#### **DIRECTORS' REVIEW REPORT**

On behalf of the Board of Directors, we are pleased to present the Directors' Review of Soneri Bank Limited ("the Bank") along with the condensed interim financial statements for the nine months ended 30 September 2025.

#### **Economic Review**

Pakistan's economy continued on its course of stabilization and moderate growth during the first quarter of FY2026, supported by prudent fiscal and monetary policies, improved external buffers, and a continued build-up of investor confidence. Despite the adverse impact of floods since July 2025, the economy has shown resilience, with key indicators reflecting steady activity and contained macroeconomic imbalances supported by relatively weak global commodity price outlook.

The State Bank of Pakistan (SBP), in its latest Monetary Policy Committee (MPC) meeting, maintained the policy rate at 11 percent, citing moderate inflation and stable financial conditions. Inflation averaged 3.5 percent during July–August 2025, sharply lower than 10.4 percent in the same period last year; however, CPI rose to 5.6 percent in September 2025 driven by higher food price attributable to flood-related disruptions. The SBP expects inflation to temporarily rise above the 5–7 percent target range in the second half of FY2026, before stabilizing in FY2027. Core inflation, however, continues its gradual downward trend, reflecting anchored expectations and tight monetary management.

High-frequency data indicate continued momentum in the real sector. Large-Scale Manufacturing (LSM) grew 9.0 percent year-on-year in July 2025, driven by robust activity in textiles, cement, automobiles, and pharmaceuticals. Cement dispatches surged 20.9 percent, automobile production in its various categories recorded 50 to 100 percent growth in output, and overall, 16 of 22 industries posted gains. While the floods have dampened the short-term agricultural outlook—causing crop and livestock losses—the impact is expected to be partly offset by a likely rebound in Rabi crops supported by better water availability and enhanced agricultural financing, which rose 19.5 percent year-on-year in Jul—Aug 2025.

Broad money (M2) growth slowed slightly to 13.9 percent year-on-year, primarily due to seasonal factors and reduced government borrowing. Private sector credit, however, expanded by 14.1 percent, reflecting improved business sentiment and financing demand across key sectors such as textiles, telecommunications, and trade. The Pakistan Stock Exchange maintained its bullish momentum, with the KSE-100 Index closing at 165,494 points in September 2025—an increase of over 100 percent year-on-year—supported by easing inflation, improving liquidity, and positive earnings expectations.

On the external front, Pakistan's position remained broadly stable despite temporary pressures from higher import demand. The current account deficit widened modestly to \$624 million in Jul–Aug 2025 compared to \$430 million last year, reflecting increased imports amid expanding activity. Nonetheless, exports grew 10.2 percent to \$5.3 billion during Jul–Aug 2025, supported by double-digit growth in textiles. Remittances in the same period increased 7 percent YoY to \$6.4 billion, led by better inflows from Saudi Arabia and the UAE, while foreign exchange reserves stood at \$19.8 billion by mid-September, including \$14.4 billion with the SBP. The exchange rate remained broadly stable around PKR 281 per USD, indicating strengthened market confidence.

The fiscal sector continued to demonstrate discipline, with the primary surplus improving to Rs. 228.9 billion (0.2% of GDP) during Jul–Aug 2025, up from Rs. 107.1 billion last year. During the same period, FBR revenues grew 14.1 percent year-on-year to Rs. 1.66 trillion, supported by higher non-tax collections. Additionally, a substantial SBP profit transfer of Rs. 2.4 trillion is expected to further supplement the primary surplus. However, the floods may increase current expenditures and modestly slow revenue mobilization in the coming months. The country remains committed to sustaining consolidation through tax base broadening, rationalization of expenditures, and reforms in state-owned enterprises.

Pakistan's external and fiscal buffers have strengthened considerably over the past two years, enabling the country to better absorb shocks like previous flood episodes. With lower inflation, manageable external account pressures, and continued IMF program engagement under the Extended Fund Facility (EFF) and Resilience and Sustainability Facility (RSF), the macroeconomic environment remains relatively stable.

At the global level, growth prospects have softened modestly amid ongoing trade tensions and elevated geopolitical risks. According to Fitch Ratings, global growth is projected at 2.4 percent for 2025 and 2.3 percent for 2026, while commodity prices have largely stabilized or weakened, helping to contain Pakistan's import bill. Improved external demand conditions in Pakistan's key export markets—such as the U.S., China, and the Eurozone—are expected to support the country's export momentum in the coming guarters.

#### Outlook

Looking ahead, Pakistan's economic outlook remains prudently optimistic. Real GDP growth for FY2026 is projected to remain near the lower end of the 3.25–4.25 percent range due to flood-related disruptions, but is expected to regain strength in subsequent quarters as reconstruction activity accelerates. Inflation is likely to stabilize within the 5–7 percent target range over the medium term, though short-term volatility over the upper bound may be expected. The current account deficit is anticipated to stay manageable at 0–1 percent of GDP. With arranged external inflows, stable monetary settings, and continued reform momentum, foreign exchange reserves are projected to touch \$15.5 billion by December 2025.

Overall, the macroeconomic stabilization achieved over the past year appears to be consolidating. Sustained reform implementation, prudent policy continuity, and effective management of climate-related challenges will be critical to preserve this progress and support a gradual transition toward higher, more inclusive growth in the coming years.

#### The Bank's Financial Position and Operating Results:

The summarized financial position and operating results of the Bank for the period ended 30 September 2025 are as follows:

As at	As at
30 Sept 2025	31 Dec 2024
(Rupee	s in '000)
194,090,256	241,738,092

The Bank posted Profit before tax (PBT) of Rs. 9,604.361 million and Profit after tax (PAT) of Rs. 3,303.808 million for the nine months ended 30 September 2025, as compared to Rs. 9,733.534 million and Rs. 4,765.783 million respectively for the comparative period last year. Earnings per share (EPS) was recorded at Rs. 2.9968 per share for the current reporting period, as compared to Rs. 4.3228 per share for the comparative prior period, declining by 30.7 percent mainly due to the impact of windfall tax recorded in the current period.

2.9968

4 3228

The Bank's net interest income for the nine months ended 30 September 2025 improved to Rs. 20,997.121 million from Rs. 18,836.365 million for the comparative prior period, reflecting a growth of 11.5 percent as volume and spreads continued to strengthen. Non-interest income for the period end was reported at Rs. 6,518.130 million compared to Rs. 5,224.736 million in the prior period, mainly driven by higher trade business volumes, which increased to Rs. 1,000.880 billion during the nine months ended 30 September 2025 from Rs. 889.327 billion in the comparative period last year. Consequently, fee and commission income also recorded an increase, reflecting improved market activity and higher transactional volumes. Overall, the Bank's total revenue improved by Rs. 3,454.150 million, or 14.4 percent over comparative period last year.

