and conditions and details of the instruments have been disclosed as part of these financial statements. During the course of the year, the Bank's authorized share capital was increased to PKR 21 Billion, after due approval from the Shareholders in their Annual General Meeting in March 2023, with an aim to accommodate any further increase in capital, either through fresh issuance or any potential conversion that may be warranted on the occurrence of a Point of Non-Viability event (if any) as defined under SBP regulations.

The Bank's Capital Adequacy Ratio as at 31 December 2023 stands at 18.44 percent, while the Leverage Ratio is at 4.02 percent. The Bank's Liquidity Coverage Ratio and Net Stable Funding Ratios have been reported at 241.46 percent and 193.90 percent respectively, which are also comfortably above the regulatory requirements.

During the year, the State Bank of Pakistan (SBP), via BPRD Circular Letter No 07 of 2023 dated 13 April 2023, rolled forward the effective date of implementation of IFRS 9 - Financial Instruments, to be effective for periods beginning on or after 1 January 2024. The SBP, through its earlier circulars had already shared detailed instructions on implementation of IFRS 9 for ensuring smooth and consistent implementation of the standard across the industry, including the introduction of revised formats for annual and interim financial statements effective from the upcoming interim and annual reporting periods, mainly in lieu of the additional disclosure requirements arising out of adopting the new standard.

Following the extension in effective date of adoption of IFRS 9, Banks were required to continue with parallel run reporting of IFRS 9 compatible proforma financial statements to the State Bank of Pakistan. Accordingly, the Board's Risk Management and Compliance Committee continued to periodically track the progress of the Bank towards implementation of the standard.

The estimated impacts on initial application of the said standard have been disclosed as part of the financial statements, the effect of which will be reflected as part of adjustments to opening retained earnings for reporting periods beginning 1 January 2024.

#### **Human Resource:**

At Soneri Bank, we continuously strive to attract, develop and retain top quality human capital that continues our legacy of encouraging a healthy and productive work environment that is conducive for growth. We deeply value staff experience and strive to take steps to improve staff satisfaction. Our work environment fosters customer centricity and ownership in a proactive manner whilst maintaining high moral standards. Our HR policies aim to promote a culture where staff feels respected, valued, driven, and fairly treated. Our leaders are the role models, responsible for showcasing the right behavior so as to create that enabling environment.

Our HR Learning and Development team strives to ensure that our workforce has access to high-quality learning interventions that help them advance their knowledge and abilities. A number of initiatives were considered this year as the team added multiple e-learning modules to our Learning Management System "Soneri Enable". These included modules focusing on Information Security Awareness, Diversity, Equity & Inclusion, Persons with Disabilities (PWDs), Ethical Conduct, Performance Management Process and Exports of Software, Information Technology (IT) and IT Enabled Services (ITeS) amongst others. Through the module, our staff continues to have easy access to a variety of interactive e-learning modules, assessments, e-books, and various other learning interventions from their desks or from the comfort of their homes.

In addition to the technology advancements in Learning & Development, following the roll-out of our Women Development Program - Parvaaz, and its associated Mentorship Program which gives our female staff an opportunity to receive continuous mentorship from senior leaders in order to build strong leadership competency, enhance capability to deliver on the future strategy, enable accelerated career progression of female rising talent (High Potentials) and provide guidance and support that shall lead women in senior management roles. This year, at the commencement of the program, more than 45% of the recipients of mentorship have been elevated either in role or in grade marking the success of this program.

During the course of the year, the Bank arranged various workshops on gender sensitivity and workplace harassment. These workshops aimed to assist our staff in learning how to ensure the inclusion of all genders at work by building an empowering, encouraging and enabling work environment. The target audience for such programs were mainly the frontline e.g. Area & Branch Managers, Branch Operation Managers and other senior staff who were trained to become gender champions in the branches and departments. The Bank has also focused on Persons with Disabilities (PWDs) as a top priority. We are an inclusive organization and have been actively onboarding differently abled talented individuals as part of our talent pool.

The Bank's Remuneration Framework, developed in line with the SBP's guidelines, promotes an effective risk management culture, and ensures that the remuneration practice at the Bank is in line with the Bank's objectives. As a result, a fair, objective, transparent and sound remuneration policy, aligned with risks and responsibilities of Financial Intermediation has been put in place. The disclosures required under the SBP's Guidelines on Remuneration Practices are given in notes 28.1 and 41 to the financial statements and are also included as part of the Governance Section of this Annual Report.

The Bank has a well-defined and structured Code of Conduct in place. The Bank's Disciplinary Action policy provides an expertly designed corrective action process and a formal framework for issues to be dealt with fairly and swiftly. The policy ensures that HR affairs are managed

in a transparent manner and it addresses the instances where the performance or conduct of an employee fails to meet the standards laid down by the Bank.

Our Whistleblowers Policy corroborates our promise to give people (internal & external) a chance to voice their concerns, exposing irregularities/wrongdoings/AML/CFT/corruption related issues, helping uncover financial malpractices, preventing frauds etc. to appropriate pre-identified authority without any fear, reprisal or adverse consequences.

#### **Corporate Governance:**

## **Board's Performance Evaluation:**

During the year 2023, in-house evaluation of the Board/Committees was carried out. Quantitative techniques were used where scaled questionnaires were provided to each Director to obtain their feedback. Feedback so received was collated and analysed and results were prepared in accordance with the requirements of the BPRD Circular No. 11 dated 22 August 2016 and Listed Companies (Code of Corporate Governance) Regulations, 2019.

Final result of the Annual Evaluation of the Board's Performance was presented to the Board of Directors for their review. Accordingly, the Board has reviewed its Performance Evaluation for the year 2023 in its 202nd meeting convened on 31 January 2024 and the challenges identified by them have been duly noted to be addressed.

#### Statement on Risk Management Framework:

The Board, through its Board Risk Management and Compliance Committee (BRCC), continues to assess principal risks under a structured approach. Risk Management remains an integral component of the Bank's strategy. Our Risk Management Framework aims at optimizing the value for all stakeholders via identifying, measuring, monitoring and reporting the multitudes of risky exposures. The risk management policies and practices adopted by the bank are in line with procedures required by the State Bank of Pakistan and advised by the Board of Directors. The feedback of the later is crucial in terms of setting the risk appetite.

Our Risk Management function is equipped with latest models, tools and systems which are regularly reviewed/updated to strengthen the Risk Management framework at the Bank. The Bank's Credit Risk and Compliance Committee (CRCC) and all other senior management committees are mainly responsible for ensuring the compliance of the BOD approved risk management policy and for monitoring and managing risk levels in relevant areas of the Bank.

The diversity of our business model requires us to identify, assess, measure, aggregate and manage our risks, and to allocate our capital among our businesses. Our aim is to help reinforce our resilience by encouraging a holistic approach to the management of risk and return throughout our organization as well as the effective management of our risk, capital and reputational profile. We actively take risks in connection with our business and as such the following principles underpin our risk management framework:

- Risk is taken within a defined risk appetite;
- Every risk taken needs to be approved within the risk management framework;
- Risk taken needs to be adequately compensated; and
- Risk should be continuously monitored and managed.

All material risk types, including credit risk, market risk, operational risk, liquidity risk, business risk, IT security risk and reputational risk, are managed via risk management processes. Modeling and measurement approaches for quantifying risk and capital demand are implemented across the material risk types.

Systems, processes and policies are critical components of our risk management capability. Recovery and contingency planning provides the escalation path for crisis management and supplies the senior management with a set of actions designed to improve the capital and liquidity positions in a stress event.

We promote a healthy risk culture where employees at all levels are responsible for the management and escalation of risks. We expect employees to exhibit behavior that supports a strong risk culture in line with our Code of Business Conduct and Ethics. Our policies require that risk-related behavior is taken into account during our performance assessment and compensation processes. In addition, our Board members and senior management frequently communicate on the importance of the subject to support a consistent tone from the top.

#### Statement of Internal Controls:

The Management of the Bank is responsible for maintaining a sound system of internal controls to ensure the efficiency and effectiveness of operations, compliance with legal requirements and reliability of financial reporting. Adequate systems, processes, and controls have been put in place to identify and mitigate the risk of failure to achieve the overall objectives of the Bank. These controls encompass the policies and procedures approved by the Board of Directors. Their compliance and effectiveness are verified by an independent Internal Audit Division reporting directly to the Board Audit Committee.

Existing policies and procedures are reviewed on a regular basis and improved from time to time. The Board has constituted its Committees for oversight of the overall Risk Management framework, Finance and Strategy. The Committees meet at regular intervals to ensure the adequacy of governance.

The Board of Directors ensures that an adequate and effective internal control system covering various aspects of our Banking operations is in place and vigorously followed by the senior management.

Based on the reviews of the internal control system by the Internal Audit Division, Compliance Control & Investigation Group, and Statutory Auditors as well as various policies and procedures, we believe that the Bank's existing system of Internal Control is reasonable in design and is being effectively implemented and monitored.

The Board endorses the management's evaluation of the effectiveness of the overall internal controls, including ICFR, as detailed in the Statement of Internal Controls, presented as part of this Annual Report.

### Trends and factors that could affect the Bank's future development, performance, and business position:

The Board remains cognizant of its responsibilities in setting the overall direction of the Bank. It continues to oversee the progress of the Bank against the defined KPIs. The Bank's financial and operational soundness, governance structure, and the effectiveness of internal controls, audit functions and risk management framework are monitored regularly. The Board also regularly reviews all significant policies as per the regulatory requirements.

All projections are, by nature, subject to risks and uncertainties, some beyond control. The factors that may potentially affect the Bank's resources, revenues and operations are regularly focused and prioritized by the Board in setting the overall strategic direction. The following factors are considered for sensitivity analysis at the time of setting of business targets and revisions to short term forecasts. These include:

78 ASCENDING HEIGHTS \_\_\_\_\_\_ASCENDING HEIGHTS \_\_\_\_

- Global macroeconomic conditions impacting overall economic activity;
- Economic Decisions on Discount Rate / Monetary policy;
- Revisions to rate of returns on deposits and Repricing on loans and advances;
- Investment Strategy and time horizon;
- Geo-Political risks and uncertainties, including law and order situation;
- Impacts of natural calamities on businesses and overall economy and businesses in general, and regulatory relief measures (if any);

- The potential impacts of changes in accounting and regulatory framework.

The Bank continues to regularly review potential impact assessments of changes to financial reporting standards and adoption of new standards on its financial position. The above factors are regularly reviewed and monitored for any potential impacts, risks and uncertainties. The Bank's Risk Management Division also performs stress testing against various pre-determined scenarios to analyse the Bank's ability to withstand potential shocks from adverse developments.

Based on the Board's current assessment, there are no significant doubts about the Bank's ability to continue as a going concern.

#### **External Auditors:**

The financial statements of the Bank for the year ended 31 December 2023 have been audited without qualification by the auditors of the Bank, M/s. KPMG Taseer Hadi & Co., Chartered Accountants.

The present auditors, M/s. KPMG Taseer Hadi & Co., Chartered Accountants, have completed their term of five years, from 2019 to 2023, and are not eligible for re-appointment as per the Listed Companies (Corporate Governance Regulations), 2019.

On behalf of the management of the Bank and the Board, we would like to thank and appreciate the retiring auditors for the services and support extended throughout the period of their appointment.

On the recommendation of the Board Audit Committee, the Board has proposed the appointment of M/s A. F. Ferguson & Co. Chartered Accountants, as statutory external auditors of Bank for the year 2024. The appointment shall be subject to approval in the 32nd Annual General Meeting of the Bank's shareholders.

The proposed firm of auditors has confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan, and that the firm and all their partners are compliant with the International Federation of Accountants' (IFAC) Guidelines on Code of Ethics, as adopted by the Institute of Chartered Accountants of Pakistan, and meet the requirements for appointment under the applicable laws.

Transactions with related parties were carried out in the ordinary course of the Bank's business and were conducted at arm's length basis. Details of these transactions are disclosed in note 45 to the financial statements.

#### Looking ahead:

At the back of a successful year, Soneri Bank is well positioned for sustainable growth and building long-term shareholder value despite the challenges that remain on the macroeconomic front. We will continue to expand our branch footprint, whilst digitalizing our operations, with an aim to improve market share and overall customer experience. We will strive to onboard new relationships and revive inactive ones. Our focus shall be on mobilizing low cost deposits, overall mix improvement, trade relationships and increasing cash management penetration.

We are committed towards investing in our technology infrastructure as well as our human capital, whilst strengthening the overall control environment. We remain cognizant of the challenges facing businesses and the economy in general, and shall continue to work with our customers and partner with them for their business and personal needs.

We shall continue to proactively monitor uncertainties and risks facing the business, whilst ensuring that timely corrective and protective measures are undertaken to maintain operational performance and to protect shareholder interests.

## Dividend:

The Board of Directors of the Bank, in their meeting held on 31 January 2024, has recommended a final cash dividend (D-15) of Rs. 3/- per share (i.e. 30 percent) for the year ended 31 December 2023 to be approved in the 32nd Annual General Meeting of the Shareholders.

## Acknowledgment:

On behalf of the Board, we thank the State Bank of Pakistan, the Ministry of Finance, the Securities and Exchange Commission of Pakistan, and other regulatory authorities for their continued guidance. We would also like to express our gratitude to our valued customers for their patronage, and our shareholders for their continued trust and support. We would also like to appreciate and acknowledge the efforts of the entire Soneri Bank family and deeply value their commitment and dedication.

Going forward, we remain committed towards delivering exceptional customer services, whilst maintaining regulatory compliance with all applicable laws and best practices.

For and on behalf of the Board of Directors,

MUHTASHIM AHMAD ASHAI

President & Chief Executive Officer

ہم نہایت مسرت کے ساتھ سونیری بینک کمیٹٹر (بینک ) کے بورڈ آف ڈائز کیٹرز کی جانب سے 31 دسمبر 2023 کوشتم ہونے والے سال کیلئے آ ڈٹ شدہ مالیاتی گوشواروں اور آ ڈیٹرزرپورٹ کے ساتھ سونیری بینک کمیٹٹٹر (بینک ) کی ڈائز کیٹرز رپورٹ چیش کررہے ہیں۔

### اقتصادی جائزه:

پاکستان کی معیشت کو مالی سال 23 میں شدید مندی کا سامنا کرنا پڑا، بڑھتے ہوئے بیرونی دباؤ کے درمیان، اہم اشاریے دباؤ میں رہے۔ مقامی اور بیرونی جینکوں سے اقتصادی سرگرمیوں میں کئی ، بشمول اندرونی سیاسی غیریقینی صورتحال، درآ مدات اور سرمائے کے بہاؤ پر حکومتی پابندیاں، 2022 میں تباہ کن سیلاب کے سلسل اثرات، اشیاء کی عالمی قیمتوں میں اضافہ اور عالمی سطح پختی کی وجہ سے اقتصادی سرگرمیوں میں کئی سے مالی سال 23 میں جی ڈی پی 20.2 فیصد سکڑ گئی۔ گھریلو قیمتوں، مالیا قیاور میں مبادلہ برنمایاں دباؤر ہا۔

تاہم، مالی سال 24 کے آغاز پرحالیہ اشاریوں نے معاثی سرگرمیوں میں پچھ بہتری دکھاناشروع کردی ہے۔2 فیصد متوقع شرح نمو کے ساتھ مالی سال 24 میں حقیقی بی ڈی پی کی بحالی کی توقع ہے کیونکہ ذری شعبے میں سیلاب کے بعد کی بحالی نے کنزورجموق طلب جس کی وجیصنعت اور خدمات کے شعبوں میں اب بھی پست سرگری ہے، کی تلافی کی ہے۔ درمیانی مدت میں شھوں پالیسیاں اور طویل عرصے نے زیرالتواء ڈھانچہ جاتی اصلاحات کا نفاذ ٹھوں سرما میرکاری اور برآمدات کے ساتھ معاثی ترتی میں تیزی کا باعث ہے ۔

2023 میں، پاکستان میں 31 فیصد کی غیر معمولی اوسط مہنگائی کی شرح نظر آئی، جس کی وجہ خوراک، گیس، بنگی اورایندھن کی بڑھتی ہوئی قیمتیں ہیں۔مہنگائی کے بڑھتے ہوئے رجمانات کی وجہ ہے SBP نے پالیسی ریٹ میں 600میسر پوائنٹس اضافہ کیا، جو ممبر 2022 میں 16 فیصد سے بڑھ کر جون 2023 میں 22 فیصد کی تاریخی بلندترین سطح پر پہنچ گیا۔ دسمبر 2023 میں ہونے والے MPC کے آخری اجلاس میں،اسٹیٹ بینک کی MPC نے پالیسی کی شرح تبدیل نہ کرتے ہوئے اسے 22 فیصد پر برقر ادر کھنے کا فیصلہ کیا۔

آ گے بڑھتے ہوئے، ہیڈلائن CPافراط زرمالی سال 24 کی دوسری ششاہی میں 20 فیصد (سال بسال) سے اوپر ہنے کا امکان ہے کیونکہ گیس اور بکل کے نرخوں میں حالیہ اضافے سے توانائی کی مسلسل بلندا فراط زر کا امکان ہے، جبکہ خوراک اور بنیادی افراط زرمیں بتدریج کی آنے کی توقع ہے۔ واضح شبت عملداری میں ایک حقیقی پالیسی کی شرح کو برقر اررکھنے سے کیونکہ افراط زرمی تی ہے اور بیطلب کے بنے دہاؤیا افراط زرکی تو قعات کے انر نوفقین اور مالی سال 24 کی دوسری ششاہی کے بعد سے بنیا دی افراط زروکم کرنے میں مدوسلے گی، بشر طیکہ درآ مدات پر انتظامی تختی دوبارہ شروع ندہو۔ فلہ ہرکرتی ہے قافر اط زرکی تو قعات کے از سر نوفقین اور مالی سال 24 کی دوسری ششاہی کے بعد سے بنیا دی افراط زروکم کرنے میں مدوسلے گی، بشر طیکہ درآ مدات پر انتظامی تختی دوبارہ شروع ندہو۔