The Bank's average net investments volumes ended at Rs. 474.464 billion for the nine months ended 30 September 2025 as against Rs. 372.415 billion maintained in the comparative prior period. The yield on investments declined to 13.02 percent for the nine months ended 30 September 2025 as against 19.72 percent for the comparative prior period. Therefore, the Bank's income from investments decreased to Rs. 46,188.988 million for the current period, as against Rs. 54,971.213 million for the comparative prior period.

At the same time, net yields on advances also declined year on year, ending at 11.78 percent as against 19.72 percent for the comparative prior period, reflecting the repricing effect of the decrease in policy rates by the State Bank of Pakistan by 650 bps from October 2024 onwards. The Bank's average net advances volume contracted to Rs. 195.572 billion for the nine months ended 30 September 2025, as against Rs. 206.386 billion for the comparative prior period with income from advances ending lower at Rs. 17,229.950 million for the current period as against Rs. 30,377.806 million for the comparative prior period.

Earnings per share (Rupee)

Period end deposits improved to Rs. 629.128 billion as at 30 September 2025, indicating a growth of 15.8 percent as against the year end 2024 position. In terms of averages, the portfolio grew by Rs. 38.322 billion, or 7.03 percent year on year. The Bank's cost of deposits decreased to 7.17 percent for the nine months ended 30 September 2025 as against 13.88 percent for the corresponding period last year. As at 30 September 2025, the Bank's CASA percentage stood at 83.73 percent (December 2024: 81.94 percent). For Current Accounts, the mix improved to 32.53 percent at 30 September 2025 from 30.13 percent as at 31 December 2024, and period end CA balances grew by Rs. 41.015 billion or 25.07 percent compared to 31 December 2024. The Bank's focus remains on CASA mix improvement along with retention and mobilization of current and rack-rate savings accounts, whilst ensuring service levels of the highest quality. This has helped the Bank in reducing its funding costs, thereby leading to improved net interest margins and operating profits.

The Bank's period end borrowings were reported at Rs. 109.201 billion at 30 September 2025, with overall costs decreasing to 10.57 percent for the current period as against 17.67 percent for the comparative prior period. The Bank's IDR ended at 79.47 percent increasing from the 70.76 percent reported at the year end. Overall cost of funds decreased to 7.83 percent for the nine months ended 30 September 2025 as against 14.44 percent for the comparative prior period.

Non-Markup expenses were reported at Rs. 17,832.920 million for the nine months ended 30 September 2025 as against Rs. 14,519.603 million in the comparative period of 2024, indicating a growth of 22.82 percent, which is mainly due to additional costs on account of new branches opened in 2025 and the latter part of 2024, along with expenditure on information technology, digitalization and inflationary increase in various expense categories. In line with the directions set by the Board, the management remains committed on implementing rigorous cost discipline measures to keep administration costs in check over the remaining course of the year.

A net charge of Rs. 77.970 million has been recognized in respect of credit Loss allowance and write offs, whereas, a net reversal of Rs. 192.036 million was considered in the same period last year. The Bank continues to target a strong recovery pipeline in the remainder of the year so as to supplement its profitability. At the same time, we continue to carefully and prudently monitor our portfolio to limit infection and maintain coverage at reasonable levels.

As at 30 September 2025, the Bank's Non-performing loans to total Advances ratio has increased to 4.30 percent (December 2024: 3.16 percent), with specific coverage at 84.543 percent (December 2024: 90.02 percent) and overall coverage including the Expected Credit Loss (ECL) provision under Stages 1 & 2 of IFRS 9, Financial Instruments, computed at 95.10 percent (December 2024: 102.90 percent).

The Bank remains adequately capitalized, with a Capital Adequacy Ratio of 16.29 percent at 30 September 2025. The Bank's Liquidity Coverage Ratio and Net Stable Funding Ratios currently stand at 196.81 percent and 186.36 percent respectively, which are comfortably above the regulatory requirements.

#### **Credit Rating:**

The Pakistan Credit Rating Agency (PACRA) has maintained the long term credit rating of 'AA-' (Double A Minus) and short term rating of 'A1+' (A One Plus) with Stable Outlook of the Bank through its notification dated 25 June 2025 [2024: long term 'AA-' (Double A Minus): short term 'A1+' (A One Plus)].

Furthermore, the Bank's unsecured, subordinated, rated, listed perpetual and non-cumulative Term Finance Certificates, Tier I Capital, of Rs 4,000 million have been assigned the rating of 'A' with Stable Outlook by PACRA through their notification dated 25 June 2025 [2024: 'A' (Single A) with Stable Outlook)].

PACRA had also maintained the credit rating of the Bank's unsecured, subordinated and listed Term Finance Certificates (TFC – III), Tier II Capital, issue of Rs 4,000 million at 'A+' (Single A plus) with Stable Outlook through its notification dated 25 June 2025 [2024: 'A+' (Single A plus) with Stable Outlook].

The assigned ratings reflect the Bank's good corporate governance, diversified operations, healthy financial risk profile, strong sponsors, lending capacity and market presence. These ratings indicate a low expectation of credit risk, strong capacity for timely repayment of financial commitments in the long term and the highest capacity for timely repayment in the short term, respectively.

#### Acknowledgment:

On behalf of the Board, we thank the State Bank of Pakistan, the Ministry of Finance, the Securities and Exchange Commission of Pakistan, and other regulatory authorities for their continued guidance. We remain indebted to our valued customers for their patronage, and express our gratitude to our shareholders for their unwavering trust and support.

On behalf of the Board of Directors,

MUHTASHIM AHMAD ASHAI
President & Chief Executive Officer

AMIN A. FEERASTA

Chairman

عالمی سطح پر معاثی ترق کے امکانات میں معمولی کی واقع ہوئی ہے، جس کی بنیادی وجوہات جاری تجارتی کشیر گیاں اور بڑھتے ہوئے جغرافیائی سیاسی خطرات ہیں۔ فی رینگٹر کے مطابق ، عالمی ترقی کی شرح 2025 میں 2.4 فیصد اور 2026 میں 2.3 فیصد اور 2026 میں 2.4 میں انہم برآ مدک منڈیوں جیسے امریکا ، چین اور لیوروزون میں ہیرونی طلب کے بہتر حالات سے آئندہ سہ اہیوں میں پاکستان کی برآ مدات میں سال سے بہتری کی توقع ہے۔

#### منظرنامه

آ گے دیکھیں تو پاکستان کامعاثی منظرنامیتناط مگر پُرامید دکھائی ویتا ہے۔ مالی سال 2026 میں حقیقی ہی ڈی پی کٹری نمو 3.25 ہے 4.25 نیصد کی حد کے نجلے ھے کے قریب رہنے کی توقع ہے، جنگی وجہ سیلاب سے پیدا ہونے والی رکاوٹیس ہیں۔ تاہم، بھال کے کاموں میں تیزی آنے کے ساتھ آئندہ سہا ہیوں میں معاثی سرگرمیوں کے مضوط ہونے کی امید ہے۔ افراط زرورمیانی مدت میں حسی سے 7 فیصد کے ہون کے برن کا کاؤنٹ خسارہ ہی ڈی پی کے 10 تا فیصد کی قابل برداشت کے پر سنے کی سے 7 فیصد کے ہون کے دائع ہے۔ کرنٹ اکاؤنٹ خسارہ ہی ڈی پی کے 15 فیصد کی قابل برداشت کے پر سنے کی توقع ہے۔ بیرونی ذرائع سے مالی معاونت ، مشتم مالیاتی پالیسی، اور جاری اصلاحاتی اقد امات کی بدولت، زرمبادلہ کے ذکار دسمبر 2025 تک بڑھر کر 15.5 بلین ڈالرتک پہنچنے کی ڈپش گوئی ہے۔

مجموعی طور پر ،گذشته سال کے دوران حاصل کردہ معاثی استحکام مضبوط تر ہوتا نظر آ رہاہے۔اصلاحات کامسلس نفاذ جمتاط پالیسیوں کانشلس،اورموسمیاتی چیلنجوز کامؤ ثر انتظام آنے والے برسوں میں زیادہ مشتکم اور جامع معاثی ترقی کی طرف بتدریج میش رفت میں انتہائی اہم ثابت ہوں گے۔

## ڈائریکٹرز کی جائزہ رپورٹ

## 30 ستمبر 2025 كوختم مونے والى نوماه كى مدت كيلية دائر يكثرزكى جائزه ريورث

ہمنہا پیت مسرت کے ساتھ سونیری بینک لمیٹٹر ' بینک') کے بورڈ آف ڈائر بکٹرز کی جانب ہے 30 ستمبر 2025 کوختم ہونے والی نوماہ کی مدت کیلئے ڈائر بکٹرز کی جائزہ رپورٹ بح غیر پڑتال شدہ مختصور کی مالیاتی گوشوارے بیش کررہے ہیں۔

#### معاشي جائزه

پاکستان کی معیشت مالی سال 2026 کی کپلی سدماہی کے دوران استحکام اور معتدل بہتر میں جانب گامزن رہی۔اس استحکام کی بنیادی وجو ہائے تناط مالی اور مانیٹری پالیسیاں ، بہتر میرونی ذخائر ، اور سرما پیکاروں کے اعتاد میں مسلسل اضافہ ہیں۔ جولائی 2025 ہے آنے والے سیلا ہ کے نفی اثر اے کہ باوجود معیشت نے مضبوطی اور استحکام کا مظاہرہ کیا ہے، جہاں اہم معاثی اشار یے مسلس معاشی سرگری اور جموعی اقتصادی عدم تو ازن کے قابومیس رہنے کی نشاندی کرتے ہیں، جے عالمی سطح پر نبیتا اجناس کی کم قیتوں کے ربحان نے سہارا دیا ہے۔

اسٹیٹ بینک آف پاکستان (SBP) نے اپنی حالیہ مانیٹری پالیسی کمیٹی (MPC) کے اجلاس میں معتدل مہنگائی اور مشتکام مالی حالات کا حوالہ دیتے ہوئے پالیسی ریٹ 11 فیصد پر برقر اررکھا۔ جولائی تااگست 2025 کے دوران افراط زر کی اوسط شرح 3.5 فیصدر رہی جوگذشتہ سال ای مدت میں 10.4 فیصدتھی۔ تا ہم بمتبر 2025 میں سیا ہب کے باعث خوراک کی قیمتوں میں اضافے کے نتیجے میں کنزیومر پرائس انڈیکس (CPI) 5.6 فیصد تک بڑھ گیا۔ اسٹیٹ بینک کے مطابق مالی سال 2026 کی دوسری ششاہی میں افراط زرقتی طور پر 5 تا 7 فیصد کے ہوف سے تجاوز کر سکتی ہے کیکن مالی سال 2027 تک اسٹوکام کی توقع ہے۔ بنیادی افراط زرمیں بندرت کی کار ججان جاری ہے جومتوازن توقعات اور خت مانیٹر کی ظم وضیط کا مظہر ہے۔

تاز ہرترین ڈیٹا کے مطابق حقیقی معیشت میں ترتی کا تسلسل برقرار ہے۔جولائی 2025 میں بڑے پیانے کی صنعت (LSM) کی پیدادار میں سال بسال 9.0 فیصدا ضافہ ہوا،جس کی بڑی وجو ہات ٹیکشائل، سینٹ، آٹوموہائلزاور فار ماسیوٹیکل کے شعبوں میں سرگری میں اضافہ ہے۔ سینٹ کی ترسیات میں 20.90 فیصدا ضافہ ہوا،جنلف کینگر میں گاڑیوں کی ہیدادار میں 50 تا 2000 فیصد تک بہتری نظر آئی، اور مجموعی 22 میں سے 16 صنعتوں نے شبت نتائج فاہر کیے۔اگر چرسیال بے زرعی شعبے برقلیل مدتی منفی اگر ڈالا بفسلوں اورمویشیوں کا نقصان ہوا، تاہم پانی کی بہتر دستیابی اور جولائی تااگست 2025 کے دوران زرعی قرضہ جات میں 19.5 فیصد تک سال بسال بضافہ کی وجہ ہے رقبع کی فصلوں میں بہتری کے امکانات ہیں۔

وسیج زرنقر (M2) کی شرح نمو بنیادی طور پرمومی عوال اورحکومتی قرضوں میں کی کی وجہ ہے معمولی کی کے ساتھ سال 13.9 فیصدر ہیں۔ تاہم ٹمی شعبے کے قرضوں میں کاروباری اعتاد میں بہتری اور ٹیکسٹاک، ٹیلی کینو کینسٹوز اور تجارت جیسے اہم شعبوں میں مالی معاونت کی بڑھتی ہوئی طلب کی وجہ ہے۔ 14.1 فیصد تک اضافہ ہوا۔ پاکستان اشاک ایکچیٹی نے اپنی شہب رفتار برقرار کھی اور متبر 2025 میں کے ایس ای -100 انڈیکس 165,494 پوئٹش پر بند ہوا، جو 100 فیصد سال بسال سے زیادہ اضافہ طاہر کرتا ہے۔ یہ اضافہ افراط زر میں کمی بہتر کیکو مڈیٹی اور منافع میں اضافے کی قوقعات کے سیسے ممکن ہوا۔ کی قوقعات کے سیسے ممکن ہوا۔

مالیاتی شعبے میں نظم وضیط برقر اردہا، جہاں جولائی تا اگست 2025 کے دوران پرائمری سرپلس بہتر ہوکر 228.9 ملین روپے قلے ای مدت میں ایف پی آرکی آمدنی میں بھی 14.1 فیصدسال بسال اضافہ ہوا، جو بڑھ کر 16.6 ٹریلین روپے تک پھٹے گئی، اس میں نان ٹیکس وصولی کے اضافے نے اہم کر دارا دا کیا۔ میز میر برآس، اسٹیٹ بینک آف پاکستان (SBP) کی جانب ہے 2.4 ٹریلین روپے کے منافع کی منتقل سے پرائمری سرپلس میں مزید بہتری کی توقع ہے۔ تاہم، سیلاب کے باعث آئیدہ مہینوں میں حکومتی افراجات میں اضافہ اور رہے نیواکھا کرنے کی رفتار میں معمولی کی کا امکان ہے ۔ گیس نیٹ میں اضافے ، افراجات میں اصلاحات، اور سرکاری اداروں کی کارکردگی میں بہتری پر توجہ مرکوزر کھتے جوئے ملک مالی استخکام کو برقر ادر کھنے کے لیے پر عرب ہے۔