مالی سال 23 کی دوسری ششمانی میں درآ مدات میں گہرے سکڑاؤ کے باعث سرپلس کے ایک سلسلے کے بعد، مالی سال 24 کی پہلی ششمانی میں کرنٹ اکاؤنٹ واپس خسارے میں آگیا۔ مالی سال 24، جولائی تاوتمبر کیلئے الف ڈی آئی 862.64 ملین ڈالر تک پنچ گئی، جو کہ گذشتہ سال کے مقابلے میں 363 فیصدا ضافے کی نشاندہی کرتی ہے، جولائی تاوتمبر کیلئے الف ڈی آئی 862.64 ملین ڈالر تک پنچ گئی، جو کہ گذشتہ سال کے مقابلے میں 13.4 ملین ڈالر ہیں۔ جب کہ ایک جینے کمپینز سے متعلقہ ڈھانچہ جاتی اصلاحات اور نینجنگ انٹر بینک مارکیٹ میں شرح مبادلہ کے ہم آئیگ ہونے کی وجہ سے مالی سال 24، جولائی تاویمبر میں ترسیلات زر 13.4 ملین ڈالر میں۔

جولائی 2023 میں بین الاقوامی مالیاتی فنڈ (IMF) کے اسٹینڈ بائی ارتجمنٹ (SBA) کی منظوری نے نئی بیرونی مالی اعانت کے دروازے کھول دیئے اور ادائیکیوں کے توازن کا بجران ٹل گیا۔ تیس المدتی معاشی اسٹیکٹر بائی اسٹینڈ بائی ارتجمنٹ (SBA) کی منظوری نے نئی بیرونی مالی اعانت کے دروازے کھول دیے اور 13 بلین ڈالرے SBA پروگرام کے تحت پاکستان کیلئے 700 ملین ڈالرک دوسری قسط جاری کرنے کی منظوری دے دی ہے۔ منظوری دے دی ہے۔

اسٹیٹ بینک آف پاکستان کے مجموعی ذخائر مالی سال 23 کے آخر میں 4.5 بلین ڈالرسے دعمبر 2023 کے آخر میں 8.0 بلین ڈالرسے دعمبر 2023 کے آخر میں 8.0 بلین ڈالرسے دعمبر 2023 کے آخر میں 8.0 بلین ڈالرسے دعمبر والے میں میں قدر سے مضبوط ترسیلات کے ساتھ در آمدات میں اضافہ ہوگا، جس کے نتیجے میں مالی سال 24 کیلئے کرنٹ اکاؤنٹ خسار سے (CAD) کا تنخیبنہ 5.7 بلین ڈالر ہوگا۔

مالی سال 24، جولائی تا دسبر کے دوران ، برآ مدات مجموعی طور پر 19.1 بلین ڈالراور درآ مدات،اشیاءاورخد مات پرمجموعی طور پر 30.4 بلین ڈالرخرج ہوئے ،جس کے نتیجے میں تجارتی خسارہ 11.4 بلین ڈالرر ہا۔اسی طرح ،تر سیلات زراور برآ مدی کمائی میں اضافیہ آنے والے دنوں میں تجارتی خسار کے سینجا ایم ہے۔

# REPORT OF SHARI'AH BOARD TO THE BOARD OF DIRECTORS

FOR THE YEAR ENDED 31ST DECEMBER 2023

By the grace of Almighty Allah, the year under review was the 18th year of Islamic commercial banking for Soneri Bank Limited, while the Board of Directors and Executive Management are solely responsible to ensure that the operations of Soneri Bank Limited – Mustaqeem Islamic Banking are conducted in a manner that comply with Shari'ah principles at all times. We are required to submit a report on the overall Shari'ah Compliance environment of Soneri Bank Limited – Mustaqeem Islamic Banking.

To form an opinion on the overall Shari'ah Compliance environment as required by the regulatory framework, the Shari'ah Compliance Department (SCD) of the bank needs to carried out reviews, on test check basis, of each class of transactions, the relevant documentation and process flows. Further, the reports of the Internal Shari'ah Audit and External Shari'ah Audit also form the basis of this report.

The year 2023 presented formidable challenges for the nation, marked by diminishing dollar reserves, import limitations, escalating fuel expenses, surging inflation, and an increasing discount rate, among other factors. These adversities significantly affected both businesses and the livelihoods of individuals. Nevertheless, it is worth noting that we are a resilient society, and in the face of such challenges, we consistently emerge stronger as a Nation and as a Bank.

The Shari'ah Board hereby present the Annual Shari'ah Board report regarding affairs of the Soneri Bank Mustaqeem Islamic Banking:

During the year ended December 31, 2023, Shari'ah Board of Soneri Bank Mustaqeem Islamic Banking held four meetings to review various matters which included, among others, new products and services, product modifications, concepts, transactions, structures, processes, and Shari'ah issues referred to them. To ensure

among others, new products and services, product modifications, concepts, transactions, structu that, apart from the quarterly meetings, SCD remained in close coordination with Shari'ah Board.

### **Deposit Composite:**

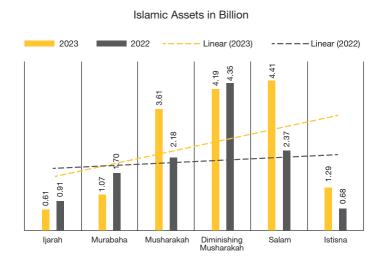

It is very encouraging to report that the Islamic Banking deposit has increased by 37%, the composition of the deposit is dominated by CASA which stood at 84% of the total deposits. The same can be viewed as follows:

### 2022 ---- Linear (2023) ---- Linear (2022) 2023 Saving Current Maedi Total 2023 10.37 25.66 6.99 43.02 2022 7.52 21.72 3.60 32.84

Deposit Composition (In Billions)

### Asset Review:

The asset portfolio has also shown an increment of 50% and stood at PKR 18.35 Bn as compare to 2022. The main modes of financing used for the bank's Islamic financing consist of Diminishing Musharakah (23%), Murabaha (6%), Salam (24%), Running Musharakah (20%), Istisna (7%) and Ijarah (3%). We hope to see the trend continue to remain in the upward direction as shown in the trend line.

To strengthen and broaden the functions of Shari'ah control, the Shari'ah Compliance Department under the supervision of Resident Shari'ah Board Member supported the asset team to understand and assess the customers' business needs and give their due feedback on the process flows.

Additionally, to maintain the high level of compliance, the SCD performed random physical inspections of Islamic financing transactions.

### Shari'ah Compliance:

The commitment of the Board of Directors and Management in building the overall Shari'ah compliance environment of the Bank is commendable. The Bank's Shari'ah Compliance Department (SCD) experienced the management's utmost support in discharging its functions.

The SCD strives to bring about continuous improvement in the Shari'ah compliance environment of the Bank. In this regard, SCD, in compliance of the SBP and Shari'ah Board directives in coordination with IBD and Risk Management Department devised a mechanism for identifying and reporting Shari'ah non-compliance risk to Board of Directors and its sub-committee. During the year, RSBM supported the SCD in issuing different Shari'ah guidelines.

The function of Shari'ah Review of transactions is carried out by SCD in two different levels i.e. Pre-Execution review through process flows, visits to the customers and monitoring the disbursement if necessary and post execution review on a sample check basis through its annual review. It is necessary to mention that Resident Shari'ah Board Member also visited branches to assess the overall Shari'ah compliant environment.

SCD carried out Shari'ah Review of different departments/functions of Head office and branches across the country during the year. The SCD presented Shari'ah Review reports, Internal and External Shari'ah Audit reports to Shari'ah Board for determining corrective actions.

### Trainings of Islamic Banking Staff:

It is encouraging to note that the Bank's learning and development Department on our advice conducted various Islamic Banking training for the employees posted in Islamic Banking Group.

### **Board of Directors and Executives Trainings:**

Learning & Development Department organized learning session for Board of Directors and Management Committee members in line with the regulatory requirement to keep them abreast with the best practices. It is pleasure to report that the Senior Management was very enthusiastic to explore Islamic Banking opportunities. These regular trainings are expected to enhance their knowledge and give them better insight.

### Conclusion:

Based on the reports of Internal Shari'ah Audit, External Shari'ah Audit and different Shari'ah compliance checks carried out from time to time and according to best of our knowledge, we are of the view that:

- i. The Bank has complied by and large with Shari'ah rules and principles in the light of fatawa, rulings and guidelines issued by its Shari'ah Board.
- ii. The Bank has complied with the directives, regulations, instructions and guidelines related to Shari'ah compliance issued by SBP in accordance with the rulings of SBP's Shari'ah Board.
- iii. Bank has a well-defined system in place in form of Shari'ah Compliance Review and Internal Shari'ah Audit to ensure that the earning realized from the sources or means prohibited by Shari'ah shall be identified.
- iv. During the year, an amount of Rupees One million four hundred seven thousand five hundred and ninety-one only (PKR 1,407,591/-) were collected as charity from various customers on account of delay in payments. Total amount of Rupees One million four hundred seven thousand five hundred only (PKR 1,407,500/-) was disbursed for charitable purposes as per the Charity Policy approved by Shari'ah Board and Board of Directors.
- v. Based on the Shari'ah Compliance review and Shari'ah Audit report, we are of the opinion that profit distribution was generally found in conformity with Shari'ah rules & principles.

We pray to Almighty Allah, for the success of Islamic Banking and provide us the guidance to adhere to his Shari'ah in day to day operations and forgive our mistakes.

And Allah knows best

# INDEPENDENT AUDITORS' REVIEW REPORT TO THE MEMBERS ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Soneri Bank Limited ('the Bank') for the year ended 31 December 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Bank. Our responsibility is to review whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Regulations.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

The Regulations require the Bank to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Bank for the year ended 31 December 2023.

Further, we highlight below instance of non-compliance with the requirements of the Regulations as reflected in the paragraph reference where it is stated in the Statement of Compliance.

| Reference to the statement of Compliance | Description   |
|--|---|
| 12 (c)                                   | Based on the extensive experience of Non-Executive Director related to Human Resource and Remuneration matters, Non-Executive Director has been appointed as Chairman of the Human Resource and Remuneration Committee who is not an Independent Director, as required under the regulations. |

### STATEMENT OF INTERNAL CONTROLS

YEAR ENDED 31 DECEMBER 2023

This Statement of Internal Control is based on an ongoing process designed to:

- Identify the significant risks in achieving the bank's policies, aims and objectives.
- Evaluate the nature and extent of those risks.
- Manage these risks efficiently, effectively and economically.

This process was in place for the year ended December 31, 2023.

The Board of Directors have instituted an effective Internal Audit Division which not only monitors compliance with the bank's policies, procedures and controls and reports significant deviations regularly to the Board Audit Committee but also regularly reviews the adequacy of the overall Internal Control system. The observations and weaknesses pointed out by the external auditors are also addressed promptly and necessary steps are taken by the management to eliminate such weaknesses.

It is the responsibility of the bank's management to establish and maintain an adequate and effective system of internal control, to implement sound control procedures and to maintain a suitable control environment. In order to ensure implementation as well as to minimize various regulatory, reputational and compliance risks, the management conducts on site monitoring of branches through periodical visits and Off-Site monitoring through various automated tools such as SAS AML, World Check and Safe Watch Filtration system by Compliance Control & Investigation Group.

The Bank has adopted the internationally accepted COSO (Committee of Sponsoring Organizational of Treadway Commission) Internal Control-Integrated Framework. A reputable advisory firm had been appointed to provide services on implementation of SBP guidelines on Internal Controls over Financial Reporting (ICFR) in the prior years. To further strengthen controls, enhanced governance and monitoring, the management had constituted an Internal Control Unit which is also an integral part of Compliance Control & Investigation Group of the Bank.

In order to ensure consistency in the process of compliance with the relevant guidelines the Bank followed a structured roadmap. Accordingly, the Bank had completed a detailed documentation of the existing processes and controls, together with a comprehensive gap analysis of designed controls and developed remediation plans for the gaps in the Year 2010.

Furthermore, the bank has developed a comprehensive management testing and reporting framework for ensuring ongoing operating effectiveness of majority of key controls and has significantly addressed the design improvement opportunities identified to complete the project related initiatives.

While concerted efforts have always been made to comply with the SBP Guidelines issued, the identification, evaluation, and management of risks within each of the Bank's key activities, and their continued evaluation and changes to procedure remains an ongoing process.

In accordance with SBP directives, the Bank had completed all the stages of ICFR and upon satisfactory completion of ICFR roadmap, the SBP granted waiver from the submission of external auditor Long Form Reports effective 2012.

For the Year 2023, the Bank has also successfully completed the cycle of SBP's Internal Control over Financial Reporting roadmap. As per SBP BSD-1 Circular Letter No. 01 of 2021 of July 06, 2021, the banks which have completed all the stages of ICFR roadmap will continue to prepare Annual Assessment Report but they are allowed to discontinue its yearly submission to SBP. However, as part of SBP supervisory assessments, these reports may be required by SBP for evaluation purposes. Accordingly, the bank will prepare aforementioned Report for the Year 2023 and the same will be presented to Board Audit Committee during the year 2024.

### REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board comprises four non-executive members including three independent directors, one being the Chairman of the Audit Committee. The members of the Audit Committee bring years of diversified rich experience in senior management positions and strategic roles in commercial banking, investment banking, manufacturing, insurance, and leasing sectors.

The following are the members of the Audit Committee:

| 1. | Mr. Jamil Hassan Hamdani | Chairman | (Independent Director)   |
|----|--------------------------|----------|--------------------------|
| 2. | Mr. Nooruddin Feerasta   | Member   | (Non-Executive Director) |
| 3. | Mr. Tariq Hafeez Malik   | Member   | (Independent Director)   |
| 4. | Ms. Navin Salim Merchant | Member   | (Independent Director)   |

During the year under review, the Audit Committee diligently performed its duties and responsibilities in accordance with the Charter of the Committee approved by the Board of Directors, while remaining compliant with the requirements of the Code of Corporate Governance and Prudential Regulations issued by State Bank of Pakistan ("SBP").

The Committee consistently emphasises the strengthening of internal controls and risk management and also oversees the functions of the Internal Audit & Risk Asset Review Group (IA & RARG) and ensures that it has adequate physical, financial, technological, and operational resources along with appropriate human resources who have the required skill-sets, expertise, and training necessary to perform their responsibilities independently and objectively.

The Head IA & RARG reports directly to the Audit Committee. He assists the Audit Committee and the Board of Directors in the discharge of their responsibilities in respect of Internal Control Systems. He periodically reviews, assesses the adequacy and monitors the ongoing effectiveness of the control systems.

The Audit Committee is actively engaged in reviewing the Annual/Half yearly/Quarterly financial statements and internal audit activities, in accordance with the Companies Act, 2017, Code of Corporate Governance Regulation and Committee Charter.

The Audit Committee also recommends the scope and appointment of external auditors, including the finalisation of audit and other fees. The Audit Committee evaluates the qualifications, performance, and independence of the external auditors. In doing so, the Audit Committee considers the quality and efficiency of the services provided by the external auditors, the external auditors' capabilities, technical expertise, and knowledge of the Bank's operations and industry. The Audit Committee ensures compliance with the relevant regulations in regard to the tenor of external auditors and provisions of non-audit services by external auditors to ensure the independence and objectivity of the external auditors.

The Audit Committee recommended to the Board of Directors the appointment of M/s A F. Ferguson & Co. Chartered Accountant, as the statutory auditors of the Bank for the year ending 31 December 2024 for the 1st term, subject to the approval of the Bank's Shareholders in the forthcoming Annual General Meeting.

The Committee's Performance for the year 2023 was assessed internally, and given a "Satisfactory" rating.

# INDEPENDENT AUDITORS' REPORT TO THE MEMBERS

### Report on the Audit of the Financial Statements

### Opinion

We have audited the annexed financial statements of Soneri Bank Limited (the Bank), which comprise the statement of financial position as at 31 December 2023, and the profit and loss account, the statement of comprehensive income, the statement of changes in equity and cash flows statement for the year ended, along with unaudited certified returns received from the branches except for thirty five branches which have been audited by us and notes to the financial statements, including a material accounting policy information and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and cash flow statement together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan, and, give the information required by the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Bank's affairs as at 31 December 2023 and of the profit, the comprehensive income, the changes in equity and its cash flows for the year then ended.