گذشتہ دوسالوں کے دوران پاکتان کے بیرونی اور مالیاتی و خائر میں نمایاں بہتری آئی ہے،جس کی بدولت ملک اب پیچلے سیلاب جیسے مسائل سے پہلے کے مقابلے میں زیادہ وو ٹر طریقے سے نمٹنے کے قابل ہو گیا ہے۔افراطِ زرمیں کی، بیرونی کھاتے کا دباؤکٹرول میں رہنے اورا کیسٹیٹیڈ ڈفٹر فسیلٹی (EFF) اور ریبلینس اینڈ سسٹین ایبلٹی فسیلٹی (RSF) پروگرامز کے تحت آئی ایم ایف کے ساتھ جاری تعاون کی وجہ ہے مجموعی معاشی ماحول نبتاً مشتحکم ہے۔

## NOTES TO AND FORMING PART OF THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)

FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2025

#### 1 STATUS AND NATURE OF BUSINESS

Soneri Bank Limited (the Bank) was incorporated in Pakistan on 28 September 1991 as a public limited company under the repealed Companies Ordinance, 1984 (now Companies Act, 2017). Its registered office and central office are situated at 2nd Floor, 307- Upper Mall Scheme, Lahore, Punjab and at 10th Floor, PNSC Building, M.T. Khan Road, Karachi respectively. The shares of the Bank are quoted on Pakistan Stock Exchange Limited. The Bank is engaged in banking services as described in the Banking Companies Ordinance, 1962 and operates with 618 branches including 116 Islamic banking branches,15 Islamic banking windows (2024: 544 branches including 68 Islamic banking branches, 15 Islamic banking windows in Pakistan). The credit rating of the Bank is disclosed in note 36 to these condensed interim financial statements.

#### 2 BASIS OF PRESENTATION

- 2.1 These condensed interim financial statements have been prepared in conformity with the format of financial statements prescribed by the State Bank of Pakistan (SBP) vide BPRD Circular No. 2 dated 09 February 2023.
- 2.2 In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these condensed interim financial statements as such but are restricted to the amount of facility actually utilised and appropriate portion of mark-up thereon.
- 2.3 The financial results of all Islamic banking branches and windows of the Bank have been consolidated in these condensed interim financial statements for reporting purposes, after eliminating material intra branch transactions / balances. The financial results of Islamic banking branches and windows are disclosed in note 41 to these condensed interim financial statements.

#### 3 STATEMENT OF COMPLIANCE

- 3.1 These condensed interim financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting. The accounting and reporting standards as applicable in Pakistan for interim financial reporting comprise of:
  - -International Accounting Standards 34 "Interim Financial Reporting" and International Financial Reporting Standards, IFRS accounting standards, issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act 2017;
  - -Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
  - Provisions of and directives issued under the Banking Companies Ordinance, 1962 and the Companies Act, 2017; and
  - -Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP) from time to time.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by SBP and the SECP differ with the requirements of IFRS accounting standards or IFAS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

3.2 The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies through BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks through its notification S.R.O 411(I)/2008 dated April 28, 2008. The State Bank of Pakistan through BPRD Circular No. 04 of 2015 dated February 25, 2015 has deferred the applicability of Islamic Financial Accounting Standard (IFAS) 3, 'Profit and Loss Sharing on Deposits' issued by the Institute of Chartered Accountants of Pakistan (ICAP) and notified by the SECP, vide their S.R.O. No. 571/2013 dated June 12, 2013 for Institutions offering Islamic Financial Services (IIFS). Accordingly, the requirements of these standards have not been considered in the preparation of these condensed interim financial statements.

- 3.3 The disclosures made in these condensed interim financial statements have been limited based on a format prescribed by the SBP vide BPRD Circular No. 2 dated 09 February 2023 and International Accounting Standards IAS 34, "Interim Financial Reporting". They do not include all the information and disclosures required for annual financial statements, and these condensed interim financial statements should be read in conjunction with the financial statements of the Bank for the year ended 31 December 2024.
- 3.4 The management of the Bank believes that there is no significant doubt on the Bank's ability to continue as a going concern. Accordingly, these condensed interim financial statements have been prepared on a going concern basis.

### 3.5 Standards, interpretations of and amendments to published accounting and reporting standards that are effective in the current period

There are certain new and amended standards, issued by the International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after 1 January 2025 but are considered not to be relevant or do not have any material effect on the Bank's operations and are therefore not detailed in these condensed interim financial statements. The impact of IFRS for the current period is disclosed in note 4 of these condensed interim financial statements. Further, the comparative period has been restated to incorporate the impact of adoption of IFRS 9 as disclosed in note 4.1.

## 3.6 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

There are certain new and amended standards, issued by the International Accounting Standards Board (IASB), interpretations and amendments that are mandatory for the Bank's accounting periods beginning on or after 01 January 2026 but are considered not to be relevant or will not have any material effect on these condensed interim financial statements except for:

- the new standard IFRS 18 "Presentation and Disclosure in Financial Statements" (published in April 2024) with applicability date of 1 January 2027 by IASB. IFRS 18 is yet to be adopted in Pakistan. IFRS 18 when adopted and applicable shall impact the presentation of 'Statement of Profit and Loss Account' with certain additional disclosures in the financial statements.
- amendments to IFRS 9 'Financial Instruments' which clarify the date of recognition and derecognition of a financial asset or financial liability including settlement of liabilities through banking instruments and channels including electronic transfers. The amendment when applied may impact the timing of recognition and dereconition of financial liabilities.
- amendment to IAS 21 'The Effects of Changes in Foreign Exchange Rates' which will require Banks to apply a consistent approach in assessing whether a currency can be exchanged into another currency and, when it cannot, in determining the exchange rate to use and the disclosures to provide.

#### 3.7 Functional and presentation currency

These condensed interim financial statements are presented in Pakistani Rupees, which is the Bank's functional and presentation currency. The amounts are rounded of to the nearest thousands rupees except as stated otherwise.

#### 4 MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these condensed interim financial statements are consistent with those applied in the preparation of the annual audited financial statements of the Bank for the year ended 31 December 2024 except for matters related to IFRS 9 which have been disclosed in note 4.1 to these condensed interim financial statements. Impacts of adoption of IFRS 9 for the comparative and current period are disclosed in note 4.1.

#### 4.1 IFRS 9- 'Financial Instruments'

- 4.1.1 The Bank had adopted IFRS 9 effective from 1 January, 2024, with modified retrospective approach for restatement permitted under IFRS 9. The cumulative impact of initial reclassification on adoption of IFRS 9 increased the surplus on revaluation of investments by Rs.1,203.498 million and impact of adoption of IFRS 9 decreased the unappropriated profit by Rs.1,732.740 million. These impacts were recorded as an adjustment to equity at the beginning of the previous accounting period.
- 4.1.2 The Bank, in compliance with extended timelines prescribed in SBP's BPRD Circular Letter No. 16 dated July 29, 2024 and BPRD Circular Letter No. 01 dated January 22, 2025 had incorporated IFRS 9 related impacts in the last quarter of 2024. Therefore the condensed interim statement of profit and loss account (un-audited) for the nine months period ended September 30, 2024 have been restated to incorporate these impacts. Had the restatement not been incorporated, the profit after tax for the nine months period ended September 30, 2024, would have been lower by Rs. 48.961 million. The details are tabulated below:

Head	Impact	(Rupees in '000)	Description
Mark-up / return / interest earned Mark-up / return / interest earned	Decrease Increase	579,352 481,860 (97,492)	Fair value impact of subsidised advances Fair value impact of staff loans
Mark-up / return / interest expensed Operating expenses Workers welfare fund	Decrease Increase Increase	685,790 481,860 2,129 201,801	Fair value impact of subsidised borrowings Fair value impact of staff loans Impact due to increase of profit before tax
Taxation	Increase	55,348	Tax impact of restatement
Head	Impact	(Rupees)	Description
Basic and diluted earnings per share	Increase	0.044	EPS impact of restatement

4.1.3 During the current period, in accordance with BPRD Circular No. 03 of 2022 dated 5 July 2022 and BPRD Circular Letter No. 16 dated 29 July 2024, SBP has relaxed the Bank for the application of IFRS 9 'Financial Instruments' to measure unlisted equity securities at fair value under IFRS 13 effective from 1 January 2025. Therefore, the Bank has taken the impact of fair value adjustment to equity at the beginning of the current accounting period with modified retrospective approach for restatement permitted under IFRS 9. The cumulative impact of application as at 1 January 2025:

Head	Impact	(Rupees in '000)	Description
Investments	Increase	695,940	
Surplus on revaluation of assets FVOCI	Increase	316,466	Fair value impact of
Unappropriated profit	Increase	17,585	unquoted equity securities
Deferred tax assets	Decrease	342,838	unquoted equity securities
Taxation	Increase	19,051	

- **4.1.4** The SBP in a separate instruction SBPHOK- BPRD-RPD-SBL-821860 dated 22 January 2025 has allowed extension for application of Effective Interest Rate upto 31 December 2025.
- 4.1.5 The SBP has directed the Banks through its BPRD Circular Letter No. 1 dated 22 January 2025 to continue the existing revenue recognition methodology for Islamic Operations, including the requirements of IFAS 1 and IFAS 2 untill further instructions. Had IFRS 9 been adopted in its entirety for revenue recognition from islamic operations, the profit after tax of the Bank would have been higher by Rs. 57.540 million. Further, unappropriated profit of the Bank as at 30 September 2025 would have been higher by Rs. 152.151 million (31 December, 2024: Rs. 94.611 million)

#### 5 BASIS OF MEASUREMENT

5.1 These condensed interim financial statements have been prepared under the historical cost convention except that certain property and equipment / non-banking assets acquired in satisfaction of claims have been stated at revalued amounts, certain investments and derivative financial instruments have been stated at fair value and net obligations in respect of defined benefit schemes and lease liability under IFRS 16 are carried at their present values.

#### 5.2 Critical Accounting Estimates and Judgements

The preparation of these condensed interim financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgment in the application of its accounting policies. The estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

The significant judgments made by management in applying the Bank's accounting policies and the key sources of estimation uncertainty were the same as those applied to the financial statements of the Bank for the year ended 31 December 2024, except for matters related to IFRS 9 which have been disclosed in note 4.1 to these condensed interim financial statements.

(Audited)

(Un-audited)

#### 5.3 Financial risk management

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the annual audited financial statements for the year ended 31 December 2024.

- 10.3.1 The Bank has availed the benefit of forced sale value (FSV) of pledged stocks, mortgaged residential and commercial properties held against expected credit loss of Stage 3 non-performing advances. The additional profit arising from availing the benefit of FSV net of the tax amounts to Rs. 412.314 million (31 December 2024: Rs. 365.267 million) is not available for distribution either as cash or stock dividend to shareholders and bonus to employees.
- 10.3.2 The Bank has made provision against its non-performing portfolio as per the category of classification of the loans. However, the Bank still holds enforceable collateral realisable through litigation. This enforceable collateral includes mortgage charge etc. against various tangible assets of the borrower including land, building and machinery, stock in trade, etc.

#### 19.1 Listed Term Finance Certificates - Additional Tier I

The Bank issued Rs. 4,000 million of listed, fully paid up, rated, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of Term Finance Certificates (TFCs) issued as instruments of redeemable capital under Section 66 of the Companies Act 2017. The funds raised by the Bank through the issuance of these TFCs have contributed towards the Bank's Additional Tier I Capital for meeting its capital adequacy requirements as per Basel III Guidelines set by SBP under BPRD Circular Number 6 dated 15 August 2013. The instrument is sub-ordinated as to the payment of principal and profit of all other indebtedness of the Bank (including the listed term finance certificates - Tier II previously issued by the Bank) and is not redeemable before maturity without prior approval of SBP. Furthermore, these funds are intended to be utilized for the Bank's ongoing business operations in accordance with the Bank's Memorandum and Articles of Association. The key features of the issue are as follows:

Issue amount Rs. 4,000 million
Issue date 06 December 2018

Maturity date Perpetual

Rating (Note 36) "A" with Stable Outlook by The Pakistan Credit Rating Agency Limited on 25 June 2025.

Security Unsecured

Ranking Subordinated to all other indebtedness of the Bank including deposits but superior to equity.

Profit payment frequency Semi-annually

**Redemption** No fixed or final redemption date

Mark-up 6 Months KIBOR + 2.00% per annum

Call option

The Bank may call the TFCs (either partially or in full), after five (5) years from the date of issuance

with the prior approval of SBP. Moreover, and as per Clause iv(b) of Annexure 2 of the Basel III Circular, the Issuer shall not exercise a call option unless the called instrument is replaced with capital of same or better quality. The Call must be subject to a prior notice of not less than 60 days given by the Bank to the investors. The Call Option once announced will not be revocable.

29

Lock-in-clause The TFCs contain a lock-in clause which stipulates that no profit payments would be made if such

payments result in a shortfall in the Bank's Minimum Capital Requirement (MCR) or Capital

Adequacy Requirement (CAR) or increase any existing shortfalls in MCR and / or CAR.

Loss absorbency clause The TFCs are also subject to loss absorbency and / or any other requirements under SBP's Basel III

Capital Rules. Upon the occurrence of a Point of Non-Viability event as defined by SBP's Basel III Capital Rule, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC Holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFC' divided by market value per share of the Bank's common equity on the date of trigger of the non-

viability event as declared by SBP, subject to a cap of 360,000,000 shares.