### **Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgement, were of the most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Following is the Key Audit Matter:

| S.No. | Key Audit Matters  | How the matter was addressed in our audit   |  |  |  |  |  |  |
|-------|--|---|--|--|--|--|--|--|
| 1     | Provision against advances (Refer to note 9.3 to the financial state   | ements)   |  |  |  |  |  |  |
|       | The Bank makes provisions against advances on time-based criteria that involve ensuring all non-performing loans and advances are classified in accordance with the criteria specified in the Prudential Regulations (PRs) issued by the State Bank of Pakistan (SBP).  In addition to the criteria, the PRs require a subjective evaluation of the creditworthiness of the borrowers to determine the | Our audit procedures to verify provisions against advances, amongst others, include the following:  • Assessed the design and tested the operating effectiveness of key controls established by the Bank to identify loss events and for determining the extent of provisioning required against non-performing loans.  |  |  |  |  |  |  |
|       | classification of advances.  The Bank has recognized a net provision against loans and advances amounting to Rs. 1,290.455 million in the profit and loss account in the current year. As at 31 December 2023, the Bank holds a provision of Rs. 8,455.870 million against advances.   | Based on our credit review exercise and for a risk-based sample of advances, where the management has not identified as indicators of impairment, challenge the management's assessment by comparing the historical performance, financial ratios, and reports on security maintained with the expected future performance and form our own view whether any impairment indicators are present. |  |  |  |  |  |  |
|       | The determination of provision against advances based on the subjective criteria remains an area which involves use of judgement.  Because of the significance and the volume of advances relative to the overall statement of financial position of the Bank, we  | Based on our credit review exercise, where the management has identified as displaying indicators of impairment, assess the number of days overdue, and factors used for the calculation of provision in accordance with the Prudential Regulations.  |  |  |  |  |  |  |
|       | considered the area of provision against advances as a key audit matter.   | Analyse the days' past due report and factors used for the calculation of specific provisions required in accordance with Prudential Regulations.   |  |  |  |  |  |  |
|       |  | For consumer advances, where the management has not identified any displaying indicators of impairment, compare the general provision calculated with the provision required in accordance with the SBP Prudential Regulations.   |  |  |  |  |  |  |

### Information other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Bank's Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of the Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan, the requirements of the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Bank or to cease operations or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Bank's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit
  procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The
  risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
  forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

124 ASCENDING HEIGHTS \_\_\_\_\_\_ASCENDING HEIGHTS \_\_\_\_\_

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

- 1. Based on our audit, we further report that in our opinion:
  - a) proper books of account have been kept by the Bank as required by the Companies Act, 2017 (XIX of 2017) and the returns referred to above from the branches have been found adequate for the purpose of our audit;
  - b) the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the cash flow statement together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
  - c) investments made, expenditures incurred and guarantees extended during the year were in accordance with the objects and powers of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank; and
  - d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.
- 2. We confirm that for the purpose of our audit, we have covered more than sixty per cent of the total loans and advances of the Bank.

The engagement partner on the audit resulting in this independent auditor's report is Zeeshan Rashid.

These financial statements have been prepared in conformity with the format of financial statements prescribed by the State Bank of Pakistan (SBP) vide BSD Circular No. 02, dated 25 January 2018.

In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these financial statements as such but are restricted to the amount of facility actually utilised and appropriate portion of mark-up thereon. However, the Islamic Banking branches of the Bank have complied with the requirements set out under the Islamic Financial Accounting Standards (IFAS), issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the provisions of Companies Act, 2017.

The financial results of all Islamic banking branches and windows of the Bank have been consolidated in these financial statements for reporting purposes, after eliminating material intra branch transactions / balances. The same are disclosed in Annexure II to these financial statements.

#### 2.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP) from time to time.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by SBP and the SECP differ with the requirements of IFRS or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

2.1.1 The SBP, vide its BSD Circular Letter no.10 dated 26 August 2002 has deferred the applicability of International Accounting Standard (IAS) 39, Financial Instruments, Recognition and Measurement and International Accounting Standard 40, Investment Property, for banking companies till further instructions. Moreover, SBP vide BPRD circular no. 4, dated 25 February 2015 has deferred the applicability of Islamic Financial Accounting Standards (IFAS) 3, Profit and Loss Sharing on Deposits. Further, the SECP, through S.R.O 411(1) / 2008 dated 28 April 2008, has deferred the applicability of IFRS 7, Financial Instruments: Disclosures, to banks. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

The Bank has adopted Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2) from 1 January 2023. These amendments did not result in any changes to the accounting policies themselves and did not impacted the accounting policy information disclosed in the financial statements.

The amendments require the disclosure of 'material', rather than 'significant', accounting policies. The amendments also provide guidance on the application of materiality to disclosure of accounting policies, assisting entities to provide useful, entity-specific accounting policy information that users need to understand other information in the financial statements.

Management reviewed the accounting policies and assessed that information disclosed in Note 4 Significant accounting policies is in line with the amendments.

ANNUAL REPORT 2023\_\_\_\_\_\_\_\_\_131

# 2.2 Standards, interpretations of and amendments to published accounting and reporting standards that are effective in the current year

2.2.1 There are certain new standards, amendments and interpretations of and to existing accounting standards that are mandatory for the Bank's accounting periods beginning on or after 1 January 2023. These are considered not to be relevant or do not have any significant impact on the Bank's operations and are therefore, not disclosed in these financial statements.

#### 2.3 Standards, interpretations of and amendments to published accounting and reporting standards that are not yet effective

#### 2.3.1 IFRS 9 Financial Instruments

As directed by SBP via BPRD Circular Letter No. 7 of 2023 dated 13 April 2023, IFRS 9 Financial Instruments is effective for periods beginning on or after 01 January 2024, for banks.

IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. The standard includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39.

The SBP, vide its earlier BPRD Circular No. 3 of 2022 dated 05 July 2022 provided detailed instructions on implementation of IFRS 9 (the Application Instructions) for ensuring smooth and consistent implementation of the standard across banks. Furthermore, the SBP vide its BPRD Circular No. 02 of 2023 dated 09 February 2023, had also shared the revised formats for the preparation of the annual / interim financial statements for Banks, which will be applicable for reporting periods beginning on or after 01 January 2024 as per BPRD Circular Letter No. 7 of 2023 dated 13 April 2023.

During the year 2023, the management of the Bank continued to perform parallel run assessments for IFRS 9, taking into account the SBP's IFRS 9 application instructions. The assessments were based on available information that existed at respective parallel run reporting cut offs, and were subject to changes that could arise from further reasonable and supportable information being made available to the Bank at the time of finalizing the impact for initial application of IFRS 9. Banks expect an increase in the loss allowance resulting in a negative impact on equity. In addition, Banks will implement changes in classification of certain financial instruments. These changes and impacts for the Bank are discussed below:

#### 2.3.1.1 Classification and measurement

Under the new standard, classification and measurement of financial assets depends on how these are managed (the entity's business model) and their contractual cash flow characteristics. Debt securities that do not meet the Solely Payment of Principal and Interest (SPPI) criteria are required to be measured at FVTPL regardless of the business model in which they are held. The entity's business model in which financial assets are held will determine whether the financial assets are to be measured at amortised cost, fair value through other comprehensive income ('FVOCI') or fair value through profit or loss ('FVTPL'). Equity instruments are generally measured as Fair Value through Profit & Loss (FVTPL) unless the Bank elects for an irreevocable option to designate the same as Fair Value through Other Comprehensive Income (FVTOCI) at initial recognition. The Bank has analyzed the impact of initial application of IFRS 9 on its financial assets as follows:

#### **Equity Securities**

Under the new standard, the Bank is expected to continue measuring equity securities at fair value.

For (certain) quoted equity shares currently held as available-for-sale (AFS) with gains and losses recorded in OCI, the Bank will apply the option to present fair value changes in OCI, and, therefore, the application of IFRS 9 will not have a significant impact. However, in accordance IFRS 9 requirements, fair value gain or losses recognition in OCI will not be recycled to profit and loss account on derecognition of these securities.

(For those) quoted equity shares currently held as available-for-sale (AFS) with gains and losses recorded in OCI for which FVOCI election is not made, will, instead, be measured at fair value through profit or loss (FVTPL), with marked to market impacts recorded in profit and loss account for future periods. The AFS reserve related to those securities, which is currently presented as accumulated OCI, will be reclassified from revaluation surplus/deficit to retained earnings, however, there will be no impact on overall equity with respect to such classification.

Unquoted equity securities are also required to be measured at fair value under IFRS 9. However, SBP's initial application instructions allowed relaxation to banks till 31 December 2023 to carry these investments under the current prudential regulation regime at lower of cost or breakup value. With deferment of applicability of the standard to periods beginning on or after 01 January 2024, Banks have asked the SBP to move forward its relaxation for one more year. Currently, the Bank is in the process for valuation of these securities.

#### Debt securities and Loans and advances

Debt securities currently classified as AFS and those which pass SPPI test, are expected to be measured at fair value through OCI under IFRS 9 as the business model is to hold the assets to collect contractual cash flows, but also to sell those investments. Debt securities currently classified as HTM and those which pass SPPI test are expected to be measured at amortized costs under IFRS 9 as the business model is to hold the assets to collect contractual cash flows.

For certain debt securities which are currently classified as AFS and the Bank has decided to designate the same under the Held to Collect Business Model with the intention to collect the future cash flows on initial recognition as permitted under the standard, the mark to market gain/(loss) pertaining to these securities will be reversed from the Surplus/deficit and adjusted against the book value of securities at initial recognition. This will have an impact on the overall retained earnings which will be consolidated in the opening retained earnings adjustment under IAS 8 (modified retrospective application criteria) in addition to the ECL impact.

#### 2.3.1.2 Impairment

The impairment requirements under IFRS 9, apply to financial assets measured at Amortised Cost and FVOCI (other than equity instruments), loans and receivables, and certain loan commitments and financial guarantee contracts. At initial recognition, an impairment allowance (or provision in the case of commitments and guarantees) is required for expected credit losses ('ECL') resulting from default events that are possible within the next 12 months ('12-month ECL'). In the event of a significant increase in credit risk (SICR), an allowance (or provision) is required for ECL resulting from all possible default events over the expected life of the financial instrument ('lifetime ECL'). Financial assets where 12-month ECL is recognised are in 'stage 1'; financial assets that are considered to have experienced a significant increase in credit risk are in 'stage 2'; and financial assets for which there is an objective evidence of impairment, so are considered to be in default or otherwise credit impaired, are in 'stage 3'.

The assessment of credit risk and the estimation of ECL should be unbiased and probability-weighted, and would incorporate all available information which is relevant to the assessment including information about past events, current conditions and reasonable and supportable forecasts of economic conditions at the reporting date. In addition, the estimation of ECL would take into account the time value of money.

Based on the requirements of IFRS 9 and SBP's IFRS 9 application instructions, the Bank has performed an ECL assessment taking into account the key elements such as assessment of SICR, Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD). These elements are described below:

- PD: The probability that a counterparty will default, calibrated over the 12 months from the reporting date (stage 1) or over the lifetime of the product (stage 2) and incorporating forward looking information.
- LGD: It is an estimate of magnitude of loss sustained on any facility upon default by a customer. It is expressed as a percentage of the exposure outstanding on the date of classification of an obligor. It is the difference between contractual cash flows due and those that the Bank expects to receive, including any form of collateral.
- EAD: the expected balance sheet exposure at the time of default, incorporating expectations on drawdowns, amortisation, pre-payments and forward-looking information where relevant.

For the purpose of calculation of ECL, the Bank has used 5 years data till 31 December 2022 and going forward, one more year's data shall be included until the Bank has at least 10 years data.

# Significant increase in credit risk (SICR)

A SICR is assessed in the context of an increase in the risk of a default occurring over the life of the financial instrument when compared to that expected at the time of initial recognition. It is not assessed in the context of an increase in the ECL. The Bank uses a number of qualitative and quantitative measures in assessing SICR. Quantitative measures relate to deterioration of Obligor Risk Ratings (ORR) or where principal and / or interest payments are 60 days or more past due. Qualitative factors include unavailability of financial information and pending litigations.

Based on the level of increase in credit risk, the Bank shall calculate 12 month ECL for assets which did not have a SICR i.e., Stage 1 or a lifetime expected loss for the life of the asset (for assets which demonstrated a SICR) i.e., Stage 2.

At every reporting date, the Bank shall assess whether there has been a SICR since the initial recognition of the asset. If there is a SICR, the asset must be assigned to the appropriate stage of credit impairment (Stage 2 or 3).

Under the SBP's instructions, credit exposure (in local currency) guaranteed by the Government and Government Securities are exempted from the application of ECL Framework. Moreover, until implementation of IFRS 9 has stabilized, Stage 1 and stage 2 provisions would be made as per IFRS 9 ECL criteria and Stage 3 provisions would be made considering higher of IFRS 9 ECL or provision computed under existing PRs' requirements on a segment basis.

ANNUAL REPORT 2023 \_\_\_\_\_\_\_ 133

As required by the Application Instructions, financial assets may be reclassified out of stage 3 if they meet the requirements of Prudential Regulations (PR) issued by SBP. Financial assets in stage 2 may be reclassified to stage 1 if the conditions that led to a SICR no longer apply.

#### 2.3.1.3 Presentation and disclosure

IFRS 9 also introduces expanded disclosure requirements and changes in presentation. These are expected to change the nature and extent of Bank's disclosure about its financial instruments particularly in the year of adoption of the standard.

The revised format for annual as well as interim financial statements issued by the State Bank of Pakistan vide BPRD Circular No 03 of 2023 dated 9 February 2023 addresses the presentation and disclosure requirement of adoption of IFRS 9 as applicable in Pakistan.

#### 2.3.1.4 Loan / financing related fee

Loan origination / commitment fees that are regarded as compensation to the lender for an ongoing involvement with the acquisition of a financial instrument would be recognized over the life of the related loan. However, if the commitment expires without the lender making the loan, the fee would be recognised as revenue earned.

#### 2.3.1.5 Additional requirements and exceptions introduced by SBP Instructions

State Bank of Pakistan has enforced the application of IFRS 9 in its entirety except for some exceptions and additional requirements. A high-level comparison of such exceptions that are relevant to the Bank is as follows:

#### (i) Use of Fair Value Option for financial assets

IFRS 9 allows entities to irrevocably designate, at initial recognition, a financial asset as measured at FVTPL if doing so eliminates or significantly reduces any 'accounting mismatch' that would otherwise arise from measuring assets or liabilities or recognising gains and losses on them on different bases. SBP instructions state that banks may apply the fair value option if, in addition to the IFRS 9 criterion, (a) it is consistent with a documented risk management strategy, and (b) fair values are reliable at inception and throughout life of the instrument. Nonetheless, banks should avoid this option for financial instruments that are categorized as Level 3 in terms of the IFRS 13 hierarchy.

# (ii) Unquoted equity securities

SBP as part of its initial instructions advised banks to measure investment in unquoted equity securities at lower of cost or breakup value till 31 December 2023. In case where the breakup value of such securities is less than the cost, the difference of the cost and the breakup value will be classified as loss and provided for by charging it to the Profit and Loss account.

#### (iii) Rebuttable presumptions about default and SICR

IFRS 9 includes a rebuttable presumption that a default does not occur later than 90 days past due and it also presumes that there is SICR if credit exposure is more than 30 days past due. In order to bring consistency, SBP has allowed the backstop to the rebuttable presumption of days past due of credit portfolio against a specific credit facility and its stage allocation under IFRS 9 as mentioned in Annexure-C of BPRD Circular no 3 of 2022. However, banks are free to choose more stringent days past due criteria.

#### (iv) Transfer out of stage 3

An exposure cannot be upgraded from Stage 3 to Stage 1 directly and should be upgraded to Stage 2 initially. For the purpose of reversal of provisions, the PRs requirements will be followed for Stage 3 assets in the transition phase.

# (v) Income recognition on impaired assets

The Banks are advised to recognize income on impaired assets (loans classified under PRs i.e. OAEM and Stage 3 loans) on a receipt basis in accordance with the requirements of Prudential Regulations issued by SBP.

#### (vi) Expected Credit Loss Model (ECL)

Credit exposure (in local currency) guaranteed by the Government and Government Securities are exempted from the application of ECL Framework. Moreover, until implementation of IFRS 9 has stabilized, a two-track approach is required i.e. Stage 1 and stage 2 provisions are to be made as per IFRS 9 ECL while stage 3 provisions are to be made as higher of IFRS 9 ECL or PR's requirement as for each segment.

# (vii) Impact of Provisions on Regulatory Capital

The banks are allowed to include provisions for Stage 1 and Stage 2 in Tier 2 capital up to a limit of 1.25% of total credit risk-weighted assets. In order to mitigate the impact of ECL provisioning on capital, a transitional arrangement is allowed to the banks to absorb the impact on regulatory capital. Accordingly, banks, which choose to apply transitional arrangement, may implement this arrangement in accordance with SBP's Guideline for absorption of ECL for CAR Purposes as mentioned in Annexure-C of BPRD Circular no 3 of 2022.

#### 2.3.1.6 Impact of adoption of IFRS 9

The actual impact of adopting IFRS 9 on the Bank's financial statements in the year 2024 may not be accurately estimated because it will be dependent on the financial instruments that the Bank would hold during next year and economic conditions at that time as well as accounting elections and judgements that it will make in future. Nevertheless, the Bank has performed a preliminary assessment of the potential impact of adoption of IFRS 9 based on its statement of financial position as at 31 December 2023.

Based on the Bank's assessment, the IFRS 9 requirements are expected to have an impact on the classification and measurement of some of its financial assets and financial liabilities.

The total estimated adjustment (net of tax) of the adoption of IFRS 9 on the opening balance of the Bank's equity at 1 January 2024 is given below:

- A decrease of approximately Rs. 947 million (net of tax) related to impairment requirements; and
- An increase of approximately Rs. 1,353 million (net of tax) related to classification and measurement requirements, other than impairment based on business model adoption at the date of initial recognition for certain debt securities.

#### Impact on regulatory capital

The introduction of IFRS 9 will result in reduction in regulatory capital of the Banks, which is likely to reduce their lending capacity and ability to support their clients. In order to mitigate the impact of expected credit loss (ECL) models on capital, SBP has determined that it may be appropriate for the banks to introduce a transitional arrangement for the impact on regulatory capital from the application of ECL accounting. Annexure B of the 'Application Instructions' issued by SBP has detailed the transitional arrangement.

The transitional arrangement must apply only to provisions for stage 1 and stage 2 financial assets. The transitional arrangement must adjust CET1 capital. Where there is a reduction in CET1 capital due to new provisions, net of tax effect, upon adoption of an ECL accounting model, the decline in CET1 capital (the "transitional adjustment amount") must be partially included (i.e. added back) to CET1 capital over the "transition period" of five years.