#### 19.2 Listed Term Finance Certificates - Tier II

The Bank issued Rs. 4,000 million of privately placed, fully paid up, rated, unsecured, non-cumulative and subordinated debt instruments in the nature of Term Finance Certificates (TFCs) as instruments of redeemable capital with a tenor of 10 years under Section 66 of the Companies Act, 2017. The instrument was privately placed and was subsequently listed on the PSX as per the regulatory requirements for listing of privately placed debt securities. The instrument is sub-ordinated as to the payment of principal and profit to all other indebtedness of the Bank, and is not redeemable before maturity without prior approval of SBP. The key features of the issue are as follows:

Issue amount Rs. 4,000 million

Issue date 26 December 2022

Maturity date 26 December 2032

Rating (Note 36) A+" (Single A plus) with Stable Outlook by "A+" by The Pakistan Credit Rating Agency Limited on 25

June 2025.

Ranking The Instrument will be unsecured and subordinated as to payment of principal and profit to other

indebtedness of the Bank, including deposits, but will rank pari passu with other Tier II instruments and superior to Additional Tier I instruments. The instrument will not be redeemable before maturity

without approval of SBP.

Security Unsecured

Profit payment frequency Semi-annually

Redemption The instrument is redeemable semi-annually in such a way that 0.36% of the issue amount will be

redeemed in the first 9 years after the issue date and the remaining issue amount of 99.64% in two

(2) equal semi annual installments of 49.82% each in the last year.

Mark-up 6 Months KIBOR + 1.70% per annum

Call option The Bank may call the TFCs (either partially or in full), with prior approval of SBP, any time after five

years from the date of issue, subject to not less than 30 days prior notice being given to the investors.

Lock-in-clause The TFCs contain a lock-in clause which stipulates that neither interest nor principal may be paid

(even at maturity) if such payments will result in shortfall in the Bank's Minimum Capital Requirement (MCR) or Capital Adequacy Requirement (CAR) or Leverage Ratio (LR) or result in an increase in

any existing shortfall in MCR or CAR or LR.

Loss absorbency clause The instrument will be subject to loss absorbency and / or any other requirements under SBP's Basel III Capital Rules. Upon the occurrence of a Point of Non-Viability event as defined by SBP's Basel III Capital Rule, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFC' divided by market value per share of the Bank's common equity on the date of trigger of the non-

viability event as declared by SBP, subject to the cap of 484,000,000 shares.

23.3 Other contingent liabilities

**20,583,455** 20,272,091

- 23.3.1 Claims against the Bank which are not acknowledged as debts amounted to Rs. 3.686 million (31 December 2024: Rs. 3.462 million).
- 23.3.2 (a) The income tax returns of the Bank have been filed up to tax year 2024 (accounting year ended 31 December 2023). The income tax authorities have issued amended assessment orders against different tax years, thereby creating additional tax demands against which payments have been made as required under the law. The Bank has filed appeals before various appellate forums against these amendments. Assessments from tax year 2003 to 2010 have been decided at the level of Honorable Lahore High Court. The Bank has filed petitions in Honorable Supreme Court of Pakistan for tax years 2003 to 2005 and tax year 2008 to 2010. In case of an adverse decision, an additional tax liability of Rs. 277.12 million may rise. The department has filed tax references in respect of certain matters with the Honorable Lahore High Court which are currently pending. In case of any adverse decision, an additional tax liability of Rs. 639.57 (which includes impact of certain timing differences as well) may arise for tax years 2011 and 2012. Honorable LHC has remanded back the proceedings for tax year 2001 to department, which are currently pending hearing and in case of an adverse inference, a demand of Rs. Rs. 1.225 million may arise. Further, assessments for tax years 2013 to 2021 have been decided at the level of Commissioner Inland Revenue (Appeals). The department has filed appeal for tax year 2013, 2020 and 2021 with Appellate Tribunal Inland Revenue which is currently pending and in case of any adverse decision, an additional tax liability of Rs. 6,493.68 million (which include impact of certain timing differences as well) may arise. The Bank has decided to file appeal for tax years 2014, 2015, 2016 and 2018 with Appellate Tribunal Inland Revenue, which in case of any adverse decision may create an additional tax liability of Rs. 113.58 million. A cross appeal has been filed for tax year 2019 with Appellate Tribunal Inland Revenue, which in case of any adverse decision may create an additional tax liability of Rs. 16.63 million. Bank has filed appeal before Appellate Tribunal Inland Revenue for tax year 2024, which is currently pending and in case of any adverse decision, an additional tax liability of Rs. 7,308.32 million may arise. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such
  - (b) Tax authorities have passed order for tax year 2017 under section 122(4) of the Income Tax Ordinance, 2001. This order has been passed as a result of audit under section 177 of the Income Tax Ordinance, 2001. The Bank has decided to file an appeal against the order before Appellate Tribunal Inland Revenue after the decision of Commissioner Inland Revenue (Appeals). In case of any adverse decision, an additional tax liability of Rs. 73.07 million may arise. However, the management is confident that the matter will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matter.
  - (c) Tax authorities have passed orders for tax years 2008 to 2012, levying Federal Excise Duty on certain items. The Bank filed appeals against these assessments before Appellate Tribunal Inland Revenue, which were decided in favor of Bank and tax demand was deleted in full. The department filed tax reference before the Honorable Lahore High Court against the order issued by Appellate Tribunal Inland Revenue, which was set-aside with remanded back directions to Appellate Tribunal Inland Revenue by Honorable Lahore High Court. Provision to the extent of Rs. 81.083 million, created on the recommendation of the State Bank of Pakistan, is still being maintained in the accounts. Management is confident that Appellate Tribunal Inland Revenue will decide the case in favor of the Bank and the Bank may not be exposed to any additional tax liability in these matters. Management is also confident that SBP will allow reversal of this provision based on favorable order passed by Appellate Tribunal Inland Revenue.
  - (d) Appellate Tribunal Inland Revenue has passed an orders passed by FBR under section 161/205 of the Income Tax Ordinance 2001 for tax year 2006 to 2012. Bank and department have filed petitions in Honorable Lahore High Court against these orders. These petitions are currently pending for adjudication and in case of any adverse decision an additional tax liability of Rs. 114.06 million may arise. Tax authorities have filed appeals against orders passed under section 161/205 of the Income Tax Ordinance 2001, for tax years 2014 and 2016 to 2021 with Appellate Tribunal Inland Revenue. These are currently pending and in case of any adverse decision an additional tax liability of Rs. 2,342.16 million may arise. However, the management is confident that the matter will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in these matters
  - (e) Punjab Revenue Authority has passed order for year 2015 on non-deduction of sales tax withholding and created demand of Rs. 144.69 million. The Bank preferred an appeals before Appellate Tribunal Punjab Revenue Authority after Commissioner (Appeals) PRA order, which are currently pending. A combined order is passed for tax year 2021 and 2022 on Service Tax and Sales Tax Withholding Contraventions and created demand of Rs. 1,540.54 million. The bank preferred an appeal before Commissioner (Appeals) PRA. An order passed for year 2016 for non-deduction of sales tax withholding and created demand of Rs. 46.90 million. The Bank preferred an appeal before Commissioner (Appeals) PRA, which is currently pending. Another order has passed for years 2016-2017 on non-deduction of sales tax withholding on insurance services and created demand of Rs. 24.79 million. The Bank preferred an appeal before Appellate Tribunal Punjab Revenue Authority after Commissioner (Appeals) PRA order, which is currently pending. Punjab Revenue Authority has passed an order for the period July-2020 to June-2021 on non-deduction of sales tax withholding on Taxable Services Payments and created demand of Rs. 372.97 million. The Bank preferred an appeals before Commissioner (Appeals) PRA order, which are currently pending. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters.

- (f) The Sindh Revenue Board (SRB) passed an order for Tax Year 2014, creating a demand of Rs. 142.18 million on account of alleged non-deduction of Sindh Sales Tax. The Bank filed an appeal before the Commissioner (Appeals), who accepted the Bank's position to the extent of Rs. 95.29 million and upheld a partial demand of Rs. 46.89 million. The Bank has filed a second appeal before the Appellate Tribunal SRB against the adverse portion of the order, which is currently pending for adjudication. SRB also passed orders for year 2012 and 2016-2017 creating demand of Rs. 89.25 million in total. The Bank has filed appeals before the Commissioner (Appeals), SRB, which are currently pending adjudication. The Bank's management remains confident that these matters will ultimately be decided in the Bank's favor and that no additional tax liability will arise.
- (g) The income tax authorities in Azad Jammu & Kashmir region have issued amended assessment orders, thereby creating additional tax demands. For Tax Year 2014 Appellate Tribunal AJK has passed order in favour of the bank and AJK Tax Department has filed tax reference before AJK High Court. For Tax Year 2016 and tax year 2020 to 2023 the Bank has filed appeals before ATIR AJK. In case of an adverse decision, additional tax liability of Rs. 162.63 million may arise.
- (h) The Finance Act, 2023 incorporated section 99D of the Income Tax Ordinance, 2001 imposing tax on windfall income, profits and gains. In pursuance of sub-section (2) of said section, the interim Federal Government has issued Notification No. SRO.1588(I)/2023 dated November 21, 2023 imposing 40% tax on foreign exchange income of the banks and has also specified the criteria for calculation of windfall income and tax liability thereon. In pursuance of the same, tax authorities issued recovery notice to the Bank thereby creating a demand to the extent of Rs. 1,021.891 million. However, the Bank filed Constitutional Petition before the Honorable High Court Lahore through its external legal counsel; challenging the same on various legal grounds inter-alia including the following:
  - unlawful delegation of powers;
  - absence of necessary conditions mentioned in section 99D;
  - lack of right of appeal to the tax payers; and
  - absence of machinery for declaration, assessment and collection.

Based on these grounds the Honorable High Court has suspended the operation of the SRO. Similar orders have also been passed by the High Courts of Sindh and Islamabad. Moreover, the subject SRO had to be ratified and approved by a functional National Assembly within a period of 90 days (already lapsed) from its issuance; therefore it has no legal effect.

On the basis of the aforementioned factors and as per the advise of our learned legal counsel, the management is confident that these matters will ultimately be decided in favor of the Bank and the Bank may not be exposed to any additional tax liability in such matters. However, very recently Lahore High suspended the stay and ordered the Bank to pay the impugned demand, accordingly the Bank has made the subject payment under protest while the case is still being heared.

- 23.3.3 The Assistant Commissioner, Inland Revenue vide orders under section 182/140 of the Income Tax Ordinance, 2001 has levied penalties against staff of the Bank amounting to Rs. 30 million and Rs. 0.06 million. Currently, these matter are pending before Commissioner Inland Revenue (Appeals) subsequent to appeal filed by the staff. In case of any adverse decision in appeals, the Bank reserves the right of recourse on customers for re-imbursement. However, the management is confident that these matters will be ultimately decided in favor of the Bank and the Bank may not be exposed to any additional tax liability on these accounts.
- A penalty of Rs. 50 million had been imposed by the Competition Commission of Pakistan ("the Commission") on the Bank on account of uncompetitive behaviour and imposing uniform cost on cash withdrawal from ATM transactions dated June 28, 2012. The Bank along with other Banks had filed a constitutional petition before the Competition Appellate Tribunal which has set aside the order of the Commission. Against the said order of the Competition Appellate Tribunal, the Commission has filed an appeal before the Supreme Court of Pakistan, the hearing of which is currently pending. The management of the Bank is confident that the appeal will be decided in the favour of the Bank. Accordingly, no provision has been recorded in these condensed interim financial statements.
- 23.3.5 Through the Finance Act, 2008 an amendment was made in the Employees Old Age Benefits Act, 1976 whereby the exemption available to banks and their employees was withdrawn by omission of clause (e) of Section 47 of the said Act and banks and their employees were made liable for contribution to Employee Old Age Benefit Institution. The Lahore High Court, subsequently, nullified the amendments made through the Finance Act, 2008.

Subsequently, several other banks also filed the Constitutional Petition before the Sindh High Court which decided the matter in favour of the banks. As a result of the decision of the Lahore High Court and Sindh High Court, the Bank stopped EOBI contribution w.e.f. February 2012. An appeal was filed by the EOBI in the Supreme Court of Pakistan which has been disposed of by the Honourable Court vide its order dated 10 November 2016 in favour of the Banks. However, EOBI has filed review Petition on 07 March 2019 before the Supreme Court of Pakistan which is currently pending.

In case of any adverse decision by the Supreme Court of Pakistan, a contribution of Rs. 550.119 million (up to 31 December 2024: Rs. 471.600 million) will become payable by the Bank to the EOBI. The said amount has not been provided in these condensed interim financial statements as the Bank is confident that the case will be decided in the Bank's favour.

### 36 CREDIT RATING

The Pakistan Credit Rating Agency (PACRA) has maintained the long term credit rating of 'AA-' (Double A Minus) and short term rating of 'A1+' (A One Plus) with Stable Outlook of the Bank through its notification dated 25 June 2025 [2024: long term 'AA-' (Double A Minus): short term 'A1+' (A One Plus)].

Furthermore, the Bank's unsecured, subordinated, rated, listed perpetual and non-cumulative Term Finance Certificates, Tier I Capital, of Rs 4,000 million have been assigned the rating of 'A' with Stable Outlook by PACRA through their notification dated 25 June 2025 (2024: 'A' with Stable Outlook).

PACRA had also maintained the credit rating of the Bank's unsecured, subordinated and listed Term Finance Certificates (TFC – III), Tier II Capital, issue of Rs 4,000 million at 'A+' (Single A plus) with Stable Outlook through its notification dated 25 June 2025 [2024: 'A+' (Single A plus) with Stable Outlook].