The impact of adoption of IFRS 9 on the capital ratios of the Bank are as follows:

|   | As per<br>current<br>Reporting<br>requirements | As per<br>IFRS 9<br>impairment<br>changes | IFRS 9<br>impairment<br>changes and<br>Reclassification |
|---|--|---|---|
| - Common Equity Tier 1 Capital Adequacy ratio                               | 13.69%   | 13.58%                                    | 13.58%  |
| - Tier 1 Capital Adequacy Ratio   | 15.53%   | 15.43%                                    | 15.43%  |
| - Total Capital Adequacy Ratio  | 18.44%   | 18.35%                                    | 19.05%  |
| - CET 1 available to meet buffers (as a percentage of risk weighted assets) | 7.79%  | 7.58%                                     | 7.58%   |

The Bank will continue to refine its expected credit loss model and embed its operational processes which may change the actual impact on adoption, although parallel runs have been carried out till the third quarter of 2023, the new systems and associated controls in place have not been operational for a more extended period.

### 2.3.1.7 Governance, ownership and responsibilities

The Bank has adopted a governance framework requiring the Risk, Finance, Operations, Internal Audit and IT functions to effectively work together to ensure input from all business lines. IFRS 9 requires robust credit risk models that can predict Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD).

The Bank's Risk Management Division has develop Models/ methodologies for PD, LGD and Credit Conversion Factors (CCF). These models shall be validated on annual basis considering the following aspects:

- Quantitative Validation: Expected credit loss (ECL) model design validation, data quality validation and benchmarking with external best practices.
- Quantitative Validation: Calibration testing which ensures the accuracy of the observed PDs.

The Bank's Finance Division will ensure preparation of disclosures and incorporation of the impacts on the financial statements of the Bank. Finance Division shall identify, prepare and extract the data required for the risk parameters modelling and ECL calculations, and shall ensure that all disclosures as required by the accounting standard and the SBP formats and guidelines are made.

The Risk Management Division will perform the back testing of ECL at least on yearly basis and will be responsible for the independent validation of the risk parameters / risk models; including PD, LGD and CCF etc., that are used to compute the ECL which would be carried out as per the policy.

As per the Bank's policy, the Bank's Internal Audit function will carry out periodic review of IFRS 9 methodology and impacts calculated by the Management.

- 2.3.2 Amendments to IAS 1 Classification of liabilities as current or non-current The amendments apply retrospectively for the annual periods beginning on or after 1 January 2024 (as deferred vide amendments to IAS 1 in October 2022) with earlier application permitted. These amendments in the standards have been added to further clarify when a liability is classified as current. Convertible debt may need to be reclassified as 'current'. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity's expectation and discretion at the reporting date to refinance or to reschedule payments on a long-term basis are no longer relevant for the classification of a liability as current or non-current. An entity shall apply those amendments retrospectively in accordance with IAS 8. The amendments are not likely to have an impact on the financial statements of the Bank.
- 2.3.3 Amendments to IAS 1 Non-current Liabilities with Covenants The amendments aims to improve the information an entity provides when its right to defer settlement of a liability for at least twelve months is subject to compliance with conditions. The amendment is also intended to address concerns about classifying such a liability as current or non-current. Only covenants with which a company must comply on or before the reporting date affect the classification of a liability as current or non-current. Covenants with which the company must comply after the reporting date (i.e. future covenants) do not affect a liability's classification at that date. However, when non-current liabilities are subject to future covenants, companies will now need to disclose information to help users understand the risk that those liabilities could become repayable within 12 months after the reporting date. The amendments apply retrospectively for annual reporting periods beginning on or after 1 January 2024, with earlier application permitted. These amendments also specify the transition requirements for companies that may have early-adopted the previously issued but not yet effective 2020 amendments to IAS 1 (as referred above). The amendments are not likely to have an impact on the financial statements of the Bank.
- Amendment to IFRS 16 Lease Liability in a Sale and Leaseback transaction The amendment adds subsequent measurement requirements for sale and leaseback transactions that satisfy the requirements to be accounted for as a sale. The amendment confirms that on initial recognition, the seller-lessee includes variable lease payments when it measures a lease liability arising from a sale-and-leaseback transaction. After initial recognition, the seller-lessee applies the general requirements for subsequent accounting of the lease liability such that it recognizes no gain or loss relating to the right of use it retains. A seller-lessee may adopt different approaches that satisfy the new requirements on subsequent measurement. The amendments are effective for annual reporting periods beginning on or after 1 January 2024 with earlier application permitted. Under IAS 8, a seller-lessee will need to apply the amendments retrospectively to sale-and-leaseback transactions entered into or after the date of initial application of IFRS 16 and will need to identify and re-examine sale-and-leaseback transactions entered into since implementation of IFRS 16 in 2019, and potentially restate those that included variable lease payments. If an entity (a seller-lessee) applies the amendments arising from Lease Liability in a Sale and Leaseback for an earlier period, the entity shall disclose that fact. The amendment is not likely to have an impact on the financial statements of the Bank.
- **2.3.5** Furthermore, following standards, amendments and interpretations of approved accounting standards will be effective for the accounting periods as stated below:

#### Standard, Interpretation or Amendment

Effective date (annual periods beginning on or after)

Lack of Exchangeability - Amendments to IAS 21

January 01, 2025

### 2.3.5.1 Amendments to IAS 21 - Lack of Exchangeability - The amendments aim to clarify:

- when a currency is exchangeable into another currency; and
- how an entity estimates a spot rate when a currency lacks exchangeability.

Further, entities will need to provide new disclosures to help users assess the impact of using an estimated exchange rate on the financial statements. These disclosures might include:

- the nature and financial impacts of the currency not being exchangeable;
- the spot exchange rate used;
- the estimation process; and
- risks to the company because the currency is not exchangeable.

The amendments apply for annual reporting periods beginning on or after 1 January 2025. Earlier application is permitted. The amendments are not likely to have an impact on the financial statements of the Bank.

#### 3 BASIS OF MEASUREMENT

#### 3.1 Accounting convention

These financial statements have been prepared under the historical cost convention, except that certain fixed assets and non-banking assets acquired in satisfaction of claims are stated at revalued amounts less accumulated depreciation, certain investments and commitments in respect of forward exchange contracts have been marked to market and are carried at fair values, right-of-use assets and their related lease liabilities are measured at present values adjusted for depreciation, interest cost and lease repayments respectively, and staff retirement benefits are carried at present values.

#### 3.2 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Bank operates. These financial statements are presented in Pakistani Rupee which is the Bank's functional and presentation currency.

#### 3.3 Critical accounting estimates and judgements

The preparation of the financial statements in conformity with the accounting and reporting standards as applicable in Pakistan, requires the management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgement in application of its accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgements were made by the management in the application of accounting policies are as follows:

- i) classification and provisioning against investments (notes 4.3, 4.16.1 and 8);
- ii) classification and provisioning against loans and advances (notes 4.4 and 9);
- iii) current and deferred taxation (notes 4.15, 18, 22.3.1, 22.3.3 and 32);
- iv) accounting for defined benefit plan (notes 4.12.1 and 39);
- v) depreciation, amortisation methods, useful lives and revaluation of fixed assets and intangibles (notes 4.5.1, 4.6, 10 and 11);
- vi) ijarah assets (notes 4.4.1 and Annexure II note 3.1);
- vii) right of use assets and related lease liabilities (notes 4.7 and 19.2);
- viii) provisions and contingent assets and liabilities (notes 4.17,14 and 22);
- ix) impairment of assets (notes 4.16 and 8.3);
- x) workers welfare fund (note 29);
- xi) Valuation of non-banking assets acquired in satisfaction of claims (notes 4.9 and 12.1.2); and
- xii) Remuneration framework and related disclosures (note 4.12.3, 28.1 and 41).

### 4 SUMMARY OF MATERIAL ACCOUNTING POLICIES

The material accounting policies applied and adopted in the preparation of these financial statements are set out below. Further, accounting policies related to material class of accounts doesn't necessarily means it is material. These policies have been consistently applied to all years presented, and to all material transactions.

#### 4.1 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement represent cash in hand and balances with treasury banks, balances with other banks in current and deposit accounts, national prize bonds, if any, and overdrawn nostro accounts.

#### 4.2 Lendings to / borrowings from financial and other institutions

The Bank enters into repurchase agreements (repo) and reverse repurchase agreements (reverse repo) at contracted rates for a specified period of time. These are recorded as under:

#### (a) Sale of securities under repurchase agreements

Securities sold subject to a repurchase agreement (repo) are retained in the financial statements as investments and the counter party liability is included in borrowings. The differential in sale and repurchase value is recognised over the period of the contract and recorded as an expense.

#### (b) Purchase of securities under resale agreements

Securities purchased under agreement to resell (reverse repo) are included in lendings to financial institutions. The underlying security is not recognised as a separate asset in the financial statements. The difference between the contracted price and resale price is recognised over the period of the contract and recorded as income.

Securities held as collateral are not recognized in the financial statements, unless these are sold to third parties, in which case the obligation to return them is recorded at fair value as a trading liability under borrowings from financial institutions.

#### (c) Lending under margin trading system

Securities purchased under margin financing are recorded as "lendings to financial institutions" at the fair value of the consideration given. All margin financing transactions are accounted for on the transaction date. Income on margin financing is accrued over the period of the contract

#### (d) Call lendings / placements

Call lendings / placements with financial institutions are stated net of provision. Return on such lending is accrued to the profit and loss account on a time proportion basis except for mark-up on impaired / delinquent lendings, which is recognized on receipt basis.

#### (e) Borrowings

These are recorded at the proceeds received. Mark-up on such borrowings is charged on a time proportion basis to the profit and loss account over the period of borrowings.

## (f) Bai Muajjal

Bai Muajjal transactions are reported as part of lendings to financial institutions, except for transactions with the Government of Pakistan through SBP, which are reported as part of investments. In the case of Bai Muajjal transactions, the Bank sells shariah compliant instruments on credit to customers. The credit price is agreed at the time of sale and such proceeds are received at the end of the credit period. The difference between the deferred payment amount receivable and carrying value at the time of sale is accrued and recorded as income over the life of the transaction.

#### (g) Musharaka / Mudaraba

In Musharaka / Mudaraba (Letters of placement), the Bank invests in the Shariah compliant business pools of the financial institutions at the agreed profit and loss sharing ratio.

### 4.3 Investments

The Bank classifies its investments as follows:

### Held for trading

These represent securities, which are either acquired for the purpose of generating profit from short-term fluctuations in market prices, interest rates or dealer's margin or are securities included in the portfolio in which a pattern of short-term profit making exists.

#### Held to maturity

These are securities with fixed or determinable payments and maturity, which the Bank has the positive intent and ability to hold till maturity.

#### Available for sale

These are investments, other than those in subsidiaries and associates, if any, that do not fall under the held for trading or held to maturity categories.

#### 4.3.1 Initial measurement

Investments other than those categorised as held for trading are initially recognised at fair value which includes transaction costs associated with the investment. Investments categorised as held for trading are initially recognised at fair value, and transaction costs are expensed in the profit and loss account.

All purchases and sales of investments that require delivery within the time frame established by regulations or market conventions are recognised at the trade date. Trade date is the date on which the Bank commits to purchase or sell the investment.

#### 4.3.2 Subsequent measurement

#### Held for trading

These are measured at subsequent reporting dates at fair value. Gains and losses on re-measurement are included in the profit and loss account

#### Held to maturity

These are measured at amortized cost using the effective interest rate method, less any impairment loss recognized to reflect irrecoverable amounts.

#### Available for sale

Quoted securities classified as available for sale investments are measured at subsequent reporting dates at fair value. Any surplus or deficit arising thereon is kept in a separate account shown in the statement of financial position as part of the equity and is taken to the profit and loss account when realized upon disposal or when the investment is considered to be impaired.

Unquoted equity securities are valued at the lower of cost and break-up value. The break-up value of these securities is calculated with reference to the net assets of the investee Bank as per the latest available audited financial statements. A decline in the carrying value is charged to the profit and loss account. A subsequent increase in the carrying value, upto the cost of the investment, is credited to the profit and loss account. Investments in other unquoted securities are valued at cost less impairment, if any.

Provisions for diminution in the value of term finance certificates and Sukuks are made as per the ageing criteria prescribed by the Prudential Regulations issued by the SBP. Provision for diminution in the value of other securities is made after considering objective evidence of impairment, if any.

#### 4.4 Advances

Advances are stated net of specific and general provisions. Specific provision for advances are made in accordance with the requirements of the Prudential Regulations and other directives issued by SBP and charged to the profit and loss account. General provision against consumer and small / medium enterprises financings portfolio is maintained as per the requirements of the Prudential Regulations issued by SBP. Advances are written off when there is no realistic prospect of recovery. In addition to conventional products, the Bank also offers various Islamic financing products which mainly include the following:

#### 4.4.1 Islamic financings and related assets

#### Murabaha

Murabaha financings are reflected as receivables at the invoiced amount. Actual sales and purchases are not reflected, as the goods are purchased by the customer as an agent of the Bank and all documents relating to purchase are in the customer's name. However, the profit on that sale revenue not due for payment is deferred and is recognised on a time proportion basis. Funds disbursed under Murabaha financing arrangements for purchase of goods are recorded as "Advance Against Murabaha" in advances.

#### Salam

Salam financings are reflected as receivables at the invoiced amount. Profit not due for payment is deferred and is recognised on a time proportion basis. Funds disbursed under Salam financing arrangements for purchase of goods are recorded as "Advance Against Salam" in advances.

#### Running Musharaka

Running Musharakah is the economic equivalent of conventional running finance. The Bank and the customer enter a Musharakah (transaction or business partnership arrangement) where the Bank agrees to finance the operating activities of the customer's business and share the profit or loss at a pre-agreed ratio. Profit is provisionally recognised on an accrual basis and is adjusted once the customerdeclares the final profit after issuance of audited financial statements.

#### **Diminishing Musharaka**

In Diminishing Musharaka financing, the Bank enters into Musharaka based on Shirkat-ul-mulk for financing an agreed share of fixed asset (e.g. house, land, plant or machinery) with its customers. The customers pay periodic profit as per the agreement for the utilisation of the Bank's Musharaka share and also periodically purchase the Bank's share over the tenure of the transaction.

#### Istisna

In Istisna financing, the Bank places an order to purchase some specific goods / commodities from its customers to be delivered to the Bank within an agreed time. The goods are then sold by the customer on behalf of the bank and the amount hence financed along with profit is paid back to the Bank.

#### ljarah assets

Ijarah assets are stated at cost less accumulated depreciation and impairment losses, if any. Depreciation is charged from the date of recognition of ijarah assets on a straight line basis over the period of Ijarah. Impairment of Ijarah assets is determined on the same basis as that of fixed assets.

Ijarah income is recognised in income on an accrual basis as and when the rental becomes due. Impairment of Ijarah rental is determined in accordance with the requirements of the Prudential Regulations and other directives issued by SBP and charged to the profit and loss account.

### 4.5 Fixed assets and depreciation

#### 4.5.1 Tangible assets - owned

Fixed assets (other than land and building) are stated at cost less accumulated depreciation and impairment losses, if any. Building is carried at revalued amount less any accumulated depreciation and subsequent impairment losses, if any. Land is carried at revalued amount less subsequent impairment losses, if any.

Depreciation on all fixed assets (excluding land which is not depreciated) is charged using the straight line method in accordance with the rates specified in note 10.3 to the financial statements after taking into account residual values, if significant. The residual values and useful lives are reviewed and adjusted, if appropriate, at each reporting date. Depreciation on additions is charged from the month the assets are available for use while in the case of assets disposed of, it is charged upto the date of disposal.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. All other repair and maintenance expenditure are charged to the profit and loss account as and when incurred.

Land and buildings are revalued by independent, professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value. An increase arising on revaluation is credited to the surplus on revaluation of fixed assets account. A decrease arising on revaluation of fixed assets is adjusted against the surplus of that asset or, if no surplus exists, is charged to the profit and loss account as an impairment of the asset. A surplus arising subsequently on an impaired asset is reversed through the profit and loss account up to the extent of the original impairment.

Surplus on revaluation of fixed assets (net of associated deferred tax) to the extent of the incremental depreciation charged on the related assets is transferred to unappropriated profit.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposal of fixed assets are credited / charged to the profit and loss account currently, except that the related surplus on revaluation of fixed assets (net of deferred taxation) is transferred directly to unappropriated profit.

#### 4.5.2 Capital work in progress

Capital work-in-progress is stated at cost less accumulated impairment losses, if any. All expenditure connected with specific assets incurred during installation and construction / development period are carried under this head. These are transferred to specific assets as and when assets become available for use.

#### 4.6 Intangible assets and amortisation

Intangible assets having a definite useful lives are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised from the month, when these assets are available for use, using the straight line method, whereby the cost of the intangible asset is amortised on the basis of the estimated useful life over which economic benefits are expected to flow to the Bank. The residual values, useful lives and amortisation method are reviewed and adjusted, if appropriate, at each reporting date.

Subsequent costs are included in the asset's carrying amounts or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably.

Intangible assets having an indefinite useful life are stated at acquisition cost less accumulated impairment losses, if any.

Gains and losses on disposals, if any, are taken to the profit and loss account in the period in which they arise.

#### 4.7 Right-of-use assets and related lease liability

#### 4.7.1 Right-of-use assets

On initial recognition, right-of-use assets are measured at an amount equal to initial lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located. Right-of-use assets are subsequently stated at cost less any accumulated depreciation / accumulated impairment losses and are adjusted for any remeasurement of lease liability. The remeasurement of lease liability will only occur in cases where the terms of the lease are changed during the lease tenor.

Right-of-use assets are depreciated over their expected useful lives using the straight-line method. Depreciation on additions (new leases) is charged from the month in which the leases are entered into. No depreciation is charged in the month in which the leases mature or are terminated.