### 37 FAIR VALUE MEASUREMENTS

Fair value measurement defines fair value as the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of quoted securities other than those classified as amortised cost, is based on quoted market price. Quoted debt securities classified as amortised cost are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiary, is determined on the basis of valuation methodologies which are best reflective of their business model. The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since these are either short-term in nature or, in the case of customer loans and deposits, are frequently repriced.

### 37.1 Fair value of financial instruments

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analysis financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the period.

### Valuation techniques and inputs used in determination of fair values

## Fair Value of financial assets

## (a) Financial instruments in level 1

Financial instruments included in level 1 comprise of investments in listed ordinary shares and units of mutual funds / REIT funds.

### (b) Financial instruments in level 2

Financial instruments included in level 2 comprise of GoP Ijarah Sukuks, Pakistan Investment bonds, Market Treasury bills, Corporate bonds, Term finance certificates, Sukuk certificates.

### (c) Financial instruments in level 3

Financial instruments included in level 3 comprise of property and equipment (land and building) and unlisted securities.

### Fair Value of non - financial assets

Certain categories of property and equipment (land and buildings) and non banking assets acquired in satisfaction of claims are carried at revalued amounts (level 3 measurement) determined by professional valuers based on their assessment of the market values as disclosed in notes. The valuations are conducted by the valuation experts appointed by the Bank which are also on the panel of the State Bank of Pakistan.

### Valuation techniques

ltem	Valuation techniques and input used
Fully paid-up ordinary shares / REIT funds - listed	Fair values of investments in listed equity securities and REIT fund units are valued on the basis of closing quoted market prices available at the Pakistan stock exchange.
Ordinary shares - unlisted	The fair value of investments in unlisted equity securities are valued on the of basis market multiple approach.
Pakistan Investment Bonds / Market Treasury Bills	The fair value of MTBs and PIBs are derived using PKRV rates. Floating rate PIBs are revalued using PKFRV rates.
Government of Pakistan - Ijarah Sukuks	Fair values of GoP Ijarah Sukuks are derived using the PKISRV rates announced by the Financial Markets Association of Pakistan (FMAP) through Reuters. These rates denote an average of quotes received from pre-defined / approved dealers / brokers.
Term Finance, Bonds and Sukuk certificates	Investments in debt securities (comprising term finance certificates, bonds, sukuk certificates and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the Securities and Exchange Commission of Pakistan. In the determination of the rates, MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities.
Forward foreign exchange contracts	The valuation has been determined by interpolating the FX revaluation rates announced by the SBP.
Land and Building (property and equipment & non-banking assets)	The valuation experts used a market based approach to arrive at the fair value of the Bank's properties. The market approach used prices and other relevant information generated by market transactions involving identical, comparable or similar properties.

The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements of investment and advances, (The valuation techniques are stated above)

	Fair value					
Description	(Un-audited) 30 September 2025	(Audited) 31 December 2024	Unobservable inputs*	Discount rate	Relationship of unobservable inputs to fair value	
Ordinary shares - unlisted (Market Approach)	1,128,001	-	Market multiple	Not applicable	Not applicable	

<sup>\*</sup> There were no significant inter-relationships between unobservable inputs that materially affect fair values.

The following table shows reconciliation of investments Level 3 fair value movement:

- 38.1.1 The operations of the Bank are currently based only in Pakistan, therefore, geographical segment is not relevant.
- 38.1.2 Segment assets include inter segment lending, while inter segment borrowings forms part of segment liabilities, at gross level. Segment wise total assets as well as total liabilities therefore appear higher by Rs. 489,028 million (31 December 2024: Rs. 533,638 million), when compared to total assets / liabilities reported at Bank level, where inter segment lending / borrowing stands eliminated.

### 39 RELATED PARTY TRANSACTIONS

The Bank has related party transactions with its related group companies, major shareholders, staff retirement funds, directors and their close family members (including their associates) employee benefit plans and key management personnel.

The Bank enters into transactions with related parties in the ordinary course of business and on substantially the same terms as for comparable transactions with person of similar standing. Contributions to and accruals in respect of staff retirement benefits and other benefit plans are made in accordance with the actuarial valuations / terms of the contribution plan. Remuneration to the executives / officers is determined in accordance with the terms of their appointment.

During the period details of transactions with related parties (other than those which have been disclosed in respective notes) are as follows:

Musharaka investments from the SBP under Islamic Export Refinance Scheme (IERS) are channelled towards the export sector of the economy and other financings as per SBP guidelines.

### 41.11 Key features and risk and reward characteristics of all pools

The 'Mudaraba Pool' for Local Currency caters to all Soneri Bank Limited - Islamic Banking depositors and provides profit / loss based on Mudaraba.

The IERS Pool caters to the 'Islamic Export Refinance' requirements based on the guidelines issued by the SBP.

The risk characteristic of each pool mainly depends on the asset and liability profile of each pool.

### Jointly financed by the Bank and unrestricted investments / PLS deposit account holders

This represents all earning assets of the Bank except those tagged to the Islamic Export Refinance Scheme. Major categories include:

Islamic financing and related assets Investments Due from financial institutions Others

Funded Income	Expenses	Gains / (loss) on sale of securities	Total
	(Ru <sub>l</sub>	oees in '000)

-	(912)	-	(912)
5,152,498	(912)	-	5,151,586

### 41.12 Incentive profits (Hiba)

The Bank paid an aggregate amount of Rs. 242.145 million as incentive profits (Hiba), which includes Rs. 55.633 million for normal pool and Rs. 186.513 million for special pool during the period ended 30 September 2025. The following guidelines are approved by the Bank's Sharia Advisor for determination of incentive profits (Hiba):

- Special weightage deposits in designated tiers / slabs in Mudaraba Pool shall be offered extra weightages outside the Mudaraba Pool, provided the specified parameters are met;
- The deposit deal shall be at least of Rs 25 thousands;
- In case a Term Deposit is pre-maturely encashed, profit shall be paid at the expected rate of completed tenor;
- The payment of Hiba on deposits will be at the sole discretion of the Bank and could be decreased or / and removed any time during the tenure of the deposit, under intimation to the customer, if the customer fails to meet the prerequisites at any time during the tenure of the deposit and / or the profit rate no longer remains sustainable from Bank's share; and
- The Bank shall ensure that all the operational procedures and controls to the satisfaction of Shariah are in place.

### 42 GENERAL

Figures have been rounded off to the nearest thousand rupees unless otherwise stated.

### 43 COMPARATIVE

- **43.1** Comparative information has been re-classified, re-arranged or additionally incorporated in these condensed interim financial statements, wherever necessary to facilitate comparison and better presentation. There were no significant reclassifications during the current period.
- **43.2** The effect of restatement due to adoption of IFRS 9 is mentioned in note 4.1 of these condensed interim financial statements.

### 44 DATE OF AUTHORISATION FOR ISSUE

These condensed interim financial statements were authorised for issue on 22 October 2025 by the Board of Directors of the Bank.

Amin A. Feerasta Chairman Muhtashim Ahmad Ashai President & Chief Executive Officer Adnan Khaleeq
Acting / Deputy CFO