### 4.7.2 Lease liability against right-of-use assets

Lease liabilities are initially measured as the present value of the remaining lease payments, discounted using the interest rate implicit in the lease, or if that rate cannot be readily determined, the Bank's incremental borrowing rate. The lease liability is subsequently measured at amortised cost using the effective interest rate method. The lease liability is also remeasured to reflect any reassessment or change in lease terms. These remeasurements of lease liabilities are recognised as adjustments to the carrying amount of related right-of-use assets after the date of initial recognition. Each lease payment is allocated between a reduction of the liability and a finance cost. The finance cost is charged to the profit and loss account as markup expense over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

### 4.8 Acceptances

Acceptances comprise undertakings by the Bank to pay bills of exchange drawn on customers. The Bank expects most acceptances to be simultaneously settled with the reimbursement from the customers. As required by the State Bank of Pakistan through the amended format for financial statements for Banks, acceptances are accounted for as on-balance sheet transactions and are reported in "other assets" and "other liabilities" simultaneously.

#### 4.9 Non-banking assets acquired in satisfaction of claims

Non-banking assets acquired in satisfaction of claims are initially recorded at cost. These assets are revalued at each year end date of the statement of financial position. An increase in market value over the acquisition cost is recorded as a surplus on revaluation. A decline in the market value is adjusted against the surplus of that asset, if any, or if no surplus exists, is charged to the profit and loss account as an impairment. A subsequent increase in the market value of an impaired asset is reversed through the profit and loss account up to the extent of the original impairment. All direct costs of acquiring title to the asset are charged immediately to the profit and loss account. However, this revaluation surplus shall not be admissible for calculating bank's/DFI's Capital Adequacy Ratio (CAR) and exposure limits under Prudential Regulations. The surplus can be adjusted upon realization of sale proceeds.

Depreciation on non-banking assets acquired in satisfaction of claims is charged to the profit and loss account in line with depreciation charged on fixed assets.

These assets are generally intended for disposal. Gains and losses realised on the disposal of such assets are disclosed separately from gains and losses realised on the disposal of fixed assets. If such asset is subsequently used by the Bank for its own operations, the assets, along with any related surplus, are transferred to fixed assets.

## 4.10 Borrowings / deposits and their cost

Borrowings / deposits are recorded at the proceeds received. Borrowing / deposit costs are recognised as an expense in the period in which these are incurred.

#### 4.10.1 Deposits - Islamic Banking

Islamic Banking deposits are generated on the basis of two modes i.e. Qard and Modaraba. Deposits taken on Qard basis are classified as 'Current Account' and Deposits generated on Modaraba basis are classified as 'Savings Account' and 'Fixed Deposit Accounts'. No profit or loss is passed on to current account depositors. Profits realised in investment pools are distributed in pre-agreed profit sharing ratio. Rab-ul-Maal (customer) share is distributed among depositors according to weightages assigned at the inception of profit calculation period. Mudarib (Bank) can distribute its share of profit to Rab-ul-Maal upto a specified percentage of its profit. Profits are distributed from the pool so the depositors (remunerative) only bear the risk of assets in the pool during the profit calculation period. Asset pools are created at the Bank's discretion and the Bank can add, amend, transfer an asset to any other pool in the interests of the deposit holders. In case of loss in a pool during the profit calculation period, the loss is distributed among the depositors (remunerative) according to their ratio of Investments.

#### 4.11 Subordinated debt

Subordinated debt is initially recorded at the amount of proceeds received. Mark-up on sub-ordinated debt is charged to the profit and loss account over the period on an accrual basis and is recognised as part of other liabilities.

#### 4.12 Employee benefits

#### 4.12.1 Defined benefit plan

The Bank operates an approved funded gratuity scheme for its permanent employees. The Bank's net obligation in respect of defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Bank, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. The Bank determines the net interest expense (income) on the net defined benefit liability (asset) for the year by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the year as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit and loss account.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in profit and loss. The Bank recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Gratuity is payable to employees on completion of the prescribed qualifying period of service under the scheme.

## 4.12.2 Defined contribution plan

The Bank operates an approved funded provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Bank and its employees, to the Fund at the rate of 8.33% of basic salaries of the employees.

#### 4.12.3 Remuneration framework

In order to align the remuneration practices in Pakistan with the international standards and best practices, the SBP issued Guidelines on Remuneration Practices through its BPRD circular no. 02 dated March 03, 2016, which were subsequently revised through BPRD Circular No. 01 dated 25 January 2017.

In accordance with these guidelines, the Bank has developed a comprehensive remuneration framework. The aim of this framework is to promote an effective risk management culture, and to ensure that the remuneration practice at the Bank is in line with the Bank's objectives taking into consideration all risks that the Bank may face. As a result, a fair, objective, transparent and sound remuneration policy, aligned with risks and responsibilities of Financial Intermediation has been put in place. The framework has been reviewed and recommended by the Board's Human Resource & Remuneration Committee (BHRRC) and approved by the Board of Directors (BoD).

Under the policy, all employees across the Bank who are materially responsible for risk taking - Material Risk Takers (MRTs), or risk controlling activities - Material Risk Controllers (MRCs) are identified. The remuneration of these MRTs and MRCs is dependent upon the achievement of performance measured through risk-adjusted balance scorecards which include financial and non-financial/ qualitative performance indicators including compliance with internal policies/ procedures/ controls, customer experience, as well as certain risk-adjusting factors (negative earners) such as regulatory compliance, frauds, complaints etc. All other individuals who do not fall within the criteria of MRTs and MRCs continue to be governed through the Bank's existing HR policy. The features of total compensation i.e. fixed remuneration as well as variable remuneration offered through performance bonuses have been disclosed in note 41 to these financial statements.

A certain portion of the variable compensation of the MRTs and MRCs is subjected to mandatory deferrals for a defined period, thus creating alignment between the employees' and stakeholders' interests and reinforcing that compensation is appropriately linked to longer-term sustainable performance. Deferred remuneration, especially with risk adjustments, improves risk-taking incentives because the amount ultimately received by employees can be made to depend on risk outcomes, and shall vest proportionately over the deferral period following the year of variable remuneration award, subject to any malus trigger adjustments. Under the Bank's framework, the deferral percentages range between 10 to 15 percent while the deferral period is set at three years.

The payouts for variable compensation for the performance years for MRTs and MRCs is based on the revised mechanism which takes into consideration factors (such as position within the organization, roles and responsibilities, risk alignment, and performance against KPIs) for differentiating the variable pays across employees or group of employees under the framework. Furthermore, the balanced scorecards used for performance assessment also take into consideration that MRCs are remunerated independently of the functions they oversee. As approved by the Board, and as allowed under the SBP's Guidelines on Remuneration Practices, the deferral amount retained for performance years is set aside and managed by the Bank internally, with a team of members from amongst the internal management responsible for oversight and subsequent payouts.

#### 4.13 Foreign currencies

## 4.13.1 Foreign currency transactions

Foreign currency transactions are translated into rupees at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities in the foreign currencies are expressed in rupee terms at the exchange rates ruling on the reporting date. Outstanding forward foreign exchange contracts and foreign bills purchased are valued at the forward rates applicable to the respective maturities. Exchange gains and losses are included in the profit and loss account.

### 4.13.2 Translation gains and losses

Translation gains and losses are included in the profit and loss account.

#### 4.13.3 Commitments

Commitments for outstanding forward foreign exchange contracts are disclosed in the financial statements at the contracted rates. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the reporting date.

### 4.14 Revenue recognition

Revenue is recognised to the extent that the economic benefit associated with a transaction will flow to the Bank and the revenue can be reliably measured.

- Mark-up income / interest on advances and returns on investments are recognised on a time proportion basis using the effective yield on the arrangement / instrument except that mark-up / return on non-performing advances and investments is recognised on receipt basis. Interest / return / mark-up on rescheduled / restructured advances and investments is recognised as permitted by SBP except where, in the opinion of the management, it would not be prudent to do so.
- Fee, commission and brokerage income is recognised upon performance of obligations. Fees for ongoing account management are charged to the customer's account on monthly basis. Transaction based fees are charged to the customer's account when the transaction takes place.

- Dividend income from investments is recognised when the Bank's right to receive the dividend is established.
- Premium or discount on acquisition of investments is amortised using effective yield method and taken to profit and loss account.
- Gains and losses on disposal of investments and certain fixed assets are taken to the profit and loss account in the year in which they arise.
- Profits on Bai Muajjal lendings are recognised on a straight line basis.

#### 4.15 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

#### 4.15.1 Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing laws and at the prevailing rates for taxation on income earned by the Bank. The amount of current tax payable is the best estimate of the tax amount expected to be paid that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date. Current tax also includes any tax arising from dividends. Current tax assets and liabilities are offset only if certain criterias are met.

#### 4.15.2 Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. Deferred tax is calculated at the rates that are expected to apply to the period when the differences are expected to reverse based on tax rates that have been enacted or substantively enacted at the reporting date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

The Bank also recognises deferred tax asset / liability on deficit / surplus on revaluation of fixed assets, non banking assets acquired in satisfaction of claims and AFS securities which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12, 'Income Taxes'.

#### 4.16 Impairment

#### 4.16.1 Impairment on investments

Impairment loss in respect of investments categorised as available for sale (except term finance certificates and sukuk) and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in the fair value of a listed equity investment below its cost is also considered an objective evidence of impairment. Provision for diminution in the value of term finance certificates and sukuks is made as per the requirements of the Prudential Regulations issued by SBP. In case of impairment of available for sale securities the cumulative loss that has been recognised in surplus / deficit on revaluation of securities in the statement of changes in equity is transferred to the profit and loss account. For investments categorised as held to maturity, the impairment loss is recognised in the profit and loss account.

#### 4.16.2 Impairment on non financial assets

At each reporting date, the Bank reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of the cash inflows of other assets or CGUs. The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its recoverable amount.

The Bank's corporate assets do not generate separate cash inflows and are used by more than one CGU. Corporate assets are allocated to CGUs on a reasonable and consistent basis and tested for impairment as part of the testing of the CGUs to which the corporate assets are allocated.

Impairment losses are recognised in profit and loss account reducing the carrying amounts of the non financial assets in the CGU on a pro rata basis.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

#### 4.17 Provisions and contingent assets and liabilities

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

Contingent assets are not recognised and are also not disclosed unless an inflow of economic benefits is probable. Contingent liabilities are not recognised but disclosed unless the probability of an outflow of resources embodying economic benefits are remote.

#### 4.18 Provision for guarantee claims and other off balance sheet obligations

Provision for guarantee claims and other off-balance sheet obligations are recognised when intimated and where reasonable certainty exists for the Bank to settle the obligation. Charge to profit and loss account is stated net of expected recoveries.

#### 4.19 Financial instruments

#### 4.19.1 Financial assets and liabilities

Financial instruments carried on the balance sheet include cash and balances with treasury banks, balances with other banks, lendings to financial institutions, investments, advances, certain receivables, bills payable, borrowings from financial institutions, deposits and other accounts, sub-ordinated debt and other payables. The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

#### 4.19.2 **Derivative financial instruments**

Derivative financial instruments, if any, are initially recognised at fair value on the date on which a derivative contract is entered into and are, subsequently, remeasured at fair value using appropriate valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liability when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

#### 4.19.3 Off-setting

Financial assets and financial liabilities are off-set and the net amount is reported in the financial statements when there exists a legally enforceable right to set-off and the Bank intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also off-set and the net amount is reported in the financial

#### 4.20 Basic and diluted earnings per share

The Bank presents basic and diluted earnings per share (EPS) for its shareholders. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Bank by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

#### 4.21 Dividend and appropriation to reserves

Dividend and appropriation to reserves after the reporting date, except appropriations which are required by law are recognised as liability in the Bank's financial statements in the year in which these are approved.

#### 4.22 Segment reporting

A segment is a distinguishable component of the Bank that is engaged either in providing product or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments. Segments are reported as per the Bank's functional structure and are as follows:

- 9.3.4 The Bank has availed the benefit of forced sale value of pledged stocks, mortgaged residential and commercial properties held as collateral against non-performing advances as allowed under the Prudential Regulations issued by the State Bank of Pakistan. Had the benefit not been taken by the Bank, the specific provision against non-performing advances would have been higher by Rs. 1,430.036 million (31 December 2022: Rs. 1,571.408 million). The additional profit arising from availing this benefit net of the tax amounts to Rs. 729.318 million (31 December 2022: Rs. 895.703 million). The FSV benefit is not available for distribution either as cash or stock dividend to shareholders and bonus to employees.
- **9.3.5** The SBP has granted relaxation in provisioning requirements in respect of exposures in Dewan Mushtaq Group (DMG). Had this relaxation not been available, provision against loans and advances would have been higher by Rs. 44.930 million (31 December 2022: Rs. 44.930 million).
- 9.3.6 The Bank has made provision against its non-performing portfolio as per the category of classification of the loans. However, the Bank still holds enforceable collateral realisable through litigation. This enforceable collateral includes mortgage charge etc. against various tangible assets of the borrower including land, building and machinery, stock in trade, etc.

## 9.5 Details of loan write off of Rs. 500,000/- and above

In terms of sub-section (3) of Section 33A of the Banking Companies Ordinance, 1962 the statement in respect of written-off loans or any other financial relief of five hundred thousand rupees or above allowed to a person(s) during the year ended 31 December 2023 is given in Annexure - I to the financial statements. However, these write offs do not affect the Bank's right to recover the outstanding debts from these customers, unless the write off / waiver has been mutually agreed between the borrower and the Bank as part of the settlement terms.

#### 16.2 Deposits eligible under Insurance arrangements

In 2018, the SBP set up a fully owned subsidiary – the Deposit Protection Corporation (DPC), with an aim to provide protection to small depositors of banks operating in Pakistan. The Corporation has been set up through promulgation of the Deposit Protection Corporation Act, 2016, (the Act) and commenced its business with effect from 01 June 2018. Membership of the Deposit Protection Corporation is compulsory for all banks scheduled under sub-section (2) of section 37 of the State Bank of Pakistan Act, 1956. Under the arrangement, the objective of DPC would be to protect the depositors to the extent of the guaranteed amount, in case a member bank is notified as a failed institution by SBP.

The framework provided by DPC lays down the methodology for arriving at Eligible Deposits, as well as determining the premium amount payable under the regulations. The premium amount so determined are required to be deposited by all banks with DPC on a quarterly basis.

As at 31 December 2023, the deposits eligible to be covered under insurance arrangements amount to Rs. 274,567 million. (2022: Rs. 199,467 million).

#### 17.1 Listed Term Finance Certificates - Additional Tier I

This denotes rated, listed and unsecured Term Finance Certificates (TFCs) issued as instrument of redeemable capital of Rs. 4,000 million issued under Section 66 of the Companies Act, 2017. The funds raised by the Bank through the issuance of these TFCs have contributed towards the Bank's Additional Tier 1 Capital for meeting its capital adequacy requirements as per Basel III Guidelines set by SBP under BPRD Circular Number 6 dated 15 August 2013. The instrument is sub-ordinated as to the payment of principal and profit to all other indebtedness of the Bank (including the listed term finance certificates - Tier II previously issued by the Bank) and is not redeemable before maturity without prior approval of SBP. Furthermore, these funds are intended to be utilized for the Bank's ongoing business operations in accordance with the Bank's Memorandum and Articles of Association. The key features of the issue are as follows:

**Issue amount** Rs. 4,000 million

**Issue date** 06 December 2018

Maturity date Perpetual

Rating (Note 37) "A" by PACRA on 28 December 2023

**Security** Unsecured

Profit payment frequency Semi-annually

**Redemption** No fixed or final redemption date

Mark-up 6 Months KIBOR + 2.00% per annum

Call option

The Bank may call the TFCs (either partially or in full), after five (5) years from the date of issuance with the prior approval of SBP. Moreover, and as per Clause iv(b) of Annexure 2 of the Basel III Circular, the Issuer shall not exercise a call option unless the called instrument is replaced with capital of same or better quality. The Call must be subject to a prior notice of not less than 60 days given by the Bank to the investors. The Call Option once announced will not be revocable.

Lock-in-clause (if any)

The TFCs contain a lock-in clause which stipulates that no profit payments would be made if such payments result in a shortfall in the Bank's Minimum Capital Requirement (MCR) or Capital Adequacy Requirement (CAR) or increase any existing shortfalls in MCR and / or CAR.

Loss absorbency clause

The TFCs are also subject to loss absorbency and / or any other requirements under SBP's Basel III Capital Rules. Upon the occurrence of a Point of Non-Viability event as defined by SBP's Basel III Capital Rule, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC Holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFC' divided by market value per share of the Bank's common equity on the date of trigger of the non-viability event as declared by SBP, subject to a cap of 360,000,000 shares.

#### 17.2 Listed Term Finance Certificates - Tier II

- 22.3.1 (a) The income tax returns of the Bank have been filed up to tax year 2023 (accounting year ended 31 December 2022). The income tax authorities have issued amended assessment orders against different tax years, thereby creating additional tax demands against which payments have been made as required under the law. The Bank has filed appeals before various appellate forums against these amendments. Assessments from tax year 2003 to 2010 have been decided at the level of Honourable Lahore High Court. The Bank has filed petitions in Honourable Supreme Court of Pakistan for tax years 2003 to 2005 and tax year 2008 to 2010. Incase of an adverse decision, an additional tax liability of Rs. 277.12 million may rise. The department has filed tax references in respect of certain matters with the Honourable Lahore High Court which are currently pending. In case of any adverse decision, an additional tax liability of Rs. 639.57 (which includes impact of certain timing differences as well) may arise for for tax years 2011 and 2012. Honourable LHC has remanded back the proceedings for tax year 2001 to department, which are currently pending hearing and in case of an adverse inference, a demand of Rs. Rs. 1.225 million may arise. Further, assessments for tax years 2013 to 2021 have been decided at the level of Commissioner Inland Revenue (Appeals). The department has filed appeal for tax year 2013, 2020 and 2021 with Appellate Tribunal Inland Revenue which is currently pending and in case of any adverse decision, an additional tax liability of Rs. 6,493.68 million (which includes impact of certain timing differences as well) may arise. The Bank has decided to file appeal for tax years 2014, 2015, 2016 and 2018 with Appellate Tribunal Inland Revenue, which in case of any adverse decision may create an additional tax liability of Rs. 128.74 million. A cross appeal has been filed for tax year 2019 with Appellate Tribunal Inland Revenue, which in case of any adverse decision may create an additional tax liability of Rs. 16.63 million. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.
  - (b) Tax authorities have passed order for tax year 2017 under section 122(4) of the Income Tax Ordinance, 2001. This order has been passed as a result of audit under section 177 of the Income Tax Ordinance, 2001. The Bank has decided to file an appeal against the order with Commissioner Inland Revenue (Appeals). In case of any adverse decision, an additional tax liability of Rs. 73.07 million may arise. However, the management is confident that the matter will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matter.
  - (c) Tax authorities have passed orders for tax years 2008 to 2012, levying Federal Excise Duty on certain items. The Bank filed appeals against these assessments before Appellate Tribunal Inland Revenue, which were decided in favor of Bank and tax demand was deleted in full. The department filed tax reference with Honourable High Court Lahore against the order issued by Appellate Tribunal Inland Revenue, which was set-aside with remanded back directions to Appellate Tribunal Inland Revenue by Honourable High Court Lahore. Provision to the extent of Rs. 81.083 million, created on the recommendation of the State Bank of Pakistan, is still being maintained in the accounts. Management is confident that Appellate Tribunal Inland Revenue will decide the case in favor of the Bank and the Bank may not be exposed to any additional tax liability in these matters. Management is also confident that SBP will allow reversal of this provision based on favorable order passed by Appellate Tribunal Inland Revenue.
  - (d) Honourable High Court Lahore has remanded back the proceeding under section 161/205 of the Income Tax Ordinance 2001 for tax year 2011 to Appellate Tribunal Inland Revenue. It is currently pending hearing and in case of any adverse decision an additional tax liability of Rs. 18.83 million may arise. Tax authorities have filed appeals against orders passed under section 161/205 of the Income Tax Ordinance 2001, for tax years 2014 and 2016 to 2021 with Appellate Tribunal Inland Revenue. These are currently pending and in case of any adverse decision an additional tax liability of Rs. 2,342.16 million may arise. However, the management is confident that the matter will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in these matters.

The Bank has filed appeals before Commissioner Inland Revenue (Appeals) against these orders, which are currently pending. Order passed for year 2016 and 2017 has been decided at the level of Commissioner Inland Revenue (Appeals) whereby demands of 46.9 million and 24.79 million respectively, have been upheld. The Bank has filed appeals before Appellate Tribunal Punjab Revenue Authority against these orders, which are currently pending. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.
- (f) Sindh Revenue Board has passed orders for years 2012 and 2014 under section 23 of the Sindh Sales Tax on Services Act, 2011, creating demands of Rs. 213.43 million and Rs. 142.18 million respectively, on non-deduction of Sindh Sales Tax. The Bank has filed appeals before Commissioner Inland Revenue (Appeals) against these orders, which are currently pending. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.
- (g) The income tax authorities in Azad Jammu & Kashmir region have issued amended assessment orders for tax years 2013 to tax year 2022, thereby creating additional tax demands which have been paid by the Bank as required under the law. The Bank has decided to file appeal before Commissioner Inland Revenue (Appeals) for tax years 2020 to 2022. Incase of an adverse decision, additional tax liability of Rs. 80.847 million may arise. The Bank had filed appeals before Commissioner Inland Revenue (Appeals) against orders from tax year 2013 to 2019, which were decided in favour of the Bank except for tax year 2016. The Bank has filed an appeal against order for tax year 2016 in Appellate Tribunal. In case of any adverse decision, an additional tax liability of Rs. 41.565 million may arise. Department has filed appeals against orders for tax year 2014 to 2019 in Appellate Tribunal, which are still pending. Incase of an adverse decision, an additional tax liability of Rs. 263.01 million (excluding tax year 2016) may arise. However, the management is confident that these matters will ultimately be decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.
- (h) The Finance Act, 2023 incorporated section 99D of the Income Tax Ordinance, 2001 imposing tax on windfall income, profits and gains. In pursuance of sub-section (2) of said section, the interim Federal Government has issued Notification No. SRO.1588(I)/2023 dated November 21, 2023 imposing 40% tax on foreign exchange income of the banks and has also specified the criteria for calculation of windfall income and tax liability thereon. In pursuance of the same, tax authorities issued recovery notice to the Bank thereby creating a demand to the extent of Rs. 1,021.891 million. However, the Bank filed Constitutional Petition before the Honorable High Court Lahore through its external legal counsel; challenging the same on various legal grounds inter-alia including the following:
  - unlawful delegation of powers;
  - absence of necessary conditions mentioned in section 99D;
  - lack of right of appeal to the tax payers; and
  - absence of machinery for declaration, assessment and collection.

Based on these grounds the Honorable High Court has suspended the operation of the SRO. Similar orders have also been passed by the High Courts of Sindh and Islamabad. Moreover, the subject SRO has to be ratified and approved by a functional National Assembly within a period of 90 days from its issuance; failing which it would lapse and would have no legal effect though chances of the same appear to be remote.

On the basis of the aforementioned factors and as per the advise of our learned legal counsel, the management is confident that these matters will ultimately be decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.

- 22.3.2 Claims against the Bank which are not acknowledged as debts amounted to Rs. 3.163 million (31 December 2022: Rs. 3.963 million).
- 22.3.3 The Assistant Commissioner, Inland Revenue vide orders under section 182/140 of the Income Tax Ordinance, 2001 has levied penalties against staff of the Bank amounting to Rs. 30 million and Rs. 0.06 million dated July 1, 2016 and January 12, 2021 respectively. Currently, these matter are pending before Commissioner Inland Revenue (Appeals) subsequent to appeal filed by the staff. In case of any adverse decision in appeals, the Bank reserves the right of recourse on customers for re-imbursement. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability.
- A penalty of Rs. 50 million had been imposed by the Competition Commission of Pakistan ("the Commission") on the Bank on account of uncompetitive behaviour and imposing uniform cost on cash withdrawal from ATM transactions dated June 28, 2012. The Bank along with other Banks had filed a constitutional petition before the Competition Appellate Tribunal which has set aside the order of the Commission. Against the said order of the Competition Appellate Tribunal, the Commission has filed an appeal before the Supreme Court of Pakistan, the hearing of which is currently pending. The management of the Bank is confident that the appeal will be decided in the favour of the Bank.
- 22.3.5 Through the Finance Act, 2008 an amendment was made in the Employees Old Age Benefits Act, 1976 whereby the exemption available to banks and their employees was withdrawn by omission of clause (e) of Section 47 of the said Act and banks and their employees were made liable for contribution to Employee Old Age Benefit Institution. The Lahore High Court, subsequently, nullified the amendments made through the Finance Act, 2008.

Subsequently, several other banks also filed the Constitutional Petition before the Sindh High Court which decided the matter in favour of the banks. As a result of the decision of the Lahore High Court and Sindh High Court, the Bank stopped EOBI contribution w.e.f. February 2012. An appeal was filed by the EOBI in the Supreme Court of Pakistan which has been disposed of by the Honourable Court vide its order dated 10 November 2016 in favour of the Banks. However, EOBI has filed review Petition on 07 March 2019 before the Supreme Court of Pakistan which is currently pending.

In case of any adverse decision by the Supreme Court of Pakistan, a contribution of Rs.364.834 million (up to 31 December 2022: Rs. 281.127 million) will become payable by the Bank to the EOBI. The said amount of Rs. 364.834 million has not been provided in these financial statements as the Bank is confident that the case will be decided in the Bank's favour.

- 32.1 The Finance Act, 2023 had introduced a retrospective charge on income derived from Federal Government securities for the financial year ending 2021, accordingly a provision for prior years had been booked in this respect in FY 2022. The Bank had challenged the same through its legal counsel in Honorable High Court Lahore, the decision of which is currently pending. Moreover, there are certain amendments which require that super tax at the rate of 10 percent would be applicable for tax year 2023 (accounting year ended December 2022) and onwards in respect of poverty alleviation. Therefore, the Bank has decided to book the Deferred tax asset/liabilities at 49% considering the same as the enacted rate for foreseeable future.
- **32.2** Tax related contingencies are disclosed in note 22.3.1 to these financial statements.

## 39 DEFINED BENEFIT PLAN

## 39.1 General description

As mentioned in note 4.12.1, the Bank operates an approved funded gratuity scheme for all its permanent employees. The benefits under the gratuity scheme are payable on retirement at the age of 60 or earlier cessation of service, in lump sum. The benefit (for all employees other than the President) is equal to one month's last drawn basic salary for each year of eligible service with the Bank subject to a minimum qualifying period of service of five years. For the President, the benefit is determined as per the terms of his employment. The plan assets and defined benefit obligations are based in Pakistan. For deceased cases, the qualifying period is at least one year in service.

## 39.2 Number of employees under the scheme

The number of employees covered under the defined benefit scheme are:

39.9.1 The fund primarily invests in government securities (Market Treasury Bills, Pakistan Investment Bonds and Special Savings Certificates) and accordingly does not carry any credit risk. These are subject to interest rate risk based on market movements. Equity securities and units of mutual funds are subject to price risk whereas non-Government debt securities are subject to credit risk and interest rate risk. These risks are regularly monitored by Trustees of the employee fund.

39.14 Funding Policy

The Bank's funding policy for the scheme is given in note 4.12.1

## 39.15 The Gratuity scheme exposes the bank to the following risks:

#### Mortality risks

This is the risk that the actual mortality experience is different. The effect depends on the beneficiaries' service / age distribution and the benefit.

#### Investment risks

This is the risk of the investment underperforming and not being sufficient to meet the liabilities.

#### Final salary risks

This is the risk that the final salary at the time of cessation of service is greater than what was assumed. Since the benefit is calculated on the final salary, the benefit amount increases similarly.

## Withdrawal risks

This is the risk of higher or lower withdrawal experience than assumed. The final effect could go either way depending on the beneficiaries' service / age distribution and the benefit.

## 40 DEFINED CONTRIBUTION PLAN

The Bank operates an approved funded provident fund scheme for all its permanent confirmed employees. Equal monthly contributions are made, both by the Bank and its employees, to the fund at the rate of 8.33 percent (2022: 8.33 percent) of basic salaries of the employees. The contribution made by the Bank during the year amounted to Rs. 197.836 million (2022: Rs. 167.115 million). The total number of employees as at 31 December 2023 eligible under the scheme were 4,048 employees (2022: 2,889 employees).

<sup>\*</sup>This represents cash bonus for performance year 2021, paid out in the year 2022. In addition to this payout, an amount of Rs. 30.085 million remains accrued and not yet paid, and has been retained as part of deferred remuneration as per the Bank's remuneration policy and framework. This amount will be paid out over the next three years, together with accrued earnings thereon.

In addition to the above, all Directors and Key Management Personnel are entitled to ticketing / boarding and lodging for official travel, the expenses of which are borne by the Bank. Furthermore, the Bank also provides Club membership fee to its President / Chief Executive Officer and certain key management personnel. The amount charged in respect of club membership fee during the year amounted to Rs. 2.864 million (2022: Rs. 3.207 million).

Also, the Bank's President and Chief Executive Officer and Deputy Chief Executive Officer are also provided with free use of the Bank maintained car in accordance with their entitlements.

Additionally, in line with the SBP's BPRD Circular No. 03 dated 17 August 2009, and as approved by the shareholders of the bank, certain administrative expenses pertaining to the office, staff and security have been allowed to the Chairman of the Board.

Key Management Personnel include all Group Heads, EVPs, and Executives having a direct reporting line to the President and Chief Executive Officer or the Deputy Chief Executive Officer.

The MRC inclusion criteria has been developed in accordance with the Bank's approved Remuneration Guidelines and applicable best practices and has been approved by the BHRRC. The inclusion is based on qualitative as well as quantitative criteria and includes the Chief Executive Officer, Deputy Chief Executive Officer, Key Management Personnel, members of critical management committees and heads of critical functions responsible for managing business, risks and controls, that subject the Bank to significant risks. In addition, the Bank carries out detailed assessment of individuals subjecting the Bank to significant risks, the materiality which is determined through an approved quantitative criteria for each major risk type. The aggregate remuneration paid during the year to executives as defined under the Companies Act, 2017 amounted to Rs. 2,536.323 million (2022: Rs. 1,940.966 million). The remuneration framework policy has been detailed in note 4.12.3 to the financial statements.

## 42 FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities is determined on the basis of the break-up value of these investments as per their latest available audited financial statements.

The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short term in nature or, in the case of customer loans and deposits, are frequently repriced.

## 42.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

# Valuation techniques and inputs used in determination of fair values

| Item  | Valuation techniques and input used   |
|---|---|
| Fully paid-up ordinary shares                               | Fair values of investments in listed equity securities are valued on the basis of closing quoted market prices available at the stock exchange.   |
| Pakistan Investment Bonds /<br>Market Treasury Bills        | Fair values of Pakistan Investment Bonds and Treasury Bills are determined on the basis of rates / prices sourced from Reuters.   |
| Government of Pakistan -<br>Ijarah Sukuks                   | Fair values of GoP Ijarah Sukuks are derived using the PKISRV rates announced by the Financial Market Association (FMA) through Reuters. These rates denote an average of quotes received from pre-defined / approved dealers / brokers.  |
| Term Finance, Bonds and<br>Sukuk certificates               | Investments in debt securities (comprising term finance certificates, bonds, sukuk certificates and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan. In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. |
| Units of mutual funds                                       | Fair values of investments in units of mutual funds are determined based on their net asset values as published at the close of each business day.  |
| Land and Building<br>(fixed assets &<br>non-banking assets) | Land and buildings are revalued on a periodic basis using professional valuers. The valuation is based on their assessment of the market value of the assets. The effect of changes in the unobservable inputs used in the valuations cannot be determined with reasonable certainty. Accordingly, a qualitative disclosure of sensitivity has not been presented in these financial statements.  |

#### 46.2 Capital Management

The Bank's policy is to maintain a strong capital base so as to maintain investor, depositor, creditor and market confidence and to sustain future development of the business, while providing adequate returns to shareholders.

The SBP sets and monitors capital requirements for the Bank as a whole. The SBP, through BSD Circular No. 07 dated April 15, 2009 has required that Banks should maintain a minimum paid-up capital of Rs. 10 billion (net of accumulated losses). The paid-up capital of the Bank as at 31 December 2023 stood at Rs 11.025 billion (2022: Rs. 11.025 billion) and is in compliance with the SBP requirements. The Bank is also required to maintain the following minimum Capital Adequacy Ratios (CAR) as at 31 December 2023:

- Common Equity Tier 1 (CET1) ratio of 7.50% including Capital Conservation Buffer (CCB) of 1.50%
- Tier 1 ratio of 9.00% including CCB of 1.50%
- Total Capital Adequacy Ratio (CAR) of 11.50% including CCB of 1.50%

The Bank and its individually regulated operations have complied with all capital requirements throughout the year.

The Bank's regulatory capital is classified as follows:

- Tier 1 capital comprises of Common Equity Tier 1 (CET 1) and Additional Tier 1 (AT 1) capital.
  - CET1 capital includes fully paid-up capital, balance in share premium account, reserves (excluding foreign exchange translation reserves) and unappropriated profits meeting the eligibility criteria.
  - AT 1 capital includes instruments meeting the prescribed SBP criteria e.g. perpetual non-cumulative preference shares.
- Tier 2 capital includes general provisions for loan losses, surplus on revaluation of fixed assets and investments, foreign exchange translation reserves and subordinated debts (meeting the eligibility criteria).

Banking operations are categorised as either trading book or banking book, and risk-weighted assets are determined according to specified requirements that seek to reflect the varying levels of risk attached to on and off-balance sheet exposures.

- On and off-balance sheet exposures in the banking book are segregated into various asset classes for the calculation of credit risk. Ratings for assets reflecting the credit worthiness of counterparties are applied using various External Credit Assessment Institutions (ECAIs) and aligned with appropriate risk buckets. Collateral, if any, is used as Credit Risk Mitigation. Risk weights notified, are applied to arrive at net adjusted exposure. Eligible collateral used includes Government of Pakistan guarantees for advances, investments in GOP / PSE, bank guarantees, deposits / margins, lien on deposits and saving certificates.
- The Bank calculates capital requirements for market risk in its trading book based on the methodology provided by the SBP which takes account of specific and general market risk, capital charge for interest rate risk using the maturity method, foreign exchange risk and equity position risk.

#### 47 RISK MANAGEMENT

The primary goal of risk management is to identify, assess and monitor risks inherent in the activities of the Bank and take adequate measures to manage and control these risks on a timely basis. This will help in achieving sustainable business growth, financial and non-financial targets with better protection and soundness. The Bank's aim is to achieve an appropriate balance between risk and return and to minimize potential adverse effects on the Bank's financial performance.

The Bank's risk management framework encompasses the culture, processes and structure and is directed towards the effective management of potential opportunities and threats to the Bank. The prime objective of the Bank's risk management strategy is to abandon the traditional approach of 'managing risk by silos' and to put in place integrated risk and economic capital management capabilities that will enable the Bank to achieve integrated view of risks across its various business operations and to gain strategic advantage from its risk management capabilities.

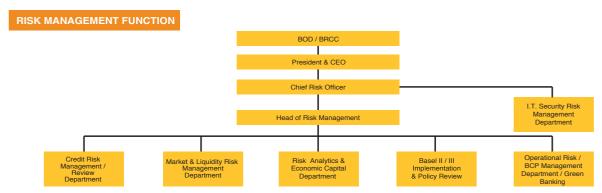

The Board of Directors (BOD) keeps an oversight on the Bank-wide risk management framework and approves the risk management strategy and policies of the Bank. The Board Risk & Compliance Committee (BRCC), ensures that the Bank maintains a complete and prudent integrated risk management framework at all times and ensures that the risk exposures are maintained within acceptable levels. Moreover, the Credit Risk Management Committee (CRMC), Operational Risk Management Committee (ORMC) and all other senior management committees are mainly responsible for ensuring the compliance of the BOD approved risk management policy and for monitoring and managing risk levels in relevant areas of the Bank.

The Bank's risk management policy, formulated on regulatory guidelines, covers all major types of risk that the Bank is exposed to. The policy is laid down on key risk management principles which includes management oversight and control culture, risk recognition and assessment, control activities and segregation of duties, information and communication and monitoring activities and correcting deficiencies.

The Bank has a well-established risk management structure, with an active Board of Directors and Board Risk and Compliance Committee supported by an experienced senior management team and a centralized risk management group which is independent of the business lines.

#### 47.1 Credit risk

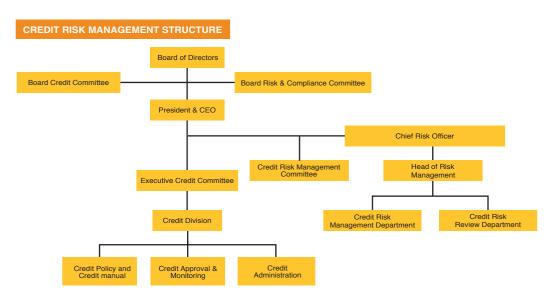

The Bank has undertaken a number of initiatives in the areas of assessment, measurement and monitoring of credit risk, market risk, funding liquidity risk, operational risk and IT security risks. These measures are providing competitive advantage to the Bank besides preparing the Bank for the full implementation of Basel-III.

#### **Credit Risk Management Objectives and Organisation**

Lending of money is the core business activity, a major source of revenue and a significant exposure for the Bank. Lendings are mainly funded from depositors' money. Therefore, in order to protect the stakeholders' wealth, the Bank has deployed considerable resources and adequate controls to manage, monitor and control credit risk throughout the Bank.

The main objective of the credit risk management process is to identify, assess, measure and monitor credit risk in all the financial exposures of the Bank. The Bank has established a rigorous credit risk management framework to timely and effectively manage credit risk in each and every credit transaction as well as at portfolio level. The automated loan originating system coupled with credit risk rating scorecards provides information / analysis in making better credit decisions, measured risk-taking, better loan pricing and efficient capital allocation thereagainst thus resulting in efficient and effective use of funds and increase in profitability of the Bank.

The Bank has an organisational structure for managing credit risk, established on internal control environment and equipped with adequate level of expertise and resources.

# **Credit Approval Authorities and Credit Standards**

The Board of Directors have delegated lending powers to different tiers of credit approving authorities, constituted at central and regional levels. Extension of credit is executed, in strong internal control environment, in the light of the Bank's credit policies and procedures and regulatory requirements. The approval mechanism also accounts for Internal Rating of the borrower, thus high risk clients are only approved at senior level.

#### **Credit Portfolio Management**

Besides managing credit risk at transaction level, the Bank regularly monitors credit risk at portfolio level and ensures that no undue concentration of risk is present in the overall credit exposure at Bank level. The Bank has a well established and rigorous management information set-up which allows efficient and effective assessment, monitoring and management of its credit risk profile in various dimensions.

## **Credit Risk Rating**

The Credit risk Rating System provides solid grounds for the assessment and measurement of credit risk against each obligor in addition to fulfilling regulatory requirements. Internal Obligor Risk Rating System for Agriculture, Corporate, ME/SE and Consumer borrowers have been approved by the Board Risk & Compliance Committee of the Bank. This rating system is an empirical risk rating system which will help to assess the Probability of Default (PD) of these obligors; risk based pricing, risk diversification and portfolio management as per the requirement of SBP/Basel Accords and also has the capability to track historical defaults and loss experiences.

These Credit Risk Rating Systems are now incorporated with Bank's Credit Approval Processing Systems (CAPs) for its Corporate, SE/ME, Agri and Consumer borrowers; resultantly this facility would reduce the TAT in Credit Risk Review process and approvals and establish a single platform for initiation and monitoring the Bank's portfolio.

The ORR assigns risk grades to customers, in accordance with the regulatory requirements, in twelve grades, out of which top nine grades refer to regular customers whereas remaining three grades pertain to defaulted ones. Whereas, FRR assigns each loan facility in six categories, in accordance with regulatory requirements. Business Units assign credit risk rating to every customer and loan facility as an integral part of the Bank's credit approval process.

#### **Credit Risk Management Policy**

A sound credit risk management framework forms part of the overall business strategy and credit operations of the Bank. The principles for credit risk management have been laid down in the Bank's credit policy, credit manual, and credit risk management policy. The policy has been developed in accordance with the requirements of the State Bank of Pakistan and is reviewed and updated (where required) on a periodic basis.

## Credit Risk Assessment

The Bank has a well established and rigorous pre-approval evaluation process of credit risk embedded in each credit transaction executed by the Business Units. The entire process broadly encompasses, gathering relevant information on the borrower, credit investigations and visits, detailed credit appraisal and credit risk assessment / measurement.

## **Credit Risk Limit Structure**

In addition to monitoring credit limits specified in the Prudential Regulations of the State Bank of Pakistan, the credit limit structure of the Bank includes internal limits as established by the senior management and the BOD. Internal limits include limits with respect to BOD approved risk appetite, industry / sector, credit approval authority, large exposures limits, linkage ratio limits for corporate borrowers, exposure with banks and NBFIs, exposure with insurance companies and foreign countries. All these limits are monitored on a regular basis and any exceptions are reported to the relevant authorities for their timely action where necessary.

#### Collateral

Collateral act as mitigants in case of default by the borrower. Therefore, most of the facilities extended by the Bank are backed by appropriate and quality collaterals. Similarly, lendings to financial institutions and DFIs are backed by securities viz., Treasury Bills and Pakistan Investment Bonds. Clean facilities are provided, under strict control environment, only to the extent permissible under the Prudential Regulations of the State Bank of Pakistan. The credit manual of the Bank contains list of approved collaterals that the Bank can take and internal control standards for the management of collaterals obtained against credit facilities.

## **Early Warning System**

The Bank has an effective early warning system which enables the Business Units / credit managers / credit administration personnel to identify and report problem loans on a prompt basis. Reports are received from Business Units on a regular basis, which are escalated to the concerned authority for necessary action on a timely basis.

## Remedial Management and allowances for impairment

The Bank has standards for identification and classification of credit facilities, restructuring as well as related provisioning requirements and write-off policy, with clear responsibilities pertaining to all processes that are required to be followed.

Non-performing loans beyond certain aging / classification category are required to be referred to Remedial Management Unit which initiates recovery proceedings against the borrowers in accordance with the applicable laws.

#### 47.2 Market Risk

47.2.1 Market risk is the risk that the value of on and off-balance sheet positions of a financial institution will be adversely affected by movements in market rates or prices such as interest rates, foreign exchange rates, equity prices and / or commodity prices resulting in a loss to earnings and capital.

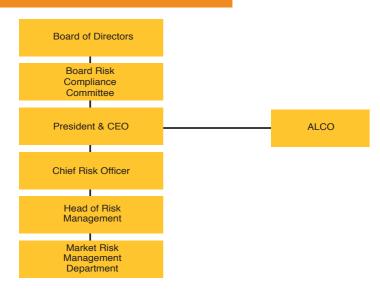

## Market risk management objective and organisation

The Risk Management Framework requires that strong risk management practices are integrated in key strategic, capital and financial planning processes and day-to-day business processes across the Bank.

The Bank has established a rigorous market risk management framework to efficiently and effectively monitor and manage market risk in every transaction as well as on a portfolio level.

The Bank has a sound organisation structure for managing market risk, established on strong internal control environment and equipped with adequate level of expertise and resources. The Board Risk Compliance Committee, a BOD level sub-committee, is primarily responsible to monitor and manage market risk in all the financial exposures of the Bank, supported by senior management committees namely Asset and Liability Management Committee (ALCO).

# MARKET RISK MANAGEMENT STRUCTURE

#### **Market Risk Monitoring**

The Bank's market risk policies set out risk management parameters, governance and control frameworks as well as reporting arrangements for key risk indicators. The Bank has a well-established structure of internal limits with respect to its treasury and investment operations. The Treasury Middle Office (TMO), within the Market Risk Management Department, monitors each and every transaction executed through treasury, monitors risk limits, reports breaches, off market rates, rate reasonability against benchmark rates, tolerance PV01 limits and assesses market risk in money market transactions, investments in equity securities, monitors impairments in equity securities and its stop loss limit and foreign exchange transactions. In order to mitigate unnecessary risk and ensure minimum business losses, Earmarking Policy has also been implemented to ensure risk migration from high risk to low risk transactions.

## Portfolio Analysis and Management

Besides managing market risk at transaction level, the Bank regularly monitors market risk at portfolio level and ensures that no undue concentration of risk and adverse correlation is present in the overall financial exposures at the Bank level. The Bank has a well established management information set-up which allows efficient and effective assessment, monitoring and management of its market risk profile in various dimensions.

#### Mark-to-Market

The Bank is marking-to-market (MTM) its investment in tradable and available for sale securities, i.e., equity securities, debt securities and foreign exchange ready and forward transactions, on a regular basis. The same is independently reviewed by the Risk Management Group.

#### **Market Risk Assessment and Measurement**

The Bank is assessing and measuring market risk in all of its financial exposures using various types of measurement and analytical tools like Value at Risk (VaR), duration and convexity, interest rate gap and duration gap. The Bank is using Standardized Approach for exposures in its balance sheet, to calculate market risk capital charge and risk weighted asset for Capital Adequacy Ratio (CAR) calculation purposes.

The Bank's principle market risk measurement methodology are VAR and stress testing. Historical financial market rates, prices and volatility serve as the basis for the statistical VAR model underlying the potential loss estimation. The Bank uses ten days as well as 30 days holding period at 99% confidence level to model risk in different portfolios. The main assumptions and scenarios of our stress analysis includes:

- 1. Parallel shift in yield curve by 2%, 3% and 4%.
- 2. Change in the slope of yield curve by changing short-term, medium-term and long-term maturities by different rates.
- 3. Gain or loss depending on net long or net short position in foreign currency exposure.
- 4. Fall in general equity price upto 50%.

## 47.2.3 Foreign exchange risk

Foreign exchange risk is the probability of loss resulting from adverse movements in exchange rates. Exchange position arising from trading activities is monitored through foreign exchange limits on aggregate and individual currency basis. Hedging strategies and mark-to-market valuations are used to mitigate exchange risk resulting from open position. Overall exchange position risk is maintained in accordance with the regulatory requirements prescribed by the State Bank of Pakistan.

#### 47.2.4 Equity position risk

The Bank invests mainly in blue chip securities depending upon market mispricing through arbitrage. Further, the risk arising from investments in equity securities lies in both its banking and trading books which is measured and assessed using the Value at Risk (VaR) approach. The VaR of the portfolio is reported to the BRCC, ALCO and other authorities on a periodical basis.

#### 47.2.5 Yield / Interest rate risk in the Banking book (IRRBB) - Basel II Specific

Interest rate risk is the risk that the fair value of a financial instrument will fluctuate because of changes in interest rates, including changes in the shape of the yield curve.

Interest rate risk is inherent in the Bank's business and arises due to the mismatches in the contractual maturities or repricing of on- and off-balance sheet assets and liabilities. The Bank is exposed to interest rate risk in both the Trading and Banking Books. The Bank uses duration gap models to measure and monitor the interest rate sensitivity on the potential earnings and the Bank's economic value of equity. Overall potential impact of the mismatches on the earnings in short term is not material and is being managed within the tolerance limits approved by the Board.

## 47.2.6 Mismatch of Interest Rate Sensitive Assets and Liabilities

Yield risk is the risk of decline in earnings due to adverse movement of the yield curve. Interest rate risk represents the risk that value of financial instruments will fluctuate due to change in market interest rates. The Bank is exposed to yield / interest rate risk as a result of mismatches or gaps in the amounts of assets and liabilities and off-balance sheet instruments that mature or re-price in a given period. The Bank manages this risk by matching the re-pricing of assets and liabilities and off-balance sheet instruments. The Bank's yield / interest rate sensitivity position for on-balance sheet instruments is based on the earlier of contractual re-pricing or maturity date and for off-balance sheet instruments is based on settlement date. The Bank quantifies the yield curve risk via duration, PVBP and convexity for rate sensitive assets and liabilities held in banking and trading book. The bank also measure impact on net worth depending on duration gap of rate sensitive assets and liabilities.

- (a) The effective interest rate is a historical rate (for December month) for a fixed rate instrument carried at amortised cost and a current market rate for a floating rate instrument.
- (b) The effective interest rate has been computed by excluding non-performing advances.
- (c) The effective interest rate has been computed by excluding non-remunerative deposits.

## 47.2.7 Operational risk

Operational risk 'OpRisk' is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems or external events. This includes legal risk as well as the reputational consequences of failures in operational risk management. The Bank uses Basic Indicator approach for assessing capital charge for operational risk.

## Operational Risk Management Objective and Organisation

The main objective of the operational risk management is to minimise expected and unexpected losses arising out of operational activities of the Bank.

The Bank has established a rigorous operational risk management framework to efficiently and effectively monitor and manage operational risk in each business and support activity of the Bank as well as those arising from external events like from natural disasters, outsourcing, etc.

The Bank has a sound organisation structure for managing operational risk, established on strong internal control environment and equipped with adequate level of expertise and resources. The Bank has also formed an Operational Risk Management Committee (ORMC), a senior management committee to assist the Board Risk & Compliance Committee (BRCC), to ensure the compliance of BoD approved operational risk management framework, supported by the Risk Management Division (RMD)

#### Operational risk assessment

The Bank has been conducting risk and control self assessment (RCSA) exercise for each business and support function of the Bank in order to identify and assess operational risks inherent in existing activities, processes and systems. Through the RCSA exercise, the Bank has been able to develop inventory of risks, controls and key risk indicators (KRI) and has identified gaps in its operating activities which are rectified on a priority basis.

#### Operational risk monitoring

Operational risk monitoring is conducted through KRIs, identified in the RCSA exercise for each process. All branches, offices, Groups / departments furnish KRI reports on a periodical basis to the Operational Risk Management Department (within the Risk Management Group).

#### Operational risk measurement

The Bank keeps a detailed track of its operational loss events and maintains a database. This helps the Bank to step towards advanced approach of Basel II accord and also allows the Bank to formulate strategy to rectify the gap of reoccurrence of the incident. The Bank has, in compliance of BPRD Circular No. 04 of 2014 "Implementation of Operational Risk Management Framework" created separate Op-Loss general ledgers in the Bank's system which are being used for reporting of operational losses and are bifurcated into 7 operational loss categories as per the requirement of Basel II accord.

## Operational risk assessment for new products and services

Operational risk in all new products, systems and processes are identified and assessed by the RMG so that risk associated can be mitigated to an acceptable level. Assessment comprises of:

- review of new process flows and their control activities;
- conduct RCSA exercise; and
- identification, adequate assessment and ranking of all risks and controls.

#### **Business Continuity Plan**

In order to ensure continuity of the Bank's operations, the Bank has in place a well developed, BoD approved Business Continuity Plan (BCP) which has been implemented across the Bank. The BCP has been well communicated down the line and regular trainings and testing is conducted across the country. Permanent back up sites have also been established and related testing carried out by critical staff to their designated back up sites. The BCP Steering Committee, a senior management committee, is responsible to ensure the adequacy of the BCP of the Bank as well as to ensure its effective implementation and compliance. The committee reports to the Board Risk Management Committee.

## 47.2.8 Liquidity risk

Liquidity risk is the potential inability to meet contractual and contingent financial obligations, either on or off balance sheet, as they become due. Primary liquidity objective of the Bank is to provide adequate funding for businesses throughout market cycles, including periods of financial stress.

## **Liquidity Management**

Day to day funding, is managed by Treasury Division through net cash flows from payment systems, fresh deposits mobilised by branches, maturing money market deposits, etc.

The Bank maintains a portfolio of highly marketable assets viz., Market Treasury Bills and Pakistan Investment Bonds, that can either be sold in the open market or funds can be arranged there against under repo arrangements. This is further supported by investments in short term securities viz., Certificate of Investments etc. In line with its liquidity risk management policy, the Bank maintains a cushion over and above the minimum statutory liquidity requirement prescribed by SBP for maintaining liquidity reserves to ensure continuity of cash flows.

## Liquidity risk monitoring

The Bank monitors its liquidity risk through various liquidity ratios and liquidity risk indicators and any deviations or breaches are reported to the relevant authorities for timely action. Moreover, Asset and Liability Management Committee (ALCO), a senior management committee, also reviews the liquidity position of the Bank on at least monthly basis and takes appropriate measures where required.

#### Liquidity risk assessment

The Bank's ALCO is responsible for the formulation of overall strategy and oversight of asset and liability management. Liquidity Risk measures are chosen using a range of metrics, including Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), liquidity gaps and various liquidity ratios.

Sources of liquidity are regularly reviewed / monitored by the Asset and Liability Management Committee (ALCO). The ALCO reviews the current economic situation, projected cash flows and asset / liability mix and approves strategy for managing appropriate liquidity. The liquidity risk management policy of the Bank encompasses liquidity contingency plan for actions to be taken in case of liquidity crises.

Mandatory stress tests of SBP are conducted, on a periodic basis, to test the adequacy of liquidity contingency plan and to identify the extent of liquidity stress that the Bank is able to take in current conditions.

Liquidity management framework allows the Bank to run stress analysis on the balance sheet and off-balance positions, which include, but are not limited to, the following:

- 1. Significant withdrawals from corporate clients deposits.
- 2. Withdrawal of top ten, top fifteen, and top twenty deposits.
- 3. Loss in the funding value of unencumbered assets.
- 4. Shock to Liquidity Coverage Ratio and Net Stable Funding Ratio

Musharaka investments from the SBP under Islamic Export Refinance Scheme (IERS) are channelled towards the export sector of the economy and other financings as per SBP guidelines.

#### 10.1 Key features and risk and reward characteristics of all pools

The 'Mudaraba Pool' for Local Currency caters to all Soneri Bank Limited - Islamic Banking depositors and provides profit / loss based on Mudaraba.

The IERS Pool caters to the 'Islamic Export Refinance' requirements based on the guidelines issued by the SBP.

The risk characteristic of each pool mainly depends on the asset and liability profile of each pool.

#### Jointly financed by the Bank and unrestricted investments / PLS deposit account holders

This represents all earning assets of the Bank except those tagged to the Islamic Export Refinance Scheme. Major categories include:

Parameters used for allocation of profit, charging expenses and provisions, etc. along with a brief description of their major components:

Income generated from relevant assets, calculated at the end of each month is first set aside for the Musharaka pool arrangement between the Bank and the State Bank of Pakistan. It is then allocated between the participants of the pool as per the agreed weightages and rates.

The Mudaraba Pool profit is divided between the Bank and depositors in the ratio of Bank's average equity (pertaining to Islamic banking branches) and average depositors balances commingled in each pool on a pro-rata basis. The depositors' share of profit is allocated amongst them on the basis of weightages declared before start of each month, after deduction of a mudarib fee. During the period ended 31 December 2023, the Bank charged 11.13% (2022: 9.74%) of the profit as Mudarib fee. These weightages are declared by the Bank in compliance with the requirements of the SBP and Shariah.

The allocation (of income and expenses to different pools) is made on a pre-defined basis and accounting principles / standards. Provisions against any non-performing assets of the pool are not passed on to the pool.

Shareholders are requested to notify change in their addresses, if any, to our Share Registrar M/s. THK Associates (Pvt.) Ltd., Plot No. 32-C, Jami Commercial Street 2, DHA, Phase -7, Karachi – 75500, Pakistan.

#### 6. CNIC/NTN Number on Electronic Dividend (Mandatory)

As per S.R.O.831(1)/2012 dated 05 July 2012 issued by SECP, the electronic Dividend should also bear the CNIC number of the registered shareholder.

As per Regulation No. 6 of S.R.O. 1145(1)/2017 dated 06 November 2017, the Bank shall be constrained to withhold the payment of dividend to the shareholders, in case of non-availability of identification number (CNIC or NTN) of the shareholder or the authorized person.

Accordingly, the shareholders, who have not yet submitted a copy of their valid CNIC or NTN, are once again requested to immediately submit the same to the Share Registrar.t

#### 7. Transmission of Audited Financial Statements & Notice of Annual General Meeting Through Weblink and QR Enabled Code

SECP through its S.R.O. 389(I)/2023 dated 21 March 2023, has allowed companies to circulate their annual balance sheet and profit & loss account, auditor's report and Directors' report etc. ("Audited Financial Statements") along with Notice of AGM ("Notice") to their shareholders through weblink and QR enabled code by discontinuing the past practice of transmission of Audited Financial Statements through CD/DVDs. In view of this, the Bank after getting approval from the shareholders will transmit its Audited Financial Statements through weblink and QR enabled code in future.

In terms of SECP S.R.O. No. 470(I)/ 2016 dated 31 May 2016 and its subsequent approval in the 25th AGM of the Bank held on 28 March 2017, the Annual Report is being transmitted to shareholders through CD/DVDs. However, the Bank will provide one hard copy free of cost to the requesting shareholder at their registered address within one week of the request.

Audited Financial Statements have also been emailed to those shareholders, who have provided their valid email IDs to the Bank. Those Shareholders who wish to receive Annual Audited Financial Statements and Notice of AGM through email are requested to fill the consent form given in the link mentioned below and return it to our Share Registrar.

#### 8. Deduction of Tax on Cash Dividend Income

The shareholders are hereby informed that pursuant to the amendments in Section 150 of the Income Tax Ordinance, 2001 through Finance Act, 2020, Income Tax will be deducted at source @15% for person appearing in the Active Tax Payers' List ("ATL") and @30% for person not appearing in the ATL [determined as per ATL available on Federal Board of Revenue's ("FBR") website] from the dividend amount, if any.

In case of a joint account, each holder is to be treated individually as either a filer or non-filer, and tax will be deducted on the basis of shareholding of each joint holder as may be notified by the shareholder, in writing as follows to our Share Registrar. In case no such notification is recieved by us, equal deduction of tax will be made where proportionate holding is not available with us.

|           |                      |              |                      | Shareholder                                   | Joint Shareholder    |   |  |

|           |                      |              |                      |   |                      |   |  |

The CNIC number/NTN details are now mandatory and are required for checking the tax status as per the ATL issued by the FBR from time to time.

#### 9. Payment of Cash Dividend through Electronic Mode (Mandatory)

In terms of Section 242 of the Act and Companies (Distribution of Dividends) Regulations, 2017, every listed company is required to pay dividend, if any, to their shareholders compulsorily through electronic mode by directly crediting the same in their bank account.

In this respect, the Bank has previously communicated this requirement to the shareholders individually along with newspaper publications requesting to provide the International Bank Account Number ("IBAN"); however response from very few shareholders was received.

Shareholders are again requested to update their record. In this connection, CDC shareholders may submit their IBAN details to their investor account services or their brokers where shares are placed electronically. In case of physical holding, the shareholders are requested to submit their bank mandate details to the Bank's Share Registrar. For providing the Bank Mandate details to CDC/Share Registrar, the requisite form may be downloaded from the Bank's website, direct link of which is: https://sonericms.cloudasset.com/wp-content/uploads/2023/08/Bank-Mandate-Form-1.pdf

#### 10. Unclaimed Dividends and Shares

Pursuant to Section 244 of the Act, any shares issued or dividends declared by the Bank, which remain unclaimed or unpaid for a period of three years from the date they became due and payable shall rest with the Federal Government after compliance of procedures prescribed under the Act. In this respect, we had already initiated the process and concerned shareholders were advised vide our letter dated 04 October 2017 followed by a reminder on 08 June 2021 and 17 January 2023 to claim their unclaimed dividends/shares. Post submission of this notice, every year shareholders have been continuously communicated requirements of Section 244 to claim their pending entitlements vide Notice of AGM, but only few shareholders have lodged their claims.

In order to further this process, a "Final Notice of Unclaimed Shares and Dividends to vest with the Federal Government" was published in the daily Business Recorder and the Nawa-i-Waqt on 01 February 2021 and 18 April 2023 in their countrywide circulations. This notice was also posted to the PSX for information of all the stakeholders in addition to placement of the same on the website of the Bank.

214 ASCENDING HEIGHTS -

As a reminder, the Bank also requesting shareholders to claim their pending entitlements as well as update their records. In case no reply is received, the Bank shall proceed ahead in terms of requirement of Section 244(2) (a) & (b) of the Act. Statement of such unclaimed dividends/shares is available on the Bank's website, which may be accessed by surfing the following link: https://www.soneriBank.com/about-us/investor-relations/shareholders-information/

#### 11. Deposit of Physical Shares into CDC Account

The SECP, through its letter No. CSD/ED/Misc/2016-639-640 dated 26 March 2021, has advised the listed companies to adhere with the provisions of the Section 72 of the Act, which requires all the existing companies to replace shares issued by them in Physical Form with shares to be issued in Book-Entry Form in a manner as may be specified and from the date notified by the SECP but not exceeding four years from the date of promulgation of the Act.

Shareholders were apprised about this requirement vide our letter dated 08 June 2021 followed by a reminder letter dated 20 January 2023. Further, we are also continuously informing our shareholders, since this requirement was first inserted in the Act, along with the benefits of maintaining their shares in scrip-less form vide AGM Notices, are hereby again advised to open CDC sub-account with any of the brokers or Investor Account directly with the CDC, to place their shares in scrip-less form. This will facilitate them in many ways; including safe custody and sale of shares at any time they want, as the trading of physical shares is not permitted as per existing regulations of PSX and avoidance of formalities required for issuance of duplicate shares.

#### 12. Video Conference Facility for Attending Annual General Meeting

The members who wish to attend AGM via video conference, may send their consent on the below format to the Bank at its registered office address.

If the Bank receives consent from members holding in aggregate 10% or more shareholding residing at a geographical location, to participate in the meeting through video conference at least seven (7) days prior to date of the meeting, the Bank will arrange video conference facility in that city subject to availability of such facility in that city.

The Bank will intimate members regarding venue of video-link facility at least five (5) days before the date of the AGM along with complete information necessary to enable them to access such facility.

#### 14. Placement of AGM Notice and Financial Statements on the Bank's website

Notice of 32nd AGM along with Annual Report of the Bank for the year ended 31 December 2023 including financial statements and other mandatory reports, have also been made available on the Bank's website www.soneribank.com, in addition to its dispatch to the shareholders through CD/DVDs in line with the regulatory requirements. AGM notice was also published in the newspapers in addition to its notification to the PSX.

#### Statement under Section 134(3) of the Companies Act, 2017 and S.R.O.423(I)/2018 dated 03 April 2018

This statement sets out the material facts concerning the special business to be transacted at Thirty Second (32nd) Annual General Meeting of Soneri Bank Limited to be held on 08 March 2024.

#### Agenda Item No. 6

To consider and approve the circulation/transmission of annual audited financial statements of the Bank together with Auditors', Chairman's and Directors' reports to the members through QR enabled code and weblink in accordance with S.R.O. 389 (I)/2023 dated 21 March 2023 issued by the Securities and Exchange Commission of Pakistan under Companies Act, 2017

The Securities and Exchange Commission of Pakistan vide its S.R.O. 389(I)/2023 dated 21 March 2023 has allowed the Listed Companies to transmit annual audited financial statements etc. through QR enabled code and weblink.

In view of this relaxation, the Board of Directors in its 202nd meeting convened on 31 January 2024 has recommended to the members circulation/transmission of the Annual Balance Sheet, Profit or Loss Account, Auditors, Chairman's and Directors' Reports etc. (Audited Financial Statements) to its members through QR enabled code and weblink instead of transmitting the same through CD/DVD/USBs subject to the approval of shareholders in general meeting.

This was allowed by the SECP considering technological advancements and old technology becoming obsolete, therefore post shareholders' approval, circulation of annual financial statements through CD/DVD/USBs will be discontinued.

However, the Bank will continue to transmit Annual Audited Financial Statements to the shareholders via email, where email IDs are available. Further, the Bank will also provide one hard copy free of cost to the requesting shareholder at their registered address within one week of the request in accordance with the requirement of S.R.O.389(I)/2023 dated 21 March 2023.

#### **Inspection of Documents**

The copies of the latest annual audited financial statements and other documents/information have been kept at the registered office of the Bank, which may be inspected on any working day during business hours till the date of 32nd Annual General Meeting.

#### Interest of Directors

The Directors of the Bank have no direct or indirect interest in the above mentioned special business that would require further disclosure except to the extent of their meeting fee as well as shareholding in the Bank.

## **CODE OF CONDUCT**

This Code of Conduct (Code) outlines the principles, policies, and laws that govern the activities of Soneri Bank Limited (Bank), and to which the Board members, employees and others who work with the Bank or represent the Bank directly or indirectly must adhere. All employees are required to read, understand, sign, and follow the Code of Conduct.

Soneri Bank Limited (Bank) expects all of its employees to act in full compliance with the policies and guidelines set forth in this Code of Conduct. It is the employee's responsibility to make oneself familiar with the following and other policies related to their own business unit:

- 1. No employee shall engage directly or indirectly, in any other business but shall faithfully and diligently, perform the duties entrusted to him/her from time to time and devote maximum time and attention to the work of the Bank, and ensure his/her best endeavours to promote its interest and welfare. Neither shall take up any activity which will bring him/her any reward or remuneration or benefit, directly or indirectly other than from the job at the Bank.
- 2. No employee or his/her immediate family shall enter into speculative and trading activity in stocks, shares, bonds, or any other securities or commodities, either on his/her own account or that of any other person, firm, company nor shall involve in other speculative activity(ies) including betting/gambling. Further, an employee and his/her immediate family shall not derive any benefit or assist others to derive any benefit from the access to and possession of information about the Bank, which is not in the public domain and thus constitutes inside information. All the employees are required to comply with the applicable company law on the prevention of inside trading.
- 3. No employee shall accept any presents either in cash or kind from the Bank's clients, suppliers, vendors and contractors or others, by way of illegal gratification or otherwise. Any such instance where business judgement has been compromised due to such monetary or non-monetary gifts will be considered a violation of this code. Accepting gifts and benefits that may appear as engaging others in bribery or influencing for consideration for an official or business favour is prohibited.
- No Employee shall give or take bribes or engage in any form of corruption.
- 5. No payment or transaction should be made or undertaken, by an employee or authorised or instructed to be made or undertaken by any other person or the Bank if the consequence of that transaction or payment would be the violation of any law in force.
- 6. No employee shall take part in, subscribe to, be of any aid to, assist in or take part in, any political activity whatsoever. No employee shall canvass or otherwise, interfere or use his/her influence in connection with or take part in any election to a legislative or local body, whether in Pakistan or elsewhere. Provided that a Bank employee who is qualified to vote at such an election may exercise his/her right to vote.

- 7. An employee must not peruse such outside business activity(ies) and relationships using the Bank's resources (including but not limited to physical space, office supplies, office communication equipment or time) or allow any outside business, civic or charitable activities to interfere with his/her job performance. The employee must never compromise on integrity, either for personal or professional benefit. Each employee is also personally responsible for the integrity of the information, reports, and records under his/her control.
- 8. The employee shall not commit any act of subversion or misconduct
  - or misbehaviours; and will also not act in any manner, which could be prejudicial or detrimental to the interest of the Bank. The Bank shall be entitled to dispense with the services of any employee, at any time, per the law of his/her employment and/or repeated negligence, disobedience, dishonesty, breach of trust, acts of any other misconduct or subversion, without any notice.
- 9. The employee shall avoid, during his/her employment or thereafter, disclosing or divulging to any person whomsoever any information relating to the Bank or its customers, suppliers, employees or any confidential information which he/she may have access to while being in the service of the Bank. All Employees shall be bound to protect the confidentiality of the non-public information at all times.
- Notwithstanding anything contained hereinabove every employee will abide by all the laws of the land including Labour Laws where applicable.
- 11. Employees are expected to be at work on time every business day. In the event that an employee is absent or late due to illness, accident or personal reasons, he/she is required to inform his/her supervisor as soon as possible so that the department may make other arrangements for substitute help while the employee is away.
- 12. In case of resignation every employee will have to attend to his/her duties until the resignation is accepted and the employee is properly relieved by the competent authority. In case he/she fails to attend his/her duty after tendering resignation, the resignation will not be considered and he/she may be dealt with according to the relevant HR Policy.
- 13. All employees are expected to comply with ethical standards as a critical element of their responsibilities. It is encouraged to raise possible ethical issues and the Bank prohibits any retaliatory action against any individual for raising legitimate concerns regarding ethics, discrimination or harassment matters or for reporting suspected violations. In case of any issue that has been reported, an investigation/inquiry shall be held, and all employees are required to fully cooperate with any appropriately authorised internal or external investigations.
- 14. Employees are expected to dress in a manner consistent with the nature of the work performed. While at work, all employees are expected to dress neatly and appropriately in normal office

- **35.** Employees must be sensitive to any activities, interests or relationships that might interfere with or even appear to interfere with his/her ability to act in the best interests of the Bank and its customers.
- 36. If any personal investment that affects or appears to affect an employee's ability to make an unbiased business decision for the Bank should be avoided.
- **37.** An employee must notify the authorised person or HR of any business relationship or proposed business transaction the Bank may have with any company in which he/she or a related party has a direct or indirect interest or from which he/she or the related party may drive a benefit. Even if the related party or relative is employed, this may raise conflict of interest. Therefore, it should be avoided.
- **38.** Bank employee and their families are encouraged to use the Bank for their personal financial services' needs.
- **39.** The Code of Conduct is subject to variances, modifications, and amendments, from time to time through the resolution of the Board of Directors.
- 40. In case of the breach of any of the above 'Code of Conduct", the employee shall be liable to disciplinary action. This shall be without prejudice to any other rights and remedies of the Bank.
- 41. All employees are responsible to safeguard their passwords and ensure that they maintain honesty and integrity at all times. Password is unique to an individual and its sharing is strictly prohibited. In an event where it is reported that employees have shared their login credentials (User ID/Password) with other employees, both parties would be accountable and liable to strict disciplinary action which may result in termination from employment.

Failure to observe these policies may result in disciplinary action, up to and including immediate termination of employment or any other relationship with the Bank. Furthermore, violations of this Code may also be violations of the law and may result in civil or

criminal penalties.

If an employee has any questions about these policies or would like to report a violation of the Code of Conduct, he/she may approach the Head of Compliance Division or the Head of Human Resources for further guidance and advice
